PREFACE

President Trump, since the first day you walked down the escalator declaring your candidacy for the presidency, God spoke to my heart and said, “Pray for Trump.” While I am not a political person, I obeyed and prayed. After four months of prayer, I met you at a rally in Norfolk. You came over to me to introduce yourself, much to my surprise. However, I had been praying for you diligently all that time and I believe you were responding to the presence of God in that moment. Your stopping to say, “Hello,” so blessed me that I went home that day thinking, “I don’t just want to say my prayers. I want to give Donald Trump a tangible expression of my prayers.” I then wrote a 120 page hand written prayer book for you which God made possible for me to give you directly during your Hannity Show taping in Fayetteville, NC, on my birthday, March 9th!

I was so thrilled to be able to give it to you directly through the hands of your secret service man, Keith. On the way home, I heard these words, “prayers for the president.” I knew I was to write a book for you that would be compilation of prayers from the people to bless you in a tangible way with the heart of the Father through our hearts. This book is the result of that effort. I must thank the efforts of Dr. Joseph Peck of Empower 2000, who was my “trumpeter” in getting the word out to people, and to Laura Nieminen, with Rising Paragon LLC, for her assistance in editing and compiling the prayers.

I was overwhelmed at how much people love you and how much God loves you to have people praying for you all over the world. While your enemies have been fierce and visible, our hearts are to let you know that the power of love and prayer is the best shield of defense and offense you have. We are praying for “wisdom from above,” and it is our hope that you will pray these prayers every day, one a day for your first 100 days—and then some—as we will be praying the same prayer with you! Some have prophesied that this is the beginning of a prayer revolution!

Please accept this book as an expression of the great love America and the world has for you—and the great love and concern we as a people have for our nation to become Great Again. We know that it is our prayers that go up to God that move heaven and earth on our behalf. We pray and believe that the prayers in this book will comfort, inspire, strengthen, and guide you to hear the heart of the Father whose desire is to walk with you throughout your presidency in much the same way as partnering with your earthly father brought you resounding wisdom and success. With great love and affection, and the desire for you to receive wisdom from above, we present this book to you and your family. We hope it is the beginning of many to come! Please feel free to call upon us to pray at any time. As your spiritual caddy club, we are here for you!

DAY 1: WISDOM AND WEAPONS FROM ABOVE

“The wisdom from above is first pure, then peaceable, gentle, open to reason, full of mercy and good fruits, impartial and sincere. And a harvest of righteousness is sown in peace by those who make peace.” (James 3:16-18)

“The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ.” (2 Corinthians 10:4,5)

President Trump, since the first day you announced that you were running for president, God put it on my heart to pray you through to victory, all the way to the finish line. The more I prayed for you, the more I felt the love of God for you. I decree that just as you partnered with your earthly father for your business success, you will partner and be mentored by your heavenly Father for wisdom, knowledge, and confidence for your presidential success. This is your Father’s business that you are about and He will make sure it will be a success as you seek Him and follow His ways and blueprints.

Father, I lift up President Trump to Your throne. I pray that You will form in him the character of a president that is made in the image of Your son, Jesus Christ. I pray during this time of pressure and testing, that You will use it to bring him to Yourself. For the warfare that he will have to address and overcome in the days to come personally and nationally cannot be waged and won with human wisdom, however good that is. It will require wisdom from above, which only You can give. So we pray for the formation of the spiritual man in President Donald Trump, above and beyond the businessman and leader. May he increasingly sense the limitations of his own abilities, capacities, and amazing gifting---and begin to look to You in a brand new way to be His Father in this hour, to be his Source of Wisdom in his presidential championship. Teach him to skillfully wield the weapon of prayer executed with spiritual authority—a new weapon—just like learning the advantages of getting a special new golf club to have the winning advantage. Use godly people to speak truth and the Gospel to him. We pray his ears would be open ONLY to godly wisdom, especially in the choosing of his leaders and in the direction for our nation. Bless him with sound sleep and recovery from stress, with some time for golf, too. Give him a picture of what victory looks like these next 100 days and beyond and let him score big in the presidential championship. Rejoice and get ready for a whole new level of victory!

DAY 2: TO INTIMATELY KNOW THE GREAT I AM

"Thus says the LORD to His anointed, to Cyrus, whose right hand I have held—to subdue nations before him and loose the armor of kings, to open before him the double doors, so that the gates will not be shut: 'I will go before you and make the crooked places straight; I will break in pieces the gates of bronze And cut the bars of iron. I will give you the treasures of darkness and hidden riches of secret places, that you may know that I, the LORD, Who calls you by your name, AM the God of Israel.'" (Isaiah 45:1-3)

President Trump, first of all, I want to thank you and Melania for your faithfulness to one another, your family, and our wonderful country. Thank you for all the hardships and abuse you have endured to get to where you are. For me the turning point to embracing you and your candidacy came shortly before the Indiana Republican primary, which sealed your victory in the Primary race. A few days before that, I was talking to Laura Nieminen, an Indiana resident and the top worker for my company. Laura told me she and some other Christians see you as a modern day Cyrus to set the captives free. Suddenly a light bulb went on and I saw God's sovereignty in selecting you as His chosen vessel to restore America. Then after reading Lance Wallnau's book "God's Chaos Candidate: Donald J. Trump and the American Unraveling" several weeks before the Presidential election, I understood much more.

Most gracious and merciful heavenly Father, thank You for choosing President Donald Trump to champion Your cause to make America great again—a beacon of light to the world—“for such a time as this” (Esther 4:14). Thank You for preparing, guiding, and protecting President Trump on his life-long journey. Thank You that President Trump values life and unabashedly proclaimed he will choose pro-life judges for the Supreme Court. May President and Melania Trump’s “delight be in the law of the LORD, and may they meditate on Your law day and night, so they are like a tree planted by the rivers of water, that brings forth its fruit in its season, whose leaf also shall not wither; and whatever they do shall prosper” (Psalm 1:1-3). May You bless President Trump with the heart of King David and the wisdom of King Solomon. “The LORD bless you and keep you; The LORD make His face shine upon you, And be gracious to you; The LORD lift up His countenance upon you, And give you peace” (Numbers 6:24-26). In Yeshua’s name, we in America and throughout the world pray, Amen and hallelujah!

DAY 3: HEAVEN VOTED

“He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?” (Micah 6:8)

My Dad chose this verse to guide him after he gave his life to the Lord at age 14. He was quite excited to observe the increasing ground swell of support as you amplified the heart cries of so many frustrated Americans. He died in my arms January 12, 2016 just as I shouted a big “YES!” during Nikki Haley’s Republican response to the last State of the Union Address. He was deeply concerned for our nation and SO hopeful about the upcoming presidential election! A few days earlier he said, “I need to get an absentee ballot.” Both aware that his time here was short, I laughingly replied, “Dad, I think that’s still illegal!” It felt like all of heaven voted that day, November 8th, 2016; what glorious opportunity opened! Almighty Creator and Ruler of All, the One who opens doors that no man can open, who shuts doors that no man can shut, the One who sets kings in place and removes them, the One who knows us best and loves us most, we thank You. We sing, we dance, we shout, and cheer because in this opportunity You have shown such mercy, such favor to America and our new President.

America is not done needing mercy or miracles, Heavenly Father! Thank You that Donald Trump and his team will know both in abundance. Thank You, Yeshua, for being Emmanuel, God with us, through every phase of his personal new beginning and through America’s, including life’s inescapable seasons of helplessness and dependence. May he see Your goodness there and everywhere; how it flows, where it goes and what it does. Under his leadership may true justice again marry righteousness, birthing unprecedented mercy and grace to overtake strife and division. Pump Your perfect wisdom through every teachable heart in our nation as we dedicate ourselves to You and set us on fire with ‘freedom’s holy light.’ Remind him often, Father God, that true kings have wise father’s hearts and the passion of enthralled husbands laying their lives down for their brides. Give him creative balance to manage a massive potential eight year assignment with a lifelong commitment to his family. Bless him to stir up and shake out the salt of the earth in our nation for the enhancement and preservation of Life and Light around the world, so that he will not end up stewarding a Dead Sea. Finally, for this page but not my prayers, may he be stunned with wonder, not as much to be President of the United States, as to be a favored Son of the Most High God.

DAY 4: HEALING OF OUR NATION  
AND GETTING BACK TO THE FOUNDATION OF LIBERTY

“If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin, and will heal their land.” (2 Chronicles 7:14)

Dear President Trump, We are grateful to God for giving America one more chance to turn around—to turn back to common sense, liberty and freedom. We are grateful God has called you to lead America “for such a time as this.” Now is the time for the healing of our nation. One reason America became great was that our Founding Fathers based their new country on common sense principles, which every historian knows came directly from something called “common law”—a system of governing we inherited from our mother country, England. Common law was so common back in those early days that it wasn’t even written down. Everyone knew that lying, killing, and stealing were wrong. Why was common law so common? It came directly from the “Decalogue” – The 10 Commandments—God’s laws for society which are the foundation for goodness and American’s greatness. Without these laws, the nation crumbles. God wants to heal our land, but first we must humble ourselves, pray, seek God’s face and turn away from our wicked ways—and turn toward God’s way.

Heavenly Father, we come before You with humble hearts and pray that You will wrap Your loving arms of protection around Donald J. Trump, his amazing wife, Melania, their son, Barron, and the whole Trump family. These are serious days in America and the world, and we pray that You will give President Trump Your wisdom and grace in everything he says and does and surround him with wise and godly advisors. We pray that under his leadership, the evils of totalitarian godless governments around the world will crumble. We pray that Americans will turn from our wicked ways and that You will heal our land. God, we pray that You will use President Trump to remind Americans and the world the true foundation of our liberties—common law, God’s law. God, we love You, and ask for Your blessings on the Trump family and on America. In Jesus’ holy name. Amen!

DAY 5: WISDOM AND DISCERNMENT

“If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him.” (James 1:5)

“Teach me good judgment and knowledge, for I believe Your commandments.” (Psalm 119:66)

Hi Mr. President, My name is Luke Fulton. I am a 16-year-old from Canada and I love God. I have been following the election in the USA as much if not more than my own politics here in Canada. Not only do I follow, but my parents have taught me to respect and pray for those in authority over us, for those who make decisions that affect our lives. My mom was an international student in Virginia, in your country. I have admired the way you have handled the election no matter how callous it became and I respect you for that. I know you will do right by the American people who elected you and for the surrounding countries that you can also influence for good or ill by your decisions. Thank you for running for President. We are glad you did.

God, I pray for President Trump that he would have a lot of wisdom as he leads America. Give Him Your wisdom. May he know You love to hear his voice calling to You. May he ask You for wisdom and know that You will give it to him, freely, fully and gladly. Give him discernment and the ability to see things for what they really are, and not for what we want them to be. May he discern well both domestic and world events and trends. Father in Heaven, I ask You to give him wise advisors and the grace to listen to those wise advisors. Amen.

DAY 6: PRESERVE, PROSPER AND PLANT TO DECLARE AND WIN

“All the kingdoms of the Earth hath the LORD God of heaven given me, and he has charged me to build him a house in Jerusalem, which is in Judah. Who is there among you of all his people? The LORD his God be with him, and let him go up.” (2 Chronicles 36:23)

President Trump, you said, if you ever ran for office, you would run only to win. In Africa, a new sense of hope has arisen for those who have persisted in what must happen to rid themselves of mediocrity. They have been greatly inspired by your resolve and focus. Law and order must return to our shores. The Law shall go forth from Yerushalayem. It once was that the biblical tenets supplied the laws of nations. This far, O President Trump, you have not cared for political correctness, and your decree shall not be popular and politically correct. However, remember, all those who had influence all over the world stood against you, and you won. Be an instrument in His hand for righteousness.

Hashem, You decree a matter and it comes to pass. By Your Spirit You have brought President Donald J. Trump in this season with the spirit of the prophets upon him and a sword in his mouth. We ask for him a spirit of perseverance as has seen him through many challenges in his life until now. LORD GOD, preserve President Trump in his going out and in his coming in from this time hence forth. Let him walk in the anointing of a Cyrus and be aware of it. LORD, You have given him the kingdoms of the earth, seeing that United States of America has huge influence all over the world. May he decree a matter and it shall stand. FATHER GOD, Creator of heaven and earth, create in this man, President Donald J. Trump, a new heart that preserves truth and eschews and hates double standards and the destruction of nations. Give him a burden for America and a burden for the welfare of Israel and Your house. God, You stretched forth the heavens and laid the foundations of the earth; You formed his spirit within him. God, therefore, lay the foundation of his 8 year-presidency. May he be diligent, listen to and believe Your prophets and prosper. Decree a word that Yerushalayem may become a cup of trembling unto all the people round about her. Father God, may President Trump take a trumpet and sound it over the nations and make a decree that Jerusalem shall be inhabited as one compact city and thus shall he prosper the USA, his presidency and his generations. We cut off from President Trump all the liabilities of those who went before him and the snares of the office and its deep roots fed from places other than the river of God. May all the plantings that are not of God be uprooted and the fallen giant tree and cedars be cut up and burned with fire. Father God, on 20th January at 12.00 noon, 2017 (22nd, Tevet 5777) give him a spirit that will lead a new redemption and exodus from captivity for Your people and grant Trump the anointing of a Cyrus. Amen.

DAY 7: A MAN AFTER GOD’S OWN HEART AND CROWNED WITH WISDOM TO LEAD THE UNITED STATES OF AMERICA INTO TRIUMPH!

“He made David their king. God testified concerning him: ‘I have found David son of Jesse, a man after my own heart; he will do everything I want him to do.” (Acts 13:22)

President Trump, I am an Australian with an incredible love and heart for your nation. A short while after you announced that you were running for President, the Lord gave me a dream that He was going to use you to bring VICTORY and TRIUMPH into the United States. Ever since, I have felt God’s heart for you and seen clearly His hand of anointing upon you, to partner with Jesus to bring the greatest shift into America’s God ordained destiny that has ever been seen. Right before the election while seeking the heart of God and praying for you, I had a vision where I saw Jesus place a crown upon your head and Jesus said to you “During your Presidential Term, I will make you more like King David, a man after My own heart.” You are going to know Jesus in a way you never have before in your Presidential Term. You will hear from Him and pursue His heart with greater hunger than you have ever experienced. The wisdom that you are crowned with is from on high and will bring breakthrough into the nation and bring LIFE back to her again. He trusts you President Trump, and He has given you the grace to accomplish all you need to for the nation He loves. I honour you for your boldness, your humility, your courage to speak, your kindness and especially your love and father heart for the United States.

“Father, I thank You for President Trump and his heart to know You and for the nation of America. God, I pray that You would reveal Yourself to Him in ways He has never imagined or experienced. God, that You would speak to Him and breathe upon Your Word for Him. God, continue to increase in him a heart like King David, a heart to know and pursue You and that President Trump would know You in this season as a faithful friend to him, like David did. Jesus, I pray for Your wisdom that You have crowned him with to continue to increase through his Presidential Terms. I pray that You would give him eyes to see with even greater clarity, and that in partnering with You, he would see the United States broken free from the chains of the past, and move forward into a new day - a day of freedom, life, joy, victory, triumph, healing and breakthrough. Jesus, I pray that You would strengthen, empower and refresh him by the power of Your Spirit. Whisper your words of life and wisdom to him, that as he speaks, Your arrows of breakthrough would be released into the nation and move her into her new day of destiny. In Jesus’ name, Amen!”

DAY 8: MERCY TRIUMPHS OVER JUDGMENT

“Let us therefore come boldly to the throne of grace that we may obtain mercy and find grace to help in time of need.” (Hebrews 4:13)

Mr. President, it’s like a dream, but this is very real...you are the 45th President of the United States! I believe if anyone can do it you can; however, you will need two things that can’t be gained by intellect, influence, power, or money. Just like King David in the Bible, you will need the favor and mercy of God. We are in the Hebraic year of 5777. The Hebrew language is a beautiful, pictorial language, with every letter and number having meaning and images connected to them. The picture for this year is a sword with a crown on it. The sword is indicative of warfare, but it may also create openings or clear the way. Scripture refers to “the sword of the Spirit,” as being “the word of God”. The other image for the year is the crown. A sword cannot be wielded effectively without favor resting on the individual in possession of the sword.

God, we believe that You know the plans You have for our President Donald Trump. They’re plans to prosper him and not to harm him. Plans to give him hope and a future, a destiny. Thank You for extending Your favor over our president, his family and his team. Before he was born, Psalm 139 says that You knit him together and knew the book of his days. Through Your providence, this is his time to walk in what has been written in his book. We are blessed to know that You have opened His book and are revealing what You have written. Thank You that he has eyes to see and ears to hear what You are saying by Your Spirit. We bless You, Father, as You give him a sword to open things and to take out things. We are grateful that You are empowering our president to have keen insight and great wisdom to know what must be cut away and trimmed, and what must be repaired and healed with surgical precision. Your favor, God, is hovering over President Trump. He has worked hard and stood strong because of the millions of people that are praying for Him and crying out for Your intervention and mercy at this time in our history. Thank You for speaking to our President and giving him wise counsel through Your Spirit and those You have placed around him to assist him, support him, and stand in the gap for him. May he depend on and trust in You and may He look to You for guidance and revelation. May he never be afraid to ask for Your help or to hope in Your mercy. Amen.

DAY 9: RIGHTEOUSNESS EXALTS A NATION

“Doing what is right lifts people up. But sin brings judgment to any nation.” (Proverbs 14:34)

Father God, we come before You today thanking You for our President Donald Trump and his family. We are grateful for him. We believe that by Your sovereign hand he has been placed in the highest office in our land. We also believe it is our responsibility as Your children to pray for our leaders and those who govern us. Today we beseech You on behalf of President Trump, his family, members of congress and all members of his cabinet. We ask for Your protection, Your guidance and Your wisdom over him, each family member, members of congress and each member of his cabinet. We ask that You bless him in his coming and going. We ask You to order his steps and guide his thoughts. We know that righteousness, doing what is right exalts a nation or lifts it up and sin tears it down or brings judgment. We ask You to grant President Trump the wisdom and the heart to continually do what is right for this nation. We pray his decisions will always be based on values, principles and godly precepts rather than the pressures of political correctness or popularity. By Your spirit draw him closer to You each day. May his heart align with Your heartbeat for this nation. Grant him peace and favor with those who may oppose him. Help him to continue to walk boldly and courageously in the mantle that has been placed on him with unwavering commitment to always do what is right for the American people. It is in the name of our Savior and Lord Jesus Christ, that we make our prayer today. Amen.

DAY 10: FEAR OF THE LORD

“The fear of the Lord is the beginning of knowledge, but fools despise wisdom and instruction.” (Proverbs 1:7)

True story: Many years ago, I asked the Lord what “the fear of the Lord was really like.” Soon after, on an early Saturday morning, He showed me. As I was driving over the Chesapeake Bay Bridge for the first time, I was admittedly a little nervous, so I was careful to read every sign and obey every sign, including the speed limits along the way. Then I relaxed a little and said, “Okay Lord, how am I doing?” I was surprised to hear the wise voice of Holy Spirit say to me, “This is like the fear of the Lord. If you were this careful going through life, as you've been going over this bridge, reading the signs, obeying the signs, and checking in with Me, you would save yourself a lot of trouble! I realized then, that honoring the Lord by respecting His boundaries was for my own good and pleasure; not something to restrict me and keep me in bondage.

Heavenly Father, we acknowledge You as creator and author of all things created in heaven, on earth, and in the whole cosmos. You alone know what’s best for us, so I ask You to immerse President Trump with Your wisdom and understanding as he exercises power and dominion that You have given us over the enemy of this world, in order to accomplish Your Kingdom purposes and responsibilities. As obvious as it is that we need physical boundaries for our country’s protection and welfare, we also need personal boundaries that You have set in place, to spare us unnecessary trouble. Father, I pray that You will make known Your wisdom and Your boundaries to President Trump, in order to enlighten, empower, and protect him, as he makes personal decisions and those that will affect our United States of America. In Jesus’ Name.

Amen.

DAY 11: GUARDING YOUR HEART

“Keep and guard your heart with all vigilance and above all that you guard, for out of it flow the springs of life.” (Proverbs 4:23)

Mr. President, Potter County voted 80% for you in this election. Newspaper reporters from Sweden and Japan travelled here to interview our citizens and me to explain this extremely strong support for you. I have followed your career for years and have known that you are fearless and willing and able to do the extraordinary. I have been an elected official for over 22 years in different capacities and am now in my fifth term as a Potter County Commissioner. This scripture admonishing the “guarding of our heart” has helped me greatly in the political arena where contention, controversy, end egos abound. Keeping my heart in peace has allowed me to keep clear in my purpose and not become so frustrated, angry, or discouraged that His love and life are stopped from flowing through me, even to my enemies, who may one day become my friends. May God abundantly bless you and your family and all that you put your hand to do for our nation.

Father, I pray that President Trump diligently guard his heart so that your springs of life flow through him with joy and strength without bitterness or any hindrance to his peace. Let him be refreshed daily by the truth of your Word and the mighty Spirit of God that is his for the asking. Let his faith stand firm in the love of God, being rooted and grounded in its power to transform him and inspire him to ask largely from you and believe for the impossible. Let peace reign in his heart so your springs continually and freely flow for every occasion of life, whether matters of state, business, family, relationships, health, or recreation.

DAY 12: KNOWING WHO IS IN CONTROL

“For I know the plans I have for you,’ declares the Lord, ‘plans to prosper you and not to harm you, plans to give you hope and a future.’” (Jeremiah 29:11)

“I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.” (Philippians 1:3-6)

President Trump, as soon as you announced that you were running for office, a group of us started praying that you would KNOW that this was God’s plan. HE has chosen you to lead this Country at this very time for a specific purpose that only you can fulfill. God needs to be back on the throne of this Country and HIS WILL be done. You, President Trump, with the guidance of our Heavenly Father, are the man to do that job and get The United States healthy again.

“Heavenly Father, thank you for putting Donald Trump into the position of President of the United States. Thank You that You ordered his steps and his platforms when he was knit together in his mother’s womb. Your plans for him are coming to fruition and I ask that You give him wisdom, discernment and the confidence that You have it all under control. Lord, please guide and direct President Trump in all decisions and relationships to be made and show him Your will Lord. Help him to have faith beyond all measure and give him the strength to surrender everything to You, seeking guidance from You daily. Amen!”

“This is what the Lord says: “I will go before you, Cyrus, and level the mountains. I will smash down gates of bronze and cut through bars of iron. And I will give you treasures hidden in the darkness...secret riches. I will do this so you may know that I Am the Lord, the God of Israel, the One who calls you by name.” (Isaiah 45: 1-3) 

From the first day you announced your candidacy, the Lord put it on my heart to pray for you. As I began to pray, the Lord spoke to me and said, “I am raising up Trump to be My Trumpet, to wake my people up. He will be a Cyrus to the people. I do not see as men see, I see his heart.”

Heavenly Father, I ask that You go before President Trump and make the crooked places straight. Break in pieces the gates of brass and cut asunder the bars of iron. Grant unto him, according to Your riches in glory, Your tender mercies and immeasurable favor, the treasures of darkness and hidden riches of secret places. I ask that a Cyrus anointing flows unhindered and uncontaminated in his life. As Your Representative, I ask that all diplomatic and aristocratic rights, privileges, respect and honor are extended to him. I declare that Grace, Truth, Goodness and Mercy are his bodyguards. Wisdom is his Counselor, The Holy Spirit is his Consultant and Jesus Christ is his Advocate.

DAY 14: PRAYER FOR BLESSINGS

“Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit.” (Romans 15:13)

President Trump, I praise God that He has raised you up to lead our nation in this critical time, and I hope that you realize that your authority has come not just from American voters, but that it was delegated ultimately by God Himself. Our founding president said, “It is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore his protection and favor.” I would be disobedient to the command of God if I did not pray for you diligently, both in your personal and public life, so I commit to pray for you, your family, and those who advise you.

“Father, I pray for President Donald Trump, that he will have the humility that will cause him to be constantly aware of His dependency upon you. I pray that You will grant him the wisdom to promote justice and to exercise sound decisions that will bring healing and strength to our nation. I pray that you will give him keen discernment to divide truth from error in all political, economic, and moral matters, and that he will have the courage and boldness to stand always for that which is right. I pray that You will direct his thoughts, words, and actions, and that he will allow the word of God rather than public opinion to dictate his policies. I pray that he will grow in the grace and knowledge of the Lord Jesus Christ, that he may be a righteous example in leading the country back to its godly foundations. Put a hedge of protection around him and his family, that no weapon formed against them will prosper. In the name of Jesus, amen.”

DAY 15: PEACE AND PROTECTION

“I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people — for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness.” (I Timothy 2:1-2)

Father in Heaven, We pray for our new president, Donald John Trump. We thank You for giving President Trump a willing heart to give up his time and money for the cause of the United States of America. We ask that You will give him Supernatural Ears to hear and Supernatural Eyes to see that Your will is accomplished through him. We pray for President Trump’s protection as well as every member of his family, from the oldest to the youngest and those to come. We pray a HUGE hedge of protection be continually around him no matter if at home or abroad. Father, we ask that You station angels around the aircraft that President Trump is using for transportation as well as the motorcade in which he is riding. Please, Lord, raise up a myriad of prayer warriors to continue 24/7 prayer of protection around President Trump. Do not allow us to have a false sense of “peace and safety” as we pray against destruction. Lord, we pray for peace to surround the inauguration and that all actions against this day be thwarted by You and Your angels. Father God, please impress on everyone that the Government rests on YOU and YOU ALONE and not on a man; that You anoint the man to lead Your work. We pray that You will show President Trump exactly the people that You will to help him in this transition. Give them the Supernatural Eyes and Ears to see and hear Your will. Lord, please give President Trump a prayer life that will astonish even him. Give First Lady Melania Trump a prayer language that will speak over her husband day and night. We praise you, precious Lord, for your Grace and Mercy.

DAY 16: VICTORY

“For the Lord your God is the one who goes with you to fight for you against your enemies to give you victory.” (Deuteronomy 20:4)

“With God we will gain the victory, and he will trample down our enemies.” (Psalm 60:12)

Dear Lord Jesus, I pray for Donald J. Trump, our next President of the United States. May You uphold him with the power of Your right hand to give him victory as you answer him from Your heavenly sanctuary in heaven. May You give victory to Your anointed President Trump. With You, God, he will gain the victory and You will trample down his enemies before him as he makes decisions regarding our country and our place in the world. You created everything in this world, Father, the people, places and all that is within it. Give President Trump wisdom and discernment as he makes momentous decisions that will affect the people of this country and around the world. Help him strategize and manage his time wisely to have victory and power and authority in all he does. Keep him humble as a husband, father, and friend to those You have placed in his family and around him. Let victory ring loudly again in this great country You established Lord. Let President Trump always remember that America upholds and honors Israel who is the apple of Your eye. And that those who bless Israel, You bless, and those that curse Israel, You curse. May President Trump always remember to give thanks to God who gives us the victory through our Lord Jesus Christ. And may we all shout for joy with President Trump and his administration over Your victory and lift up our banners in the name of our God. And Father, may the Lord grant all President Trump’s requests. Father, may you keep constant prayer and vigil from the saints over him as he goes about his business and life both day and night, now and forevermore. May the Lord of all Glory be with President Trump forever and ever. Amen.

DAY 17: WAITING UPON THE LORD

“But those who wait on the Lord Shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint.” (Isaiah 40:31)

Lord, I thank You for our President, Donald Trump. I pray that in these first 100 days he would take time to seek You, that he would find the moments to sit quietly in Your presence. Surround him with Your peace that surpasses all understanding. Renew his strength as he makes decisions for our country. May he rise up as on wings of eagles, to run and not be weary; to walk and not faint. Make Your face to shine upon him. Bless his hands and all that he touches as he goes forth in what You have called him to do. You, Father have appointed him and anointed him for such a time as this. Surround him Lord with wise counsel to guide him and direct him in Your ways. Lord, send a charge of angels to protect him and his family. May the door posts of the Whitehouse be covered by the blood of Jesus, just as in Exodus, so no harm shall come to him and those that love You. Thank You, Lord, for Your mercy and grace. God bless President Trump and God bless The United States of America! Amen.

DAY 18: MYSTERIES REVEALED

“That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: the eyes of your understanding being enlightened; that ye may know what is the hope of His calling and what the riches of the glory of His inheritance in the saints and what is the exceeding greatness of His power toward us who believe, according to the working of His mighty power.” (Ephesians 1:17-19)

Heavenly Father, thank you for being Abba. I thank you that, as Abba Father, You have great and mighty plans for all of Your children and we are constantly on Your mind and in Your heart. Thank You for choosing us as an integral part of Your plans and purpose for this nation. Thank You for giving us leaders after Your own heart, such as President Donald Trump. We decree that the spirit of wisdom be upon him. God, give him revelation and understanding that comes directly from an intimate place with You. God, You said in Your Word that You will reveal the profound and hidden things and if we call unto You, You will answer and tell us great and mighty things that we have no way of knowing without You. So Father, we decree that President Donald Trump approaches Your throne of grace with boldness where he will receive mercy, grace, favor, and hidden mysteries. Reveal Your essence, Your mysteries, Your character and Your power to President Trump so that He may know You in a secret place where You constantly cover and protect him under Your shadow. Daniel 2:29 states that you reveal mysteries and make known to the king what will take place in the future. Reveal to President Trump what will take place in the future and direct his paths according to Your will and purposes for this nation. Reveal all ill intentions and motives from those around President Trump and those that he will interact with concerning the affairs of this nation. We pull down and annihilate every wicked plan that would come to establish itself against our President and this nation. Only kingdom assignments and those things on the heart of God will be established to prevail. We declare that President Trump will thrive in the first 100 days of office and will exemplify a life of holiness and wisdom that will be so magnetic that those around him will crave an experience with the only true and living God. Let President Donald Trump be Your representation in the earth and make decisions that favor Your kingdom. Bless the works of his hands and let Holy Spirit guide him into all truth and understanding. We cover our President and the borders of this nation with the blood of the Lamb, Jesus. We thank You for hearing our prayers and we release angels to go forth and perform them accordingly. In the precious name of Jesus we pray, Amen.

DAY 19: STRENGTH AND WISDOM FROM ABOVE

“For the sake of Jacob my servant, of Israel my chosen, I summon you by name and bestow on you a title of honor, though you do not acknowledge me. I am the Lord, and there is no other; apart from me there is no God. I will strengthen you, though you have not acknowledged me, so that from the rising of the sun to the place of its setting people may know there is none besides me. I am the Lord, and there is no other.” (Isaiah 45:4-6)

President Trump, God has laid it on my heart to pray for you for many years now. I got prophesies about you running as president for a couple of years before you announced you were running. When you announced you were running for President it was as if the light had suddenly been turned on in a darkened room. We endured eight years of perversion, persecution, and suffering, but continued to pray for the plans of God for the future. As I continued to pray for you, the stronger the desire to pray for you became. God loves you and knows that you are strong enough to achieve the plans that He has for you. I know that you are strong, and honest. The prophesies that I have been receiving for several years verify this to me.

Abba Father, I come boldly before Your throne of Grace. Cover Donald J. Trump with Your power and blessings. Protect him as the enemy tries to come against him. As he moves forward on the path on which You have placed him, give him wisdom, strength, and the knowledge to get on his knees and talk to You daily. As he grows in stature as President, let him grow in his relationship with You. Never let him forsake Israel and the Holy Land of Your people. Give him the ability to see the plans that the enemy has and choose his response wisely. Let all things be to Your glory and honor. Amen.

DAY 20: SECURING OUR CURRENCY AS THE BASE OF OUR ECONOMY

“Now Abram was very rich in livestock, silver and gold.” (Genesis 13:2)

“Then He said to them, ‘Give therefore to Caesar the things that are Caesar’s, and to God the things that are God’s.’” (Matthew 22:21)

“For the love of money is the root of all kinds of evil—some, longing for it, have gone astray from the faith and pierced themselves through with many sorrows.” (1 Timothy 6:10)

Dear President Trump, Even before Lance Wallnau and others were saying that you are a modern-day Cyrus, that is exactly what the Lord spoke to me as soon as I heard you were going to run for Presidential office. I was filled with joy from the Lord, gratitude for your willingness to lead our nation, and a certainty that God was preparing our nation for a turnaround. God is with us! God is with you! Abraham was very rich. So rich that people were afraid of him and his entourage. I believe that God’s plan from the beginning was for people to be wise with their investments, that nations rule the people with equity, and that we come to money understanding that it is to be a tool in our hands, not something to be held tightly as Golem held the ring and called it “my precious.” Money is not the problem – it’s our attitude towards money that is. I’d like to encourage you with the words of Eric Liddel, “When I run, I feel His pleasure.” As you lead, feel His pleasure. Shalom!

Father God, as President Trump turns his eyes to securing our currency as the base of our economy, I pray that You would give him the wisdom to know which plan to select from those his advisors put forth. Holy Spirit, guide President Trump as he considers abolishing the Federal Reserve Bank. Connect him with the people who know how to secure our currency in the face of increasing upheavals in the global economy. Bring him the wisdom of a heart surgeon in handling currency transactions through a well-thought out course of action, undergirded by computational accuracy, and high frequency currency transactions to guard against loss. Lord, make his eyes to see what You are doing in this nation’s currency, and his ears to hear what You are saying concerning how to secure the nation’s wealth as well as the wealth of the people within the nation. You have given the church in America the assignment to spread the gospel across the earth, to support the task financially, so we ask You for Your protection over the thoughts, ideas, and creativity You have placed in the earth for this to come to pass. Bring these individuals to President Trump through divine appointments so that he is well-equipped to fulfill the assignment You have given him – to make America great again! Amen.

DAY 21: SPIRIT OF WISDOM AND REVELATION

“Cease not to give thanks for you, making mention of you in my prayers; That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him:” (Ephesians 1:16-17)

President Trump, it is very evident that God has placed you in the position of President of the United States for such a time as this. The Book of Proverbs tells us that the heart of a leader is “in the hands of the Lord” (Proverbs 21:1). In your position of authority and influence as a civil ruler, you are a minister of God for the good of the American people (Romans 13:4). This nation was founded upon the philosophy of government that presupposed the Creator and certain self-evident truths. Yet, today, we see many who deny these truths because they refuse to acknowledge the Creator, to whom we are accountable. Wisdom requires the return to our foundations because “if the foundations are destroyed, what can the righteous do?” (Psalm 11:3)

May the God and Father of our Lord Jesus, grant unto you the Spirit of wisdom and revelation in the intimate and experiential knowledge of Him. May the Lord of grace and mercy give you compassion and respect for all with whom you work and influence. May the Holy Spirit lead you into all truth and give you the strength and vision to endure the challenges of leadership. And may the peace that surpasses all understanding guard your heart and mind in Christ Jesus. In His name and for His glory, I pray. Amen!

DAY 22: FAVOR TO REBUILD

“The Spirit of the Lord God is upon me, because the Lord has anointed me to bring good news to the poor; he has sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound; to proclaim the year of the Lord’s favor, and the day of vengeance of our God; to comfort all who mourn; to grant to those who mourn in Zion, to give them a beautiful headdress instead of ashes, the oil of gladness instead of mourning, the garment of praise instead of a faint spirit; that they may be called oaks of righteousness, the planting of the Lord, that he may be glorified. They shall build up the ancient ruins; they shall raise up the former devastations; they shall repair the ruined cities, the devastations of many generations.” (Isaiah 61:1-4)

Dear Lord, I ask that You uphold, protect and encourage President Donald Trump, First Lady Melania Trump and the whole Trump family! This is the year of the Lord’s favor on America. I trust You fully, Lord, that You have anointed President Donald J. Trump and will bring to pass this scripture in Isaiah. I say in the mighty name of Jesus no weapons formed against President Trump, his family or His cabinet shall stand; that You Lord are Sovereign and You will bring it to pass. In the first 100 days I ask that You soften the hearts of those who would oppose him, that You would blind the eyes and close the ears and foil the plans of those who would plan evil against him! Give great wisdom to those You have anointed, to lead and guide this country. I pray that Your mighty angels surround this administration and wisdom and excellence will prevail. That Truth and Justice will be the foundation of this administration, that Prosperity will pour out upon our Land and that You will rebuild the walls and repair the former devastations. I ask that You surround the Trump family and administration with those who see your will and pray. I ask that You bring good friends and encouragement to all and that peace and prosperity will come to our country. You, God, will make America Great again!! Amen!

DAY 23: RIDICULOUS FAVOR AND SUCCESS

“But let all those rejoice who put their trust in You; Let them ever shout for joy, because You defend them; Let those also who love Your name be joyful in You. For you, O Lord, will bless the righteous; with favor You will surround him as a shield.” (Psalm 5:11-12)

“No weapon formed against you shall prosper, And every tongue which rises against you in judgment you shall condemn. This is the heritage of the servants of the Lord and their righteousness is from Me,’ says the Lord.” (Isaiah 54:17)

Father, you said we are to put You in remembrance of your Word so today I remind You of what You said in Psalm 5; that You do not take pleasure in wickedness, that You hate workers of iniquity and shall destroy those who speak falsehoods, that You will pronounce them guilty and they will fall by their own counsel. We speak that now over all of the enemies of President Donald Trump and Vice President Mike Pence. As they step into their office, Father, we ask that You surround them with favor as You deal with the wicked. They will have favor with their cabinet nominations, supreme courts judges, and with all positions that they seek to fill with men and women of your choosing. We ask that those positions be filled swiftly, with no roadblocks or delays. We pray that President Trump and VP Pence will have unprecedented, ridiculous favor as they attempt to fulfill Your agenda and plan for the United States of America. As President Trump and Vice President Pence put their trust in You, they will shout for joy as You defend them. We decree and declare that no weapon formed against them shall prosper and every tongue that rises against them in judgment we condemn now in Jesus’ name. In Hebrew, the number 100 means “Election; children of promise”; so Father, we ask that in the first 100 days of this administration You show forth Your glory and that Your children, those You have elected and appointed as leaders of this nation, will indeed be children of promise in bringing forth Your will in this nation. Just as You took the election by storm, take over these 100 days with unprecedented favor and success so that even the most ardent, vocal, accuser must step back and say, “Wow, look at what the Lord has done!” In Jesus’ name, Amen and Amen (so be it!).

DAY 24: DOING THE IMPOSSIBLE BY THE SPIRIT

“So he answered and said to me: ‘This is the word of the Lord to Zerubbabel: not by might nor by power, but by My Spirit,’ Says the Lord of hosts.’” (Zechariah 4:6)

President Trump, I had grown up believing in God and going to church a few times a year. My walk with God changed when one of my children became extremely ill for six years. Thru the grace of God I found out that Jesus heals today... overnight, my child became well. It was a miracle. Our family now KNOWS the Lord and walks with the Holy Spirit. We are excited to see The Lord working in you too. I am so grateful that you are on His ‘team’. We believe you are a ‘player’ on His team, and not here to sit on sidelines waiting to go to heaven. This is a journey and transformation takes time. Excited that you are on that journey. God bless you.

Father, in the past You used fisherman, carpenters, and many others to change the direction of nations. Father, I pray that You use this businessman to do Your work as President of the United States. I pray that it will be by Your power working in President Trump that turns America back to the great nation it was made to be. I pray Father that President Trump comes to walk and rely on the Holy Spirit for all decisions and in all meetings he attends. I pray that as he walks into rooms people see Your light. Their hearts, minds and relationships are changed not by President Trump’s ability to persuade, but by Your might and power working in him. I pray that President Trump learns to walk in cadence with Holy Spirit. I ask Father that disappointment and fear are recognized by President Trump as things that only steal Your light, peace and joy. I call for freedom in President Trump. I command that lies and strongholds be broken off of him and You are his only source for authority, power, and light. Father, I thank You that as President Trump gives more and more control to You that his faith becomes stronger and his unbelief must go. I ask that President Trump sees that nothing is impossible when walking in the destiny that You have for him. All Glory goes to You, Lord. I pray that President Trump steps into what has already been given to him. In Jesus’ name. Amen!

DAY 25: ALIGNMENT AND SUPPORT

“So it came about when Moses held his hand up, that Israel prevailed, and when he let his hand down, Amalek prevailed. But Moses’ hands were heavy. Then they took a stone and put it under him, and he sat on it; and Aaron and Hur supported his hands, one on one side and one on the other. Thus his hands were steady until the sun set.” (Exodus 17:11-13)

Dear President Trump, I had a dream for you that I believe is a direct message from the Lord. Three nights ago, I saw you and standing to the right and left of you were two sons. The Lord showed me how you will make an alignment with these two sons. One of the sons was very polished in his mannerisms and appearance. He was very careful in his speech and decisions. The other son was younger and less polished. He needed wisdom from you and help reorganizing his life. I believe the Lord showed me, that these two sons represent two different nations you will align yourself with, and thus will have an impact on our nation. The first nation will be more of an eye-to-eye type of alignment. It will be strategic in that you will both help and benefit from each other. The younger nation will need your help. The Lord has raised you up to help this nation become stronger in power and reorganize itself. In the vision with the younger son, you told him to fix his belt. I believe this has to do with you helping the second nation restructure its borders and governmental reign.

Lord, I pray that You would give President Trump wisdom from above in every decision he makes in regards to nations with whom the United States of America will align itself. Just as Moses had two helpers on either side, helping him in the battle, I pray that you would raise up the two nations that will be a strategic and beneficial relationship to our country. I pray for courage, boldness and strength for President Trump, to always continue charging forward with the plans You have laid out for him. I also lift up his wife in prayer to You, that You would heal her adrenal glands, and restore her energy to its full capacity. God, thank You for raising up his family and this man for such a time as this! Amen.

DAY 26: WHAT THE LORD REQUIRES

“He has told you, O man, what is good; and what does the Lord require of you except to be just, and to love (and to diligently practice) kindness (compassion), and to walk humbly with your God (setting aside any overblown sense of importance or self-righteousness).”
(Micah 6:8)

Father, Thank You for selecting Donald Trump as the President of the United States of America for such a time as this. You have chosen him as a man to direct this nation back to the path of greatness for your purposes. May you surround him with wise counsel and give him ears to hear truth. Lord, give President Trump the wisdom to be just, give him a compassionate heart to walk in kindness and give him grace to walk humbly with you. Lord, he needs Your help to accomplish this great task of leading a nation back to the foundations on which it was established. Place the right people near him to encourage him and keep him focused on the next right step. We ask you to give him the “daily” bread You promise in your Word so he does not become overwhelmed with the immensity of this position. As Commander-in-Chief of our armed services, give him supernatural wisdom and strategy that only You can give as the Lord of Angel Armies. Let America once again be the protector of liberty and freedom in this world. We bless you, Lord, and know that nothing is impossible for you; and you will help President Trump to do what You require in the Mighty Name of Jesus Christ. Amen!

DAY 27: ACCESS TO WISDOM

“‘Give me the wisdom and knowledge to lead them properly, for who could possibly govern this great people of yours?’ God said to Solomon, ‘Because your greatest desire is to help your people, and you did not ask for wealth, riches, fame, or even the death of your enemies or a long life, but rather you asked for wisdom and knowledge to properly govern my people—I will certainly give you the wisdom and knowledge you requested. But I will also give you wealth, riches, and fame such as no other king has had before you or will ever have in the future!’” (2 Chronicles 1:10-12)

President Trump, since the day my wife and I heard about you winning the election, we have not stopped praying for you and asking God to fill you with the knowledge of His will in all spiritual wisdom and understanding.

Heavenly Father, I pray that You would give President Donald Trump, Your servant, supernatural wisdom to make global decisions that would cause righteousness and justice to prevail. Let the words of his mouth speak Your truth with wisdom, but in simplicity so that all may understand and benefit by them. Lord, just as Solomon asked for wisdom to govern a great people, I thank You that President Trump will ask You for Your wisdom which is greater than all his counselors or teachers. I know You will give it to him generously and without reproach because that is Your promise. I pray He would fear You for that is the beginning of wisdom. Father, I pray that you minister to him through Your Word which will give him great insight and understanding. Give him discernment and revelation so he can supernaturally know the plans that evil men plot against him and the plans of the enemy to try to thwart, confuse and distract him from the plans and purposes You have for him as the leader of our nation. In the mighty name of Jesus I pray and declare these things, Amen.

DAY 28: WISDOM AND DISCERNMENT

“And they rose early in the morning, and went forth into the wilderness of Tekoa: and as they went forth, Jehoshaphat stood and said, Hear me, O Judah, and ye inhabitants of Jerusalem; Believe in the LORD Your God, so shall ye be established; believe his prophets, so shall ye prosper.” (2 Chronicles 20:20)

“If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him.” (James 1:5)

President Trump, I am so thankful to God that He raised you up for such a time as this. Many hundreds of thousands of men and women of faith have been crying out to God for a true leader that would be led by Him to bring our country back to the destiny that He has ordained for it. I believe that everything you have experienced in your lifetime has prepared you for this role, and God has surrounded you with men and women who hear His voice and bring prophetic words of Godly counsel to your life.

Father God, I thank you for raising up President Donald Trump to be the 45th President of the United States of America. I thank you that your mercy triumphs over judgment, and that Your purposes will prevail. I pray that you will protect Donald Trump and his family; that you will send your angels charge over him. I thank You that you have also raised up Godly men and women who hear Your voice clearly. I thank You that President Trump discerns Truth and is willing to speak out against corruption and lies. I pray that you will increase his discernment, that his ears will be open to the voice of your true prophets and he will know when false prophets are speaking and will not let their false agendas influence his course of action. I pray that President Trump will daily ask you for Your wisdom and Your direction, and that You will make his paths straight so that he can lead our country on a straight and narrow path directly into Your purposes and plans for our nation. Father God, I pray that you will foil and negate every plan of evil against President Trump, his family and all the people of this nation. Bring confusion to the camp of the enemy and save those that will be saved, in accordance with Your will. I ask these things in the name of Jesus Christ, Your Son, that You receive all the glory and praise and honor. Amen.

DAY 29: GOD GAVE YOU THE POSITION OF PRESIDENT
AND HE WILL STRENGTHEN YOU

“I summon you by name and bestow on you a title of honor ... I am the Lord and there is no other - apart from Me there is no God. I will strengthen you....” (Isaiah 45: 4-5)

“God is our refuge and strength, an ever-present help in trouble.” (Psalm 46: 1)

Dear President Trump and Melania Trump, My warm and heart-felt congratulations on your presidency, which has now become reality. Thank you for wanting to take this important position to bring restoration to America and internationally. I believe that God wants to use you to realize that in America and elsewhere - He is not a God of destruction, but of construction. Some two months before the elections I happened to read Isaiah 45, about God using Cyrus to bring restoration, and I felt I had to read that again and again, though I didn't know why. A month or so later, I read that other people made a connection between you and Cyrus, and I really feel this is right and that God wanted to show that to me so I would have you on my heart and pray for you. When I see pictures of you, I see in you a man with a father's heart – for those that are faced with injustice in America, for the nation of America as a whole, and for injustices in the world. Not a father with a weak heart, who finds everything OK what his children do, nor a harsh father who always embitters his children, but one that is firm, working from love and a sense of 'truth, humility and justice' (Psalm 45:4).

Dear God, I thank You for Mr. Donald Trump and for his wife Melania. Thank You that You have given Mr. Trump this presidency, that You have bestowed on him this 'title of honor'. Father, I pray that, as You are Our Father in heaven, that he will be a father for those who need it, both in America and abroad – and for America as a nation. A father who brings justice and righteousness where there is lack. Who has a heart for those in need, and who is firm when and where there is a need for that. I thank You for Your promise of strength and of wisdom for those who ask, and I pray that you give president Donald Trump a great measure of these so he will be able to make good decisions, and that You give him all the strength and courage he needs in these times of turmoil and difficulties within the borders and without. Give him that he may always know, and discover more and more, that You are God, His Father in heaven, his refuge and strength, his source of wisdom and discernment, in all circumstances. Bless both him and his family, Father God. I pray this prayer in the name of Jesus. Amen.

DAY 30: FOR OUR NATION, FOR OUR CHILDREN

“Except the LORD builds the house, they labor in vain that build it:  Except the LORD keep the city, the watchman waketh but in vain.  It is vain for you to rise up early, to sit up late, to eat the bread of sorrows:  for so He giveth His beloved sleep.  Lo, children are a heritage of the LORD:  and the fruit of the womb is His reward.” (Psalm 127:1-3)

Our Dear Mr. President, Donald John Trump, WELCOME to the White House of Our Beauty-Full Nation!  Thank You for choosing to say ‘Yes’ to taking this step.  Your steps have been ordered by The LORD of Heaven.  You have a Great Journey ahead, for which you have been well prepared.  THANK You for choosing Life!  As you see above, it is a picture of my son and I at his 2016 College Graduation.  We have been a single parent family from the day I found myself pregnant, to date, with the exception or one year.  He is 24 years old now.  I was encouraged by family to get an abortion.  I said, ‘No!’, STOOD On GOD’S Promises, choosing to Trust in HIM that we would be alright, and that GOD had BLESSED me with this child in my womb.  You see my BLESSING and my Joy in him, GOD’S BLESSING!  I wish to Encourage you to Stand, That GOD Will BLESS This Nation as we walk with HIM, as we Protect our Children, our Gift from GOD In Heaven, THE LORD GOD JEHOVAH!

“LORD GOD, Our Father Who art in Heaven, Hallowed be Thy Name, I ask that You continue to Protect President Donald John Trump whom YOU have ordained as our President of The United States of America.  Thank YOU for choosing him Father.  Protect his family, his Wife & Children.  May YOU BLESS them to Know YOU FATHER as their Provider, Protector, Confidant, Counselor & Savior.  Let their every need be met in YOU, and LORD, Help our President to stand for YOUR Fruit of Life YOU Have Placed In Each Womb, a Heritage of YOU and YOUR Reward.  May YOU STOP All Opposition that would come against him in this fight for YOUR Life YOU have Created LORD!  LORD, Give our President the Words, YOUR Words to change this Nation to one of a heart of Love for YOUR Creation, YOUR Children, Our Children.  In JESUS’ Name I ask, AMEN!”

DAY 31: GOD WILL ANSWER YOUR PRAYERS

“God will achieve infinitely more than my greatest request, my most unbelievable dream, and exceed my wildest imagination! God will outdo them all.” (Ephesians 3:20)

Dear President Trump,
It is an honor to pray for you. At the beginning when your candidacy was announced, I was neutral, not particularly interested or invested in you, but as I prayed for you, God changed my heart, and I began to love you. During the campaign, and ongoing, I am compelled and honored to pray for you and every day you are in my thoughts. It is an honor to have you be the President of the United States, and for me to love and pray for you along with many others.

Father, thank You for President Trump. I ask You to give him dreams and visions, double portions, answered prayers, surprises, promises fulfilled, alignment, daily strength and restoration. May different streams flow together to create unity, new networks, friendships, and a joining together so that even opposites will work well together. May his mind be continually renewed to create revelation. May his words and policies release breakthrough. Give him a vision of the joyful harvest that is coming. I Decree: God will honor what President Trump speaks. He will recalibrate and triumph.

DAY 32: THE FATHER HEARD

“Then the people who feared the LORD spoke to one another, and the LORD listened and heard what they said. In His presence, there was written down in a book a record of those who feared the LORD and respected Him. ‘They will be my people,’ says the LORD Almighty. ‘On the day when I act, they will be My very own. I will be merciful to them as parents are merciful to the children who serve them.’” (Malachi 3:16-17)

Dear President Trump, a small group of women began meeting in October of 2015 to pray for our Nation. The more we prayed, it became clear that the Father heard and was about to do a mighty work in our land. The more we prayed for you after the primaries, the more I began to feel God’s love for you and that you have a tender heart. We continue to pray each Thursday for our Nation and will continue to pray for you and your family, Vice President Pence and his family, and your support team.

Dear Father, I thank You for the privilege of coming boldly to You because of what Your Son did on the cross. Father, place Your anointing on President Trump to lead the United States in a path back to You and the fundamentals of our founding fathers. As it says in Malachi, we can speak to one another and know that You listen and hear what we say. You kept a record of all the prayers of the founding fathers of our great country and have combined them with all the prayers that Your children have prayed until now. Like a strong rope they are entwined and connected to You and cannot be broken. Your children have called on You to act on behalf of our Nation and the nation of Israel and we believe that as parents are merciful to their children, You are merciful to us just like You said in Malachi. Send President Trump, Melania and the rest of his family Your angels to strengthen them and protect them during their service. Pour down Your wisdom daily for the decisions he will have to make. Give him Your peace and clarity of thought as You draw him into Your mighty acts on behalf of our nation. And we will give You all the glory. Amen! Amen! Amen!

DAY 33: PROTECTION AND WISDOM

“But the Lord is faithful. He will establish you and guard you against the evil one.”
(2 Thessalonians 3:3)

“Blessed are those who find wisdom, those who gain understanding.” (Proverbs 3:13)

Bless you Donald my brother, my President. Our thoughts and prayers are continually with you. From the Stevenson Family (Kenny, Arriane and our twin daughters Kailani and Kailia).

Thank you, Heavenly Father, that You have shown mercy to the United States of America. We were headed down a path of destruction. You Yourself intervened and changed the course for America. You have chosen to bless us, not curse us. I know that Your plan from the beginning was to use Donald Trump at this pivotal time in history to establish Yourself back in this great land. You will bless all nations on earth through the United States and Israel. Place Your mighty hand of protection on my brother in Christ, and President of the United States, Donald Trump. Be with him always. Establish Yourself in his heart. Give him sound judgment, wisdom and council at all times while he leads the mightiest nation on earth, the United States of America.

DAY 34: LIBERTY

“Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty.”
(2 Corinthians 3:17)

My desire is for this president, Donald J Trump and his cabinet to be influenced and led by the Spirit of the Lord.

I thank You, Lord, for the divine intervention this country has seen this past year concerning its future. I thank You, Lord, for surrounding President Donald J. Trump with men and women of God that are familiar with Holy Spirit. I declare a release of wisdom, knowledge and understanding over our elected and appointed individuals that are set in place to affect the culture of this great nation. Holy Spirit, empower, inspire, lead and guide our President Donald J. Trump to make the right decisions and promote Your desire Father God. Holy Spirit, continue to reveal the deception that is hidden in darkness, reveal motives and help our President discern what is behind those that bring their agendas. Holy Spirit, I declare that the moral compass – the Word of God and Spirit of God – be established as a priority for this nation once again. I declare life, liberty and justice for all! I declare this be done through the power and influence of Holy Spirit.

DAY 35: GUIDE ME IN ACCORDANCE WITH YOUR WAY

“Teach me Your way O Lord and I will walk in Your truth, give me an undivided heart that I may fear Your name.” (Psalm 86:11)

President Trump, I truly believe that America will be great again!!!

Almighty God, You are worthy to be praised and adored. I worship You and thank You for mercy for our United States of America. I thank You for President Donald Trump and pray You continue to anoint him with the spirit of wisdom. Lead him and guide him in every decision he has to make. Surround him with all the right people, those that You would hand pick, to do President Trump good and not harm. Protect him from all evil as well as his family. Keep them safe and guard them wherever they may go. Please teach President Trump to hear Your voice and know You more. I pray for success in all that he puts his hands to and it would be good for our country. Bless him Lord and keep him in Your perfect will. Thank you for hearing and answering our prayers. May this be a part of the United States of America coming back to You. May we be aligned with You, O God of hosts, and with Israel. In Jesus’ mighty name I pray. Amen.

DAY 36: I HAVE HEARD THEIR CRIES

“And the Lord said, ‘I have surely seen the affliction of my people ... for I know their sorrows; And I am come down to deliver them out ... and to bring them up out of that land unto a good land and a large, unto a land flowing with milk and honey ... Now therefore, behold, their cries.’” (Exodus 3:7-9)

Mighty God! You have heard our cries. You have heard the cries of those without jobs. You have heard the cries of the godly wealthy businessmen who have felt abused. You have heard the cries of those without insurance. You have heard the cries of mothers whose sons and daughters were on drugs while drug dealers were allowed to walk through open borders. You have heard the cries of Christians who have feared being persecuted for their religious faith. You have heard the cries of thousands of ministers who have felt they could not declare the truth for fear of being arrested. You have heard the cries of fear of terrorism. And You looked down and searched for one upon whom You could place Your hand to deliver us. And You said to Donald Trump, “I have heard their cries. Now you go down and deliver them.” Millions of us feel that Donald Trump has come to the Kingdom for such a time as this. We ask for protection for him and his lovely family. Because Donald Trump has made the Lord ... even the most High, his habitation; There shall no evil befall him, neither shall any plague come nigh his dwelling. For You shall give Your angels charge over him, to keep him in all his ways... He shall call upon You, and You will answer him: You will be with him in trouble; You will deliver him, and honor him (Ps. 91 paraphrased). When the enemy makes plots against him, confuse the enemy. No weapon turned against Donald Trump will succeed. You will silence every voice raised up to accuse him. You will give him guidance in every tough decision. Give him favor with people around the world. These benefits are enjoyed by the servants of the Lord. You, Mighty God have spoken. We ask you, Oh God, to anoint our President, Donald Trump, to make America great again.

DAY 37: CARRYING THE BANNER OF HOPE WITH HUMILITY

“There I will give her back her vineyards, and will make the Valley of Achor a door of hope. There she will respond as in the days of her youth, as in the day she came up out of Egypt.” (Hosea 2:14-16)

“May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.” (Romans 15:13)

It was a late summer day as I sat quietly in prayer listening for a word. Was I ever surprised when I heard these words in my head, “I want you to make ten sack lunches and bring them when you go to the Jesus Culture convention in Minneapolis. Include two peanut butter sandwiches, two cookies, a picture of Me and a verse about people being the apple of My eye. Go to 3rd Ave. and 4th St. during your lunch hour. Give the lunches to whomever you find.” WOW! At first I thought I must be imagining this. But I just don’t think like this. It was not easy for me to have the faith to do this. But three country bumpkin friends and I did what You, Father, asked us to do. After it was all done, we could see step by step how You set it up. Your hand was on the situation from beginning to end. You invited the four of us to carry out this request from the beginning. The lesson we all learned, Father, was a lesson of carrying the banner of hope with humility. Then there was a young woman with the brown hair. As she walked by us we asked her if she was hungry. We asked her if she wanted a sack lunch. “No,” she responded in a voice of despair and walked on. After a few yards, she turned around and came back to us. “Yes,” she said slowly, “I will take one. I was just released from prison.” We asked if we could pray for her. She was so sad, so desperate, so alone, only a gossamer thread of hope remained. As we prayed we released to her Your love, Your mercy, Your hope. It was a life changing experience for us and for her.

Father, so many need to understand Your mighty power. They need to see You through the hands and feet of others. They need a door of hope through which to walk. Help President Trump to look to You in addressing exactly what policies he should attend to and in the exact order You have set. Help him to guide our country so we will again be strong in hope and humble in our understanding of who You are for us, our provider, our protector, and our Father.

**DAY 38: THE PEACE OF GOD**

“And let the peace (soul harmony which comes) from Christ rule (act as umpire continually) in your hearts (deciding and settling with finality all questions that arise in your minds, in that peaceful state) to which as (members of Christ’s) one body you were also called (to live). And be thankful (appreciative), giving praise to God always.” (Colossians 3:15)

Since the first time I heard you were running, the Lord told me you were His chosen vessel for President. I knew in my heart that you were going to win. The last week before the election, I still had peace that you would be our next President. The Lord kept telling me to pray, pray and pray. And I did.

So I pray in the mighty Name of Jesus that every decision you make, whether small or big, that you will always let the peace of God rule in your heart. And because of His peace you will know without a shadow of doubt what to do, how do it and when to do it.

DAY 39: ABUNDANCE AND DOMINION

“That our sons may be as plants grown up in their youth; that our daughters may be as corner stones, polished after the similitude of palace. That our garners may be full affording all manner of store; that our sheep may bring forth thousands and ten thousands in our streets. Happy is that people, that is in such a case; yea, happy is that people, whose God is Lord.” (Psalm 144:12-13,15)

Father, God in the name of Jesus, I want to thank you today for President Donald Trump and his precious family. May his wife and children become a corner stone in his life. Just like Nehemiah, Lord I pray that you will anoint the president with a heavy burden to repair every broken place in the great nation of America enabling this nation to release all her potential and reach her destiny. May you, our God, instruct President Trump. Please teach him and show him every single detail as he governs the people of America. May You feed him with Your wisdom, understanding, faithfulness and great fear of God. May You give him spiritual charisma so that he may articulately exercise dominion over all classes of people residing in the great nation of America. “He shall have dominion also from sea to sea, and from river unto the ends of the earth. They that dwell in the wilderness shall bow before him; and his enemies shall lick the dust” (Psalm 72:8-9).

As a fruit of his righteous leadership, may the nation of America thrive in tranquility, abundance of peace, love and unity. May You, Lord, ignite every ray of hope and purpose for the people of America. “He shall come down like rain upon the mown grass: as showers that water the earth. In his days shall the righteous flourish; and abundance of peace so long as the moon endureth” (Psalm 72:6-7).

Thank You, our God Almighty, for blessing president Trump, his family and people of America. May You harvest all praise, honor and glory. This is my humble petition in the name of our Lord Jesus Christ. AMEN.

DAY 40: THE GLORY OF THE LORD BE UPON YOU

“Praise be to the Lord your God, who has delighted in you and placed you on the throne of Israel. Because of the Lord’s eternal love for Israel, he has made you king to maintain justice and righteousness.” (I Kings 10: 1-13)

President Trump, Thank you for taking a huge step of faith and doing what many believed was impossible. For standing against the darkness that was leading America to destruction and the forces that wanted to stop you. You now have been given the mantle to steer America back on course and fix what was broken. Thank-You.

Precious Heavenly Father, Thank you for having your hand upon Donald Trump and moving sovereignly to establish Him as our next President. At a time when we were as a nation about to be swallowed up by the errors of our ways, because of the corruption and spiritual ignorance that was running rampant, YOU in YOUR Grace & Mercy raised up a man who will do what is right in your sight. We pray and ask FATHER that you shelter him in YOUR Secret Place that HE and his family might be hidden from those who wish to destroy Him and his family. YOUR word promises that no evil will befall nor plague or calamity would come near his dwelling place if he abides in the shadow of the ALMIGHTY and dwells in the secret place of the MOST HIGH. FATHER we pray Isaiah 54:17 that "No weapon that is formed against him and his family will prosper; And every tongue that accuses Him in judgment YOU will condemn. YOU Said that "This is the heritage of the servants of the LORD, and their vindication is from ME," declares the LORD. We ask that YOUR Favor be upon Him in all His dealing and goings about as YOU declared in Proverbs 8:35 "For those who find ME find life and receive favor from the LORD. That the GLORY of the LORD would be upon President Donald Trump just as YOU did in Ezekiel 1:28 "This was the appearance of the likeness of the glory of the LORD. And when I saw it, I fell upon my face, and I heard a voice of one that spoke." May all that cast their gaze upon President Trump fall upon their faces as they see YOUR goodness upon Him and declare that GOD is with Him. Like you did for Solomon in 1 Chronicles 29:25 may The LORD highly exalt Trump in the sight of all America and bestow on him royal splendor such as no President over America ever had before so that in YOUR strength President Trump may return America to YOU and restore the Blessings of Israel back on both Israel & America, which is just restoring YOU back in the Land. May YOU continue to bless and keep President Trump; May YOU continue to make YOU face shine on Him and be gracious to Him; May YOU continue to turn YOUR face toward Him and give HIM peace. In JESUS mighty name, we lovingly declare and pray.

DAY 41: FOR PROTECTION AND KEEPING FROM THE SNARES OF THE PROGNOSTICATORS AND GAINSAVERS

“Thus says the LORD, your Redeemer, And He who formed you from the womb: ‘I am the LORD, who makes all things, Who stretches out the heavens all alone, Who spreads abroad the earth by Myself; Who frustrates the signs of the babblers, And drives diviners mad; Who turns wise men backward, And makes their knowledge foolishness.”” (Isaiah 44:24-25)

“For I will give you a mouth and wisdom which all your adversaries will not be able to contradict or resist.” (Luke 21:15)

Mr. President, I pray for you now and as the days ahead unfold. God bless you Mr. President.

LORD, Our Heavenly Father, protect President Donald Trump from all the traps that are set for him. I pray that, as His servant, every weapon that is formed against him will fail to prosper unto fulfillment. Father, continue to frustrate the attempts of the babblers, the diviners, and the gainsayers to undermine the efforts of President Trump to make America Great Again. I bless President Trump in this endeavor and this high calling. Father God, continue to cause President Trump’s adversaries in this Divine Mission to fall into the traps that they set for him. LORD, encourage President Trump to continue to speak boldly for the greatness You envision. Lord God, give President Donald Trump a mouth and wisdom that all his adversaries will not be able to contradict or resist. Father, I pray that You will turn them backward, and make their knowledge foolishness.

DAY 42: WORD OF THE LORD TO PRESIDENT TRUMP

“Fear not, for I Am with you; Be not dismayed, for I AM your God. I will strengthen you, Yes, I will help you, I will uphold you with My Righteous right hand.” (Isaiah 41:10)

“I, the Lord, have called You in righteousness, And will hold Your hand; I will keep You and give You as a Covenant to the people, As a light to the Gentiles, To open blind eyes, To bring out prisoners from the prison, And My glory I will not give to another, Nor my praise to graven images.” (Isaiah 42:6–8)

Son, I AM mindful of your struggles and even so your victories in Me. You have overcome much in your life and I AM delighted to have brought you this far. In this next chapter, as President of the United States, you will face challenges on every front, but I Your Creator, will be with you through them all. In your steadfastness, you will find peace and new vision in the days ahead for America. My right hand shall sustain you in all things. Let not your heart be troubled or dismayed, for “Great” is the call that I have placed upon your life and “Great” will your reward be in Heaven. I release you from all performance that is connected with “approval” or “being loved.” You have never let Me down or displeased Me in any way. I AM proud of you and all your accomplishments, but more importantly, I AM proud to call you My son. Love, Abba Father.

DAY 43: LOVE’S LEADERSHIP

“Be rooted and founded in LOVE.” (Eph. 3:17-20)
“Above all, put on LOVE.” (Col. 3:12-17)

God bless you and your family, President Trump!

God, You are love. Thank You that You love President Trump and his family. Fill President Trump with Your Holy Spirit. Instill in him Your love. Love that sees, keeps looking for and keeps focusing only on You. Love that hears, keeps listening for and keeps tuned to hearing only You. Love that follows, keeps following and determines to follow only You. Ascend him into the fullness of Your Presence and give him greater understanding of who You are, who he is in You, who he is in union with You, and Your desired purpose for putting him into leadership at this time. Give him Your vision, Your blueprint, Your plan. Dwell with him and his family. Give him a deep knowing of Your Way, Your heart, Your approach, the manner in which You consider a thing. Give him Your Spirit of Revelation, wisdom, insight, understanding, counsel, fear of the Lord, and love. Give him a deep passionate unwavering love for You and for Your people. You are seated high above the heavens. You see every situation in the earth. You know what to do. In these first 100 days, in every situation, consideration, and decision reveal Your direction, instruction and path. Give President Trump a true understanding of the real destiny and purpose of the United States of America; the reason why You formed this nation and how You desire to lead this nation with regard to other nations. Lead him in Your way. Give him insight, revelation, discernment and direction with regards to relationships with other nations. Give him knowledge of Your will in every international situation, decision and consideration. Let Your peace be his heart’s decision-maker. Lead him and guide him to be in perfect alignment with You in every international interaction. Let Your interests be the interests of this nation. Give him long-term understanding of how to align this nation’s interest around the world with You in the way that truly and fully pleases You. Give him unusual insight, discernment, courage, and favor with international leadership. Give him Your love for Israel and understanding of its importance. We bless Israel. We pray for the peace of Jerusalem. Your will be done on earth as in Heaven. God, give President Trump favor domestically and internationally. Give him grace, peace, mercy, favor abounding exponentially overflowing without measure exceeding abundantly above all that could be asked thought or imagined. Give him strength, courage, stamina, clarity and perseverance. Increase his faith. Give him hope. Give him Your compassion. Fill him full to overflowing with joy, for in Your Presence is fullness of joy without measure. God, bless President Trump’s family. Strengthen his marriage and keep it strong throughout and after presidency. Bless his children and their families. Keep their eyes and hearts focused on You and in alignment with Your will and destiny for their lives. To You alone be all glory, honor, praise, majesty, strength, power. Let this nation be a praise to You in the earth. In Jesus’ name, Amen.

DAY 44: GIVING THANKS: OUR RESPONSIBILITY AND OUR RIGHT

“Therefore, I exhort first of all that supplications, prayers, intercessions, and giving of thanks be made for all men, for kings and all who are in authority, that we may lead a quiet and peaceable life in godliness and reverence. For this is good and acceptable in the sight of God our Savior.” (1 Timothy 2:1-3)

Dear President Trump and family, thank you for hearing and listening to the dream that God Himself placed in your hearts and for maintaining the focus needed to attain the prize of the high calling God Himself put on your lives. There are not many families who would endure the hardship that was placed on you throughout the campaign process, (yes, even from the “Christian” community) with the great grace, honor and love you exhibited. Thank you.

All during the presidential campaign, I had two main streams of thought: 1) We American citizens who call ourselves “believers” are being given an incredible & generous opportunity from God to redeem our wasted years of complacency and 2) this is the election that can be known throughout history as the “for such a time as this” moment. Fortunately for all Americans and nations of the world, God chose to move and motivate countless ordinary people to answer the call and immerse ourselves in His mercy. I pledge to you, Mr. President, and to your family, to first of all pray for you because this is my God-given responsibility and right, because we are commanded to do so by our Heavenly Father Who demonstrated His great love for us, and because I have seen what happens when we don’t intercede on behalf of our president. How can anyone successfully accomplish this great task without the wisdom, mercy, strength and honor that come from God alone? It’s not by might, nor by power but by My Spirit says the LORD (Zech. 4:6).

Papa God, I boldly lift President Trump and his family, as well as all of his advisors and counselors before Your Throne of Grace so that they will know that it is You and You alone who brought them to this place “for such a time as this”. The task before them is arduous, to say the least. The decisions that will need to be made may well go down in history books as some of the most critical acts which have the power to make free individuals, groups, masses and nations. Great care, caution and boldness must guide these decisions, but most of all, Papa God, Your eternal, all knowing wisdom must be crystal clear in order to bring unity amongst these decision makers. And, Papa God, now that You have given the American people the vision You have for our nation in this world, I also ask that Your people will continue to humble themselves before You, seek Your face, and pray to You for President Trump, his advisors, counselors, and cabinet members, so that we may live quiet and peaceable lives in all godliness and reverence. And, so that we, as a nation, can fulfill the mandate and purpose for which we were created by You in the first place. Thank you, Almighty God, that You choose to stoop down to listen to our cries and act on our behalf! In Jesus’ Name. Amen.

DAY 45: THE LORD HIMSELF GOES BEFORE YOU

“The Lord Himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid; do not be discouraged.” (Deuteronomy 31:8)

“But let justice roll on like a river, righteousness like a never-failing stream!” (Amos 5:24)

Father God, I thank you for the United States of America and the great cloud of witnesses that have gone before us. Our founding fathers dedicated this nation to You and You said You would never forget it. Lord, I ask that as Donald Trump enters into the presidency you would mantle him with a spirit of wisdom and understanding. I ask that your hand of protection be upon him, his family, and his administration. I declare over Mr. Trump that the Lord goes before you and will be with you; He will never leave you nor forsake you. Do not be afraid; do not be discouraged. Lord, I ask that You push back the shroud of darkness and shine your light of truth into this nation. Lord, I know that You have a perfect plan for this nation. Lead Donald Trump, his administration, and our nation in the paths of righteousness for Your name’s sake. In the Name above all names, Jesus. Amen!

DAY 46: UPHELD BY THE HANDS OF A SOVEREIGN GOD

"Fear thou not, for I am with you: be not afraid for I am your God: I will strengthen you; yeah I will help you; yea I will uphold you with the right hand of my righteousness." (Isaiah 41:10)

Father God, we come to You in The Name Above All Names, the Name of Jesus, King of Kings and Lord of Lords, Almighty God. We come knowing that Your Word declares that if we ask anything in the Name of Jesus, You Lord, will grant it to us according to Your Will (John 15:16). Thank You Lord. Father God, we lift up President Trump to You and ask that You divinely protect him. Grant him great wisdom and extraordinary intelligence to run the country well, and to discern what is good and what is evil. Help him Lord walk according to Your Word trusting in You for everything, relying on Your Holy Spirit to lead Him. Help him walk humbly with You. Father, we pray for Divine Favor in all areas, both within and outside the United States. We pray for Your Strength to uphold him, and for good words to encourage him. We ask for wise council to be given him, for his good health and for unity for his whole family.

We ask Lord for Your Plans for these United States to be carried out by this President. We ask for his heart to always be soft toward You. Keep him, Lord, as the Apple of your eye (Deuteronomy 32:10). Lord, strike down any curses coming against the President from what others have said, from what he may have said, from past generations, from disobeying the Word of God. Forgive his sins, Lord, and cleanse him with the Precious Blood of Jesus Christ. Help him quickly repent in the areas that he needs to. Conform him, Lord, to Yourself and help him go forth mightily in Your Spirit. Crown him with Mercy and Grace. Empower him, Lord, to be the President of The United States. Grant him excellence in all things, Lord, and help him bear good fruit and excel in being President. Thank You so much, Lord, for his boldness, courage, and intelligence that You have endowed him with. Help him use all his gifts for Your Glory. Help him look to You for wisdom in all things and ever follow that which is good. Thank You, Lord. To You be the glory, honor, power and the praise. Mighty God, we bless You. We bless You, Lord, for creating Donald Trump, for raising him up for such a time as this, and for sovereignly putting him in the position that he is now in as the President of The United States.

DAY 47: PRAYER FOR WISDOM, PROTECTION, AND GUIDANCE

“First of all, then, I urge that entreaties and prayers, petitions and thanksgivings, be made on behalf of all men, for kings and all who are in authority, so that we may lead a tranquil and quiet life in all godliness and dignity. This is good and acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the truth.” (1 Timothy 2:1-4)

Father, in the Name of Jesus, I pray for President Donald J. Trump, that he will have Your wisdom, counsel and knowledge. I pray that he will be given understanding and revelation from heaven for everything that comes before him, that he will know the sources behind these things. May he be known as one who moves in great wisdom and as one who ALWAYS has an answer that brings the resolution needed for every challenge set before him, even as King Solomon had. I pray that You, Father, will give President Trump great favor with those he deals with including the leaders of every nation on Earth. I pray that You will give President Trump, as the leader of the free world, the ability to bless Israel in many ways. I pray that he will always stand in strong support of Israel. May President Trump, his family, staff and counselors be daily, continually protected in every possible way. I pray that President Trump will be used by You, dear Lord, to bless the United States of America in every way that You have called him to. In Jesus’ Name. Amen!

DAY 48: ANNOINTED FOR GOD’S PURPOSES

“This is what the Lord says to his anointed, to Cyrus, whose right hand I take hold of: I will strengthen you... so that from the rising of the sun to the place of its setting men may know there is none beside me. I am the Lord and there is no other.” (Isaiah 45:1,5,6)

Prophetic word received over a year ago: Isaiah 45:1-6. I have called Donald Trump to be my Cyrus in America. I will anoint him with wisdom and might. I will go before him in my power and level the mountains of opposition. He will know that I am the Lord. I summon him by name. I have raised him up for the sake of Israel, for the sake of my Church, and for the spread of the gospel across the earth.

Father, You are Lord of heaven and earth. You alone are the Lord Almighty with whom nothing is impossible. You are good, and I praise You for the good plans and great purposes You have for the nations of the world. Thank You that You have raised up Donald Trump for such a time as this to fulfil Your great purposes both in America and in world affairs. You have summoned him by name, and I pray that Donald will become his name- a great chief over America, a mighty ruler, and a man of godly influence on the world stage. Father, I ask in Jesus' Name that the anointing of the Spirit will rest upon President Trump, the Spirit of wisdom and understanding, the Spirit of counsel and power, the Spirit of knowledge and the fear of the Lord.

Fill him with great grace to walk in humble dependency and surrender to Your lordship, that he may be a good and wise lord on the earth. May he know Your constant presence with him, guiding him, strengthening him and protecting him in the turbulence. As President Trump seeks after national unity and prosperity, and international peace, may You grant him great favor in all his dealings. Throughout both his presidency terms, Father, I pray Your powerful hand will keep the Trump family. Pour out Your blessings of good health, love and joy upon them in abundance.

**DAY 49: LOVE THY NEIGHBOR AS THYSELF**

“Ears to hear and eyes to see—the Lord has made them both.” (Proverbs 20:12)

“I will give you ... riches stored in secret places, so that you may know that I am the Lord.” (Isaiah 45:3)

“HE WILL HAVE DOMINION ALSO FROM SEA TO SEA...” (Psalm 72:8, KJRV 1885)

Note: This verse is carved in stone in the Canadian parliament building and embedded in our hearts thru the immortal prose of “America the Beautiful.”

President Trump, you and your precious family are dearly beloved ‘neighbors’ and so too the U.S.A. I have and I believe many in Canada, have a deep abiding love for you. In leadership gatherings north and south of border and in Jerusalem I have linked arms with many Canadians and international leaders to covenant to pray for the birthing of this precious new era. With First Nations and international leaders in Ottawa I have witnessed tremendous acts of unity and alignment including the intimate ‘tying together’ of the flags of Canada, USA and Israel to express our undying love and faithfulness for God and each other.

Holy Spirit, thank You for being President Trump’s comforter, counsellor, revealer of truth and most loyal and trusted friend. May the oil of your Spirit touch his eyes and remove any callous or blindness where he is unable to see as you see, syringe his ears that he may hear God’s voice in these days and have anointed ears that are alive to the counter intuitive wisdom of your ‘living’ word.

Introduce him to the intimate love of his “Pappa” God so that he knows deep within he is anchored in unconditional love that will not fail him in his most pressured uncertain moments. Guide him to the riches in secret places that will unlock the prosperity and favor for his nation and the nations of the world, in Jesus’ precious name.”

DAY 50: DIVINE PROTECTION AND RAISING UP PRAY-ERS

“For rulers are not a terror to good works, but to evil. Will you then not be afraid of the power? Do that which is good, and you shall have praise of the same: for he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he bears not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that does evil.”
(Romans 13:3-4)

Gracious JHVH, Creator of us all, He who has given us our nation, the United States of America, we bow before You, acknowledging Your sovereignty in the lives of your people, that You lead nations, their leaders and put them in authority. Thank You for Your hand that brought President Donald Trump into authority over us. He desires to make America Great Again. We are asking for Your hand of protection upon him, as he will face evil from many directions. He may feel like a punching bag. We ask for angels to receive the blows and Your divine wisdom to circumvent them. It will be supernatural and he will know it, like the works You performed for George Washington when he took his men across the Delaware River to defeat the British, a larger and better equipped foe. Father JHVH, even like Washington in the Indian Wars where bullets made holes in his clothing but never touched the man, we ask for that much protection on a daily basis. We ask for angels of protection for every appointee, staffer, security personnel and family member in DC. May they not live in fear but trust that You have them in the palm of Your hand. We repent for any White House desecrations of the past and plead the precious blood of Your son Jesus—Yahshua, Our Messiah—over every doorpost so no weapon formed against it will prosper. We call angels above, beside and beneath the White House to protect all. We ask that the prayers of believers will permeate its walls to resist past words or curses there, so fresh revelation from Your heart come to President Trump and VP Pence. Father we pray for all the decisions that our leaders need to make. They are staggering to us common folk but You have blessed President Trump with a strong heart. May that heart call on You when he is in need—even at this moment. We ask Father JHVH for a prayer army and angelic army of vast magnitude to rise up and answer this call to prayer and action. You are always there to lead and guide us, doing the work of our faith, change, hope and so much more as we say “Yes!” to You. So as we say “Yes” to this assignment, we do it in faith that You lead us, guide us, and that Jesus, Yahushua, is interceding before Your throne in heaven on our behalf. Bring revival to our nation. Give us a passion like Rees Howells to set aside time, praying the future headlines of victory and breakthrough. By Your Might and Your Power we ask this favor.

DAY 51: CHANGE AGENT

“If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.” (2 Chronicles 7:14)

“May the LORD bless you and protect you. May the LORD smile on you and be gracious to you. May the LORD show you HIS favor and give you HIS peace.” (Numbers 6:24-26)

President Trump, for 3 years leading up to November 2012, my family and I felt lead by the Holy Spirit to plan and lead a 7-week long prayer drive around Washington DC, called Jericho Prayer 2012 (www.jericho2012.com). Several faithful prayer warriors from the Pray Winchester Group and others, travelled in a tour bus around Washington on the beltway every Sunday afternoon, praying specifically for the Government and each of the other 6 Mountains in the 7 Cultural Mountains of Society (www.7culturalmountains.org). While setting up church on the morning of the 7th and final Sunday, a 40+ foot curtain running the length of the building, from floor to ceiling, came tumbling down, revealing all the furniture and other items that are typically kept out of sight and hidden behind that curtain. I stood in utter amazement, as I witnessed the “wall coming down”, just as in the original story of Jericho in the Old Testament! Since then, many intercessors have been waiting in great anticipation to see how and when God would act on our prayers. The day that you announced your candidacy for President of the United States, my spirit suddenly came alive and I just knew that you were the answer to our prayers and would become the next President of this Great Nation!

“Heavenly Father, You said that if we would humble ourselves and pray, and that if we would seek You and turn away from our evil ways, that You would hear our prayers and heal our land. Lord, through the ages, You have shown us that You always work through Your chosen people, which You have uniquely prepared specifically for a “time such as this”, and to accomplish Your will here on earth. We thank You for hearing our prayers and showing us Your change agent to lead America back to prosperity, one nation and under God.

DAY 52: FOR SUCH A TIME AS THIS

“When Esther’s words were reported to Mordecai, he sent back this answer: ‘Do not think that because you are in the king’s house you alone of all the Jews will escape. For if you remain silent at this time, relief and deliverance for the Jews will arise from another place, but you and your father’s family will perish. And who knows but that you have come to your royal position for such a time as this?’” (Esther 4:12-14)

President Donald J. Trump! I love the sound of that, and I praise God for you answering the call to “make America great again!” In fact, I firmly believe that you are definitely not in this alone, and that what will be done in and through you, will make America greater than it has ever been. President Trump, I believe you, too, have been placed in a similar position as Esther for such a time as this. You have a gift that is being called “contextual intelligence,” the ability to see what others don’t see and have the courage and wisdom to make it happen. In 2013, I did something unusual for a 66-year-old pastor. I walked across America from California to New York City Times Square. The story is told by my wife (who was with me on the sixth-month walk) and me in Walking Across America: One Step at a Time. I’d love to send you a copy. It’s the story of the impossible becoming possible. On that walk I heard the forgotten people of America and fell in love with them in small town after small town. I loved America before, but loved it more after, still believing that we needed a revival. I believed Jesus would lead that revival, and I believe He has called you to be the man to walk with Him to lead us. I join thousands who are praying for you and your family daily as you enter the battle of your (our) life. I pray for you daily. The following is a brief prayer for you.

O God, You have done so many great things before, that I call on You now to anoint President Donald J. Trump. Anoint him, his wife Melania, his children, Donald Jr., Ivanka, Erich and Barron and their families with your blessing and protection. May You be President Trump’s daily guide as he works with his dynamic team and leaders to make this nation great again. We know it won’t be easy, but as he walks with You, he will know that he is surrounded daily by an army of prayer warriors. As he has come to this office by a miracle, please continue the miracle so that everyone will realize that something incredible is happening – the miracle goes on. O Lord, may President Trump continue to reach out to the forgotten and hear their hearts as he makes decisions daily. May he continue to be a person who listens, loves and leads this great nation to be greater than ever as Your person “for such a time as this.” In the glorious and victorious name of our Ultimate Winner – Jesus Christ our Lord!

DAY 53: THE VOICE OF GOD

“Call on Me, and I will answer you, and show you great and mighty things, which you did not know.” (Jeremiah 33:3)

“My sheep hear My voice and I know them, and they follow Me.” (John 10:27)

President Trump, It is my honor to have prayed for you during your candidacy, election, and now your presidency. All the prayers in this book are but a tiny portion of those coming from around the world daily, and as we pray, we experience His heart for you. The tremendous sacrifices made - both yours and your family’s – have not gone unseen by us or God. He is proud of you! As you enter this office, He is with you and wants your ears as you make decisions and fulfill responsibilities.

Glorious Father, I ask You to keep President Trump’s ears open to You. I pray that he will give devoted time to prayer with You each day. I declare he will know and have confidence in Your Presence with him, and that as he practices leaning on You, listening and learning Your ways, Your answers will come to him clearly, and You will show him what he can’t know by any natural means. Give him amazing creative ideas and strategies, timely warnings for dangerous circumstances, and wise peace-filled counsel for difficult decisions, as well as encouragement when pressures mount and circumstances look dark. Surround him with godly advisors he can always trust and share ideas with, and who will remain loyal to him and obedient to You.

Protect him from those who would try to infiltrate with false or faulty information. Bring light and understanding as he reads Your word. Show him how to apply it to his assignments and decisions. Let Your voice become the most prominent one he hears and listens to carefully, and supply grace and strength to follow and obey You. As he does, Lord, Your blessings overtake him, his family, advisors, and our nation, and his rest is peaceful each night with full assurance that all the next day holds and requires of him will be revealed by You, as You lead his way through all of it. In Jesus name, AMEN!

DAY 54: DIVINE DESTINY

“Therefore the LORD put forth His hand and touched my mouth, and the LORD said to me: ‘Behold, I have put My words in your mouth. See, I have this day set you over the nations and over the kingdoms, to root out and to pull down, to destroy and to throw down, to build and to plant.’” (Jeremiah 1:9-10)

Lord God, we thank You for creating Donald Trump in Your image. Lord, thank You that You knew him before he was even born and when he was being formed in his mother’s womb. Lord, we thank You that You have brought him forth in Christ Jesus before the foundation of the world. Lord, we thank You that You have a divine calling on Donald Trump’s life, and that You, Lord, have prepared works for him to walk in. Lord, we thank You for the Life-mission You have given to Donald Trump. Lord God, we thank You that You have a divine Destiny for Donald Trump to fulfill in restoring Your kingdom of God to our nation and to the earth. Lord Jesus, we bless him and ask You to send Your holy angels to stand guard over him and build a hedge of protection around him and his family. Lord God, we bless him as Your chosen servant and pray that he will fulfill all Your purposes that You created him for. We humbly pray in faith that all that Donald Trump says, does or thinks will bring glory and honor to You, because You, Lord, deserve all the praise honor and glory. Amen.

DAY 55: WISDOM AND PROTECTION

“For I know the plans I have for you declares the Lord, plans for peace and not for evil, to give you a future and a hope. Then you will call upon me and come and pray to me, and I will hear you.” (Jeremiah 29:11,12)

Thank you for stepping forward, being willing to answer God’s call upon your life, setting your life aside to make America Great Again!!!! For God has chosen you to rebuild America and to stand united with Israel. Thank you President Donald Trump.

Father God, thank You for choosing a man, with boldness to confront the systems of this world and to bring America back to the foundation that was established with our founding fathers. God I pray for Your protection around President Donald Trump and his entire family. Keep him in the palm of your hands and bestow upon him great wisdom from above in dealing with the affairs of this world. Give him Godly counsel that will help him make the decisions for the days to come. I pray that the power of the Almighty will overshadow him all the days of his life and that he will carry the heart of the Father to the ends of the world. May all those that opposed him be silenced at the wisdom in which he walks out the calling of the President of the United States. May he be strengthened in the power of Your might, and feel Your everlasting hand upon him. Thank you heavenly Father for another chance to see Your will be done here in this great nation!!

DAY 56: GOD, DO ALL THAT YOU PROMISED TO DO

“In the beginning God created the heavens and the earth.” (Genesis 1:1)

“But now the Lord who created you, O Israel, says: Don’t be afraid, for I have ransomed you; I have called you by name; you are mine....I am Jehovah; there is no other God. I will strengthen you and send you out to victory even though you don’t know me.” (Isaiah 43:1, Isaiah 45:5)

I’m 45 – a second-generation family-owned and operated business owner. My wife and I have been married for 26 years come March 2017. Our son is 24 and our sweet daughter is 17. My first memories of you, President Trump, are when my dad was reading his book, *The Art of the Deal*, in the mid-eighties. During that time of our life that was very tough. My mother and father had divorced and I lived with my father. The family business was falling apart. I’ve always looked up to my father and known he had a great mind for entrepreneurship and problem solving. The next time I recall noticing you, President Trump, was when my wife got into your program, The Apprentice. My wife is very intelligent and it was cool to both agree that we felt you are a very intelligent entrepreneur. When I heard you were running for office at the beginning of 2016, I researched you a little – mainly the program on the History Channel about your family. I was impressed even more, especially realizing that you had survived three divorces without falling apart into drugs or alcohol or any other things that bring a man down when he’s lost the love of his life. That’s all I needed to get on the Trump train. I believe God gave me clarification many times through my mentors, personal friends, pastors and so forth. I have been persecuted relentlessly on Facebook, but I stayed strong and by your side almost daily.

Lord, help President Trump give him the right guidance and the right people to step into a higher office with you. Help fulfill the prophecies that have been spoken over him. Let him become baptized and filled with your Spirit. So that he will walk into the highest office of the land being the praying president that we need to turn this nation around and make it great again. In Jesus’ Name, AMEN!

DAY 57: GRACE AND FAVOR

“For they did not gain possession of the land by their own sword, Nor did their own arm save them; But it was Your right hand, Your arm, and the light of Your countenance, Because You favored them.” (Psalm 44: 3)

During the late summer of 2016 I had a dream. In it I was bumping along in a car on what seemed like a rough-hewn path that was destined to become a six-lane highway. Two troughs of dirt stretched ahead of us with woodland on either side. There was no equipment to be seen, even though the earth hadn’t yet been leveled. I had the distinct impression we were in Virginia, not far from Washington, DC. Suddenly we pulled into a parking lot. At its end was a single building, an older, one-story, wood-sided community center that looked much used. Walking in, I saw a collection of men, mostly middle aged and casually dressed. In the far corner, I saw you having a quiet conversation. Without the usual retinue of people, you went from one person to another, shaking hands, talking and listening. As you did, you leaned in to talk to those who were seated, keeping eye contact and talking in low tones. When you headed my way I asked: “Where do you live?” as if I was shocked to see you there. You replied, “Anna, one minute away”, then you turned and left the building and the dream ended. What did it mean? A rough and bumpy road to the White House, through forgotten people and places, without the usual party support (“earth moving” machinery). “Anna”? Its origin is “full of grace and favor”. And “one minute away” – represents the many “suddenlies” that have been and will continue to be associated with you, President Trump.

Father, we thank You for bestowing your grace and favor on President Donald J. Trump. We thank You for leading him through rough roads to the people who need a listening ear. We declare that throughout his presidency the Spirit of the Lord shall rest upon him, The Spirits of wisdom and understanding, of counsel and might, of knowledge and of the fear of the Lord. We declare righteousness shall be the belt of his loins and faithfulness the belt of his waist. He shall walk circumspectly, as a wise man and decree both mercy and justice. His mouth shall speak truth. We declare he is surrounded by wise counselors and his decisions bring Godly solutions, peace, order, and unity where there is division. We declare that, as the world watches the transformation of a man and the healing of a nation, as President Trump acknowledges Jesus as His savior; You, and You alone, receive the Glory. Amen and amen!

DAY 58: THE WHOLE ARMOR OF GOD

“Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armor of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armor of God, that ye may be able to withstand in the evil day, and having done all, to stand.” (Ephesians 6:10-13)

President Trump, I am so happy that you won the election. Initially, it seemed unlikely to me that you would win, but as time passed, I came to believe that the Lord’s hand was upon this election. The world is watching, President Trump, to see if you will keep your word. It is scheming and planning attacks. Yet, God is relentlessly protecting you, filling that place in your heart with His love that enables you to do His will. May the peace of Jesus Christ freely flow to you and your family now and forever!

Father, I thank You for Your faithfulness to America and for Your mercy upon this nation. Thank You for the destiny that You placed on President Donald Trump’s life. I praise You for all that You are doing in our midst and the great harvest that You are bestowing upon us. I pray that President Trump receive Godly revelation and discern that the battle is not one of flesh and blood as the Apostle Paul wrote to remind us. I pray that You give President Trump eyes to see that the battle belongs to the Lord, even as Elisha prayed for his servant to see the angels encamped around about them, prepared to fight. I pray that President Trump daily chooses to put on the whole armor of God so he can stand in the face of evil adversities.

DAY 59: CROWNED FROM ABOVE

“You shall also be a crown of glory in the hand of the LORD, and a royal diadem in the hand of your God.” (Isaiah 62:3)

Dear President Trump, as a lover of Jesus, prayer warrior for God, and patriot, I proudly commit to pray for you as my President. It is my great honor, privilege and responsibility to do so. I was not very political until Holy Spirit remarkably shifted something in my heart. He impressed upon me how crucial it is for Christians to co-partner with our Creator in the governance of His Kingdom here “on earth as it is in heaven” to align with His original intention. God has given ALL authority to Jesus. The government rests upon His shoulders and flows down to mankind. I do believe, Sir, you have been divinely appointed, anointed and gifted by God Himself “for such a time as this” to lead these United States with distinction and honor as our Commander-in-Chief. Mr. President, I bless you with this prophetic word God gave me for you. “Now I will trump Trump with My glory and crown him! You all (referring to Christians) are already crowned. Now that Trump is saved, I will crown him with My glory as I have crowned you.”

“Our Father in heaven, I humbly pray for President Trump. Wrap Your son and servant and his beautiful family in Your arms of perfect love and peace. You are the Prince of Peace. Be their anchor. Make Yourself intimately known and so real to them. Show them Your extravagant grace and mercy every single step of their journey. Supernaturally protect our First Family with your invisible angel armies. Cover the President with your mighty right hand of favor. Lead him into all truth. Give Him wisdom and integrity beyond his ability for every decision. Draw him to always seek You first and to walk in Your righteousness. In every way bless President Donald Trump and First Lady Melania. Strengthen, encourage, empower, and equip them to stand as one that they may both serve with great dignity, joy, and confidence in You in their sacred roles as servant leaders who will best represent the heart of Jesus. Father God, I boldly ask you to baptize Donald Trump in Your Holy Spirit with power, passion, and his heavenly prayer language in order to fulfill Your unique calling and purpose for his life. Help him keep his promise to make America great again, for Your glory alone, Lord, in the matchless name of Jesus. Amen.”

DAY 60: GODLY WISDOM

“Get wisdom! Get understanding! Do not forget nor turn away from the words of my mouth. Do not forsake her, and she will guard you. Love her, and she will watch over you. Wisdom is supreme—acquire wisdom! With all your acquisitions, get understanding.” (Proverbs 4:5-7)

Dear President Trump, I have been praying for you for many, many months and rejoicing that I knew in my heart that you were very definitely God’s choice to lead our nation. On the night of Election Day, I stayed up until 3 AM, so excited because I knew at some point God was going to intervene on your behalf. You are surely God’s chosen Servant for this time to make us into a great nation, and to think He chose you for this before you were born (Psalm 139:1-24)! I am so thankful for all the gifts, talents, and creative abilities He gave you. All along you have used them in mighty ways. I am so thrilled when I see the precious family you have raised. That alone would cause me to support and vote for you. I really love your sweet wife and children. Never have I been as excited as I am now for a New Year to come forth. You will make the best leader I have known in my lifetime. I am 83 years old, a widow, and still work as a Receptionist in a busy Assisted Living Community. I have to supplement my Social Security which I hope will increase in the coming months. I am so thankful for the privilege of writing to my President, something I have never done. You are my favorite one of all time. May God bless you richly in all your endeavors.

“Dear Heavenly Father, I am so grateful You have divinely placed Donald Trump in the Oval Office as President. What a timely and fitting honor You have bestowed upon Your choice servant. Father God, please give President Trump Your wisdom every day and hour so he can serve and glorify You with distinction and excellence. I realize this job is not just for one man, but You have countless men and women ready and willing to encourage, help and support him, and to impart godly wisdom and counsel day by day. I pray all this in the precious and wonderful name of Jesus. Amen.”

DAY 61: ASK FOR WISDOM AND UNDERSTANDING

“For the LORD gives wisdom, from his mouth come knowledge and understanding; He has success in store for the upright, is the shield of those who walk honestly, guarding the paths of justice, protecting the way of his faithful ones. Then you will understand what is right and just, what is fair, every good path; for wisdom will enter your heart, knowledge will be at home in your soul.” (Proverbs 2:6-10)

Dear President Trump, My prayers went out for you during your campaign, knowing your sincere love and concern for this country. Although we were considered a powerful, respected and great nation, we seemed to have lost our way. Watching the election coverage, it was clear that God has had his hand in the direction that our country needed to go, as the people are with you. You will see when you closely visit our Nations Mall, the principles and conviction of our Forefathers are clearly stated by what is etched on their monuments; and how they trusted God as their source in birthing and building the foundation of this nation. The Washington Monument, the highest point in our nation’s capital points to the Heavens, appropriately engraved on the aluminum capstone is “Laus Deo” Praise be to GOD. Our prayers are with you in the coming years.

Dear Lord, We are so grateful for this nation that we live in. We know it has saddened You, watching your name be stripped away from our municipal buildings, public places and removed from national pledges, prohibiting the bowing of our heads in prayer in our schools and at public events. We pray for forgiveness for our nation’s lack of respect for all You have done to bless our nation. We thank you for the hope of our newly elected leaders, President Trump and Vice President Pence. I pray that they counsel You in their decisions and will feel Your strength as our forefathers did while setting a course for generations to come, that only You could provide. I pray that You give them the understanding of Your plans for our nation with the knowledge and insight needed to once again make us, One Nation Under GOD. Amen.

“Who among you is wise and understanding? Let him show it by his good life, by deeds done in the humility that comes from wisdom.” (James 3:13)

Dear President Trump, please remember in the years ahead that you have a friend who is always available, is willing to listen to your needs and will continually guide you. His name is Jesus.

Dear Jesus, I thank you for being President Trump’s friend, who will always be available to him as he is making decisions of utmost importance for all the people of our Nation.

DAY 62: BEFORE YOU WERE BORN I SET YOU APART

“Before I formed you in the womb I knew you, before you were born I set you apart.” (Jeremiah 1:5 NIV)

Heavenly Father, Thank You for Your wonderful plans for President Donald Trump and the U.S.A. You created him for such a time as this in 2017. You formed him; You knew the plans you had for him before he was born. You set him apart for such a time as this in the U.S.A. and the world. Thank You for the miraculous victory of being our 45th President. Father, please protect him and all of his loved ones. Protect each one that he selects for each position he places into office. Give him Your wisdom, Your discernment, Your steadfast truth and courage to make each decision with Your purpose and Your will for all. Guide him, direct him, and fill him with Your Holy Spirit all the days of his life. Surround him with wise counselors and warriors that will protect him and his family and all in positions of influence in prayer and alertness. Let President Donald Trump fulfill Your purpose for him in this life. Give us victory to make America great again. May we be a Godly Nation once again, in Jesus’ Holy Name.

DAY 63: A PRAYER OF REPENTANCE

“For all have sinned and fallen short of the glory of God, and are justified freely by His grace through the redemption that is in Christ Jesus.” (Romans 3:23-24)

“I will bless those who bless you, And I will curse him who curses you; And in you all the families of the earth shall be blessed.” (Genesis 12:3)

Father, I stand in the gap to make up the hedge and lead us in a prayer of repentance. I ask for Your hand of protection, mercy and grace to be bestowed upon America. We repent for forgetting the biblical foundations of this great nation established by our forefathers. We ask You, Jesus, for Your mercy as we repent and confess that America has sinned against God. We confess that Jesus Christ is Lord and that America needs salvation, deliverance from debts, protection, wisdom and the hand of God Almighty to restore this nation. Let us stand with Israel, so that we will be blessed and protected for Israel is the apple of God’s eye. We repent and we ask You for Your hand of protection on America and to restore the years that the palmer worm, canker worm and locusts have eaten from the United States of America. For without You and Your holy word we shall truly fail. We humbly ask for Your mercy and grace to be bestowed upon us as we stand together in unity and in one accord. Together we declare, “One Nation Under God,” for “United We Stand and Divided We Fall.”

DAY 64: STRONG VISION, WISE COUNSELORS, AND JOY FOR STRENGTH

“God gave Solomon wisdom and exceedingly great understanding, and largeness of heart like the sand on the seashore.” (1 Kings 4:29)

“Where there is no [wise, intelligent] guidance, the people fall [and go off course like a ship without a helm]. But in the abundance of [wise and godly] counselors there is victory.” (Proverbs 11:14)

Heavenly Father, You are Good! Though our country has many struggles, You say nothing is too difficult or impossible for You. So we thank You for giving us President Trump. Thank You for his heart to serve this country. Thank You for the talents and abilities You’ve given him to cast and carry out the vision to make America great again. We ask that like King Solomon, You grant President Trump “wisdom and very great discernment and largeness of heart like the sand on the seashore” (1 Kings 4:29).

We ask that You help him remove short-sightedness from our country and replace it with long-range vision that will positively impact generations to come. Lord, thank You for the men and women You are raising up to serve alongside President Trump. Thank You for his incredible ability to see and appoint the right man for the right job. Thank You for granting each one of them great wisdom and understanding in the specific role they are serving in. Lord, we also ask that You grant President Trump and his team momentum in the first 100 days. Let this nation be propelled forward by strong vision. Let Your Joy and Presence surround and strengthen them to accomplish all You put on their hearts to do to make America great again. Thank You, Lord, in Jesus Name, Amen!

DAY 65: ADVANCING THE WILL OF THE FATHER

“So no weapon that is used against you will defeat you. You will show that those who speak against you are wrong. These are the good things my servants receive. Their victory comes from me,’ says the Lord.” (Isaiah 7:14)

President Trump, where you are today is a modern day miracle. If we had observed this election without faith, we would have believed there was no way for you to prevail and there would have been no hope for our nation. However, we, the body of Christ, saw through the enemy’s plans to destroy this nation. God has chosen you “for such a time as this.” Surrender your will to the will of the Father and He will direct your path. Cultivate a relationship with him through prayer and reading His word. This nation hangs in the balance. Be vigilant not to allow the enemy to distract you from the Father’s agenda. Follow God’s leading, as to when to display grace and when to speak and take action. My prayer is that you allow His Holy Spirit to be your guide, your counselor and your comforter. Shalom!

Father God, we ask that You would bless President Trump with divine wisdom and insight. We know that the enemy will use everything against him that is at his disposal. But Father we plead his case in the courts of heaven, that as he repents, his slate is washed clean by the blood of the Lamb and that there can be no judgments against him. Father, there is no man that can navigate this country out of the debacle man has created, without knowing You and following Your directions. I pray that You would draw President Trump to Yourself and quicken him by Your Spirit to pray over the mighty decisions that he must make daily. I pray that he is filled with a great passion to see You high and lifted up. I pray that he would know that he has been blessed and brought to these times by Your hand. Just as You chose Mary to be the mother of the Christ child, You have chosen Donald Trump to be the leader in very difficult times. Bless his family and keep them all safe from any backlash from the evil one. Use this man to confound the political opponents that they will know there is a God that gets the last word. Use him to reveal Yourself to the world. Thank You, Father, for hearing the cries of Your people and appointing this man to bring order, decency and respect back to our nation and to thwart the plans of the enemy to silence Your people. In the mighty name to which every knee shall bow and every tongue confess that He is Lord. In Jesus’ name, Amen.

A SHINING EXAMPLE FOR ALL TO SEE

“Who is this that grows like the dawn, As beautiful as the full moon, As pure as the sun, As awesome as an army with banners?” (Song of Solomon 6:10)

Daddy, I believe that Donald Trump is made complete in You, who is the head of all principality and power. I believe You are making a way for him where there might seem to be no way. In You, he is promised to be equipped for any crisis or circumstance that might come. Just as the children of Israel had shoes that never wore out, received miraculous supplies, food like manna ... and victory when they were surrounded by enemies ... it was You that delivered and provided each time. In like manner, may this nation grow like the dawn in their trust in Your sovereignty and supernatural provision through the life Donald Trump lives out as a leader over us. Like the Israelites, we are Your people. Jesus’ inheritance is Donald Trump. May Donald Trump’s work in this culture “shine forth as the morning” for the world to see in this very season. May his work be “as beautiful as the moon” shining in the darkness. The moon has no light of its own but receives the reflected light of the sun. May Donald Trump be a source of God’s light in this dark world. Allow the whole Trump family and surrounding leadership to sunbathe in Your light. We pray for a transformation of our culture. Restore the first commandment! May the government be one that is “as awesome as a powerful army with banners.” We want Trump’s government – our government – on the shoulders of Jesus. Father, we trust in Your character and nature. You are the Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace.

DAY 67: GOD’S MANIFESTED GLORY

“Yet, we do speak wisdom among those who are mature; a wisdom, however, not of this age nor of the rulers of this age, who are passing away; but we speak God’s wisdom in a mystery, the hidden wisdom which God predestined before the ages to our glory; the wisdom which none of the rulers of this age has understood; for if they had understood it they would not have crucified the Lord of glory.” (2 Corinthians 2:6-8)

President Trump, I started praying into a dream the Lord gave me about this nation and its leadership in 2007. I have continued to pray for the manifest will of God to be done in this past election and that the individual He wanted to become president would be elected. God’s word is true and He has given you all things pertaining to life and godliness. The Lord has given you weapons - the Holy Spirit, His Word, prayer, discernment and those with spiritual gifts – to be a watchman on the wall as you run this race.

Father God, the God of Abraham, Isaac, and Jacob, we honor you as the Great I AM and the God of all Wisdom. Let your Kingdom come and let your will be done on earth as it is in heaven during the term of President Donald Trump as the leader of the United States of America. I pray that President Trump will have true prophetic voices on staff, just like in the days of Pharaoh and King Nebuchadnezzar, to speak into him as he leads this nation. I pray that President Trump be clothed in humility and find grace as he seeks Your face to fulfill the assignment given. In every decision that President Trump makes during his presidency, may he have Your heart and may the Holy Spirit invade every discussion and meeting, in the Name of Jesus, Amen.

DAY 68: WISDOM TO LEAD

“Give me wisdom and knowledge, that I may lead this people, for who is able to govern this great people of Yours?” (II Chron. 1:10)

“If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.” (James 1:5)

“Trust in the LORD with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight.” (Proverbs 3:5-6)

I am so grateful that you responded to the desire on your heart to see America restored again! I joined the many people across this nation who have been interceding for transformation and have prayed earnestly for this election. Thank you for persevering through many hardships and media distortions! King Solomon asked God for wisdom as he began to govern the nation of Israel. God answered his prayer and made him one of the wisest men who walked the earth. I will continue praying for wisdom and discernment for you as you lead.

“Father God, we thank You for President Trump. Thank You that You have prepared him over his lifetime with experience and gifts for this new season of leadership. I ask that You give him Your wisdom to lead through the many crises and challenges he will face. In each decision, give him discernment and clarity about the bottom line issues. Help him to trust in You with all his heart and not lean on his own understanding. As difficult issues come across his desk, give him grace to see clearly and wisdom to respond. Surround him with wise counsel and give him discernment to understand the motives of men’s hearts. Protect his time to focus on what is most important for accomplishing his vision. Give him courage to confront entrenched institutional patterns in government. Release strategies from heaven and open the way before him. When the task seems overwhelming, help him to turn to You and know that the Wisest Leader is right by his side to strengthen and enable him to go forward. Amen!”

DAY 69: THE CHOSEN OF THE LORD

“Behold, My Servant, Whom I uphold, My elect in Whom My soul delights! I have put My Spirit upon Him; He will bring forth justice and right and reveal truth to the nations.” (Isaiah 42:1)

“Do not touch my anointed ones; do my prophets no harm.” (Psalm 105:15)

“The Lord has done this, and it is marvelous in our eyes.” (Psalm 118:23)

President Trump, I truly believe that you were chosen by God for this season to be a blessing to God’s people and bring glory to His name. This is a great door of effective work that God has equipped you to accomplish. You, being a successful businessman, know how important it is to step in with both feet and not shy back. There will be many who will oppose you, yet the Lord is with you! Remember, the righteous are bold as a lion!

Father God, I thank you for choosing President Trump for this assignment as the 45th president of the United States. Yet, most of all, I thank You for working in him both to will and to do Your good pleasure. I pray that You reveal to President Trump that this was a decision You made before he was ever in his mother’s womb. There is only one Donald Trump; he is an original and not a copy! You knew his frame when he was made in the secret place. I pray that he would remain humble in your sight because You give grace to the humble and resist the proud. You will use him in ways that he could never imagine or dream of. Father God, I thank You for the Cyrus anointing upon President Trump. So I declare the decrees of the Lord to all opposing forces; “Touch not God’s anointed and do His prophets no harm! This is the Lord’s doing and it’s marvelous in our eyes. Amen!”

DAY 70: TRIUMPH OVER OPPOSITION

“'No weapon that is formed against you will succeed; And every tongue that rises against you in judgment you will condemn. This (peace, righteousness, security, and triumph over opposition) is the heritage of the servants of the Lord. And this is their vindication from Me,’ says the Lord.” (Isaiah 54:17)

President Trump, at first I didn’t understand how you fit into the position as our president. It seemed far-fetched. But the more I listened to the prophets, intercessors and attended prayer sessions, I understood why we needed someone such as yourself. Some situations in our nation have amped up and others are totally out of control. Why? Because clones continue to hire clones and nothing changes. But God had to send a chaotic change agent into chaos to shift the storm. The battle is raging, the tide is turning and the whirlwind is churning but none of it shall come nigh you. When I was in a chaotic situation as the director on my job I had to take a stand for change. That is why I am sharing Isaiah 54:17 and this saying, “When your heart is right toward God, and your desire is to please Him; He obligates Himself to bring you into the company of people you need to know, and into the knowledge of things you need to know, which is crucial for your success and destiny in life” (Author Unknown). This scripture and saying will keep you when it seems all else is failing. President Trump, we do not serve a God of partiality. As you draw closer to Him and receive His wisdom, knowledge and understanding as the leader of this nation, change will come forth for all people.

Father, in the name of Jesus, I dispatch your chaotic angels around President Trump to protect him, his family and all those connected to this administration. Lord, you are the breaker and you will break forth before him and be his rear guard. Father, anoint his ears to hear wisdom; give him discernment so he will understand changes, corrections and/or repeals that are necessary for our nation. Bring this nation into alignment with Your purposes and connect us with Israel and other nations that we all may live in peace. God Bless President Trump. In Jesus’ name, I pray, Amen.

DAY 71: DIVINE PROTECTION AND CONTINUED STRENGTH

“No weapon forged against you will prevail, and you will refute every tongue that accuses you. This is the heritage of the servants of the Lord, and this is their vindication from me,’ declares the Lord.” (Isaiah 54:17)

Father God, I come to You in the name of Your precious son Jesus. I thank You with rejoicing in my step, in my heart, in all my being, that You God, have specifically appointed this man to this High position at “such a time as this.” I thank You that You have given him a strong unbreakable backbone to endure the most evil of attacks. I thank You for giving us, this beautiful country of freedom and liberty, “one nation under God.” Thank You for giving us such a strong leader, a man of integrity and wisdom, an incredible businessman who did NOT waste the talents he was given. I thank You that he will use that gift to turn our country back into a thriving, fruitful, strong economic land for the home, the free and the brave. I thank You that President Donald Trump will be an example to our men and women of what a marriage is all about, what a man is all about, and bring dignity and restoration back to the men of our country to be manly men. I pray that his wife, First Lady Melania Trump, will be an example of a woman who honors her husband. I pray a hedge of protection around President Donald Trump and his family in accordance with Psalm 91. I pray that no weapon formed against the Trump Family shall prosper. No evil shall befall them. I pray as he is continually challenged and faced with trials and tribulations, that he will remain steadfast in his beliefs, in his desires and in his ambitions to make deep and profound changes to our country. I pray for strength and continued health in his body. I pray that You speak to Him in his dreams and give him visions for Your will, Lord God. I pray for divine intervention each step of the way as he is forced to make quick decisions. I pray that the political corruption that has been set in place will not detour his judgments. I pray, Father, that Your angels encamp around about him day and night, and You, Jesus, overshadow him with Your presence. I pray that this is a time in President Trump’s life that he experiences You in a deep and personal way. Once again, Father, I thank You, bless You, praise You and exalt You for who you are and for turning our country around. There isn’t a better man fit for this position. Thank You for grooming our wonderful President for this special time.

DAY 72: REPRESENTING GOD’S LIGHT

“In the beginning was the Word. The Word was with God, and the Word was God... In Him was life, and the life was the light of men. The light shines in the darkness, and the darkness has not overpowered it.” (John 1:1, 4-5)

This vision and word that follows, was received by my sister from our intercessory prayer time just after the election. The Lord directed us to type it up and send it out to alert our N. C. Rule the Air Prayer Troop. We are aligned with Glory of Zion International, Corinth, Texas, and Apostle Prophet Chuck Pierce. She Saw: Trump Towers, glass windows and Mr. Trump was standing higher than the sofas, looking out the window. Light was shining through his light-shinny hair. [This was symbolic; it was God’s power seen as the shining Light through Mr. Trump’s hair, his brain, to be influenced.]

Heard: Mr. Trump has no idea/depth of political structures because his history and background are in the celebrity, businessman, and personality arena. As we prayed continually, Mr. Trump began to pivot, turn slowly, to be influenced so that he could select those with experience in the political structure “to do God’s business.”

Father God, we pray and come into agreement for Your Light and clarity and power “to do God’s Business” as executed by Mr. Trump, President of the USA. We thank You for this great intervention, in the downward spiraling of our country’s direction, and for this divine calling and opportunity to make America great again – as You have inspired and prepared President Trump. You predestined the USA from our humble beginnings to be a refuge and a Light to the lost and hurting. A place for those who truly desire to be part of this United States of America as first seen through the pilgrims’ Christian heritage and formed after your Covenant land of Israel with the Holy Scriptures as our structure. We stand united in our Lord Jesus Christ. Amen.

DAY 73: FOR SUCH A TIME AS THIS

“For I know the plans I have for you,’ declares the Lord, ‘plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart.’” (Jeremiah 29:11-13)

Honorable President Trump, May your new assignment from God take you for the ride of your life! I know one thing. God does not do anything without a purpose. His divine hand has been upon you all through your life and through your campaign for the presidency. He has walked with you and sheltered you and your family from the vicious attacks aimed at hurting you and your family, but our Almighty God ruled and reigned. Glory to God! I am proud to be a Hispanic American.

Father God, I come before your throne to ask your divine hand be upon our President Donald Trump. I ask You, Lord, to send ministering angels to surround our President. I plead the blood of Jesus upon him. Father, let the wisdom of Solomon seek him out, may Your peace overwhelm him in the difficult and at times arduous decisions he will make for our country. Thank you, God, for placing the right people at the right time to aid our President. Lord, let Your glory fall upon our Whitehouse. Position mighty angels on all four corners of this compound; assign them to guard President Trump to protect him and his family in every way. Also protect all those serving at the Whitehouse and abroad. Let no evil enter into this territory. I pray this in the mighty name of Yeshua Ha-Mashiach, Amen.

DAY 74: HEALTH AND PROSPERITY

“Remember always, ‘Beloved, I pray that in all respects you may prosper and be in good health, just as your soul prospers.’” (3 John 2, NASB)

Dear Heavenly Father, I pray that the president would have the courage to stand for justice, integrity, and transparency as he proceeds to correct the imbalances that have plagued the executive branch of the highest office in the nation. May his physical strength and health be increased as the weight and burden of the nation rests upon his shoulders. May his mind remain sharp. May You, God, continue to provide wisdom and associations of wise counsel to make the appropriate decisions. May You, oh God, grant him the courage to stand by our allies, including upholding this nation's ties to the nation of Israel. May there be a respect for the balance of power of the three branches of government and a respect for the Constitution as decisions are made that affect everyone. God, provide President Trump the strategic plans for bringing into alignment the Mountain of Government, may it also filter through to the Mountain of Business/Economy, Media, Education, Arts/Entertainment, Religion and Family. May his own family also have the strength to endure the weight of public criticism. May the President find the solution or the prophetic people necessary to bring the solutions to the nation's greatest challenges. May the racial divides be healed, urban areas be resurrected from despair and may the homeless and veterans find hope and healing. May there be a solution found to immigration that is respectful and tactful to those who are already here and hopeful to those who yet desire to come. In Jesus' name I pray, Amen!

DAY 75: DELIGHT IN A FULL SOUL

“Are you thirsty? Come to the waters! Are you unable to buy what truly nourishes your soul? Come and receive from Me the real food I offer you- free and without cost! Why spend yourself, striving, on what cannot satisfy you? Listen to Me and experience my goodness—and you will delight in the fullness of what your soul truly craves.” (Isaiah 55:1-2)

I praise You Lord for the Bible- the perfect written revelation of You and Your plan for your creation. As rain falls from the sky to water the grass ... so you have condensed Your thoughts into written form to fall into the soil of our soul for enrichment. Oh Holy Spirit of God, visit the Trump family. Inspire all their thoughts. Saturate their subconscious thinking with Truth. Suggest all their decisions. I’m so grateful that You care so much to communicate with them in a clear, unchanging, always accessible way. Through the Bible, your thoughts are available at all times to refresh and teach them the way to go.

God please meet all their needs according to your resources. I can’t begin to count all of your resources. The continents are yours. The atmosphere and outer space is yours. All that is locked away in plants for life-giving blessing is Yours! Lodge in the Trump family a bold will and determination to fulfill Your agenda. Order all their doings and goings. Inspire them to stay silent or speak, to move fast or wait on You. Please surround them with the right company or even to seek more of You in solitude. You know what is needed at each moment. You are still a communicating God. Help them be attentive to Your activity all around them and Your voice.

May they make it a priority to fill their soul – reading and mediating on Your word with a listening heart – just as they would set aside time to fill their stomachs with food. May they know the privilege of storing Your WORD in their hearts, where You can use it at any moment to bless them with direction to lead an entire nation. Keep them in this storehouse of inspired words. May they trust to take Your path. We can’t calculate all the resources that are available to You to use to bless them. We can’t count the unseen resources of heaven that You’ll put at President Trump’s disposal as he aligns our laws to Your commandments. Your resources are endless, imperishable and overflowing. Thank You that in Your Word President Trump can see Your face and hear Your voice. He can discover Your will and Your pattern for living and leading.

He can develop richer faith and receive a fresh mind and energized body. Thank You that the Holy Spirit inspired Your Word and will use it to enlighten and set the agenda – an agenda for true unstoppable greatness. Lord, allow President Trump to rejoice in the mysterious relationship He has with You and boldly declare it to others. Like salt creating a thirst for water, may You make Him so salty other nation’s leaders want what He has – the living water. May President Trump be able to give them a glass of Your living water. Transform our whole nation more into Your image, from one degree of glory to another. In Jesus’ name. Amen!

DAY 76: MAKE YOUR WAY STRAIGHT BEFORE ME

"Lead me, O Lord, in Your righteousness because of mine enemies; Make Your way straight before my face." (Psalm 5:8)

"I can do all things through Christ who strengthens me." (Phil.4:13)

Father, My heart lifts up our President, Donald J. Trump, to You now. Draw him, Father, closer to You, to know You. Please keep Your protective, mighty hand upon him and his family. May he earnestly seek You in prayer each day for Your divine wisdom and guidance to lead this great nation. Humbling himself before You, You will, "Make Your way straight before [his] face.”

Please grant him understanding and discernment needed in working with others to reach and complete the goals You have called him to bring to pass. In each decision made and every policy implemented, let integrity, honesty, compassion, and Your strength be shown. May Israel always be dear to his heart and our country. Your promise is if we bless Israel, we will be blessed. At times he may feel torn or overwhelmed in his position, Holy Spirit please bring to his remembrance, that Your grace Lord, is always sufficient. Thank You, Father, for the privilege given to us in scripture instructing us to pray for all those in authority. We can be assured You hear and answer our prayers, honoring Your Word. Please bless President Trump, Vice President Pence, and our country, as we bless You. Praise You Lord! You are faithful! In Jesus’ precious name I pray, Amen.

DAY 77: THE HEART OF OUR LEADER

“The king’s heart is in the hand of the Lord, like the rivers of water He turns it wherever He wishes.” (Proverbs 21:1)

Mr. President we have been praying for you since it became clear that you would become the nominee. Many like us are praying for you and we will not cease from our intercession. You probably know that President George Washington dedicated our nation to God at a little chapel in New York City at the corner of Ground Zero. He admonished that we would only prosper as a nation as we followed God and his commandments. May the gravity of your position drive you to your knees each day to seek God in prayer. May the mantle of George Washington fall upon you that you may become a great leader. I believe you recognize as did President Reagan that "In this present crisis, government is not the solution to our problem; government is the problem."

Heavenly Father, we thank You that you said that mercy triumphs over judgment. We thank You that You know that being the President of our great nation can be an impossible task. But Abba we realize that you never intended a man to accomplish this by himself, rather you invite him to seek Your Divine wisdom and strength. Thank you that your word in Proverbs 21 shows us that it is your desire to direct the heart of our president. Abba, we pray that President Trump will start each day by communing with You and allowing his heart to unite with Your heart. We pray, Abba, that you protect him and fill him with Your love, Your grace, Your mercy, Your peace, and Your wisdom. Give him godly counselors, government ministers, heads of agencies and departments who know Your voice and walk in Your paths. Father, heal the great divisions in our land. End practices that are detestable to You such as abortion, murder, racial division, strife, sexual immorality, deception and exploitation. We thank you that your word teaches us the value and necessity of work. Make us a nation of hard workers who take pride in what we do. Return us to Your foundations. Use the gifts and talents of our president to turn us away from economic confusion and to return us to the prosperity and charity that we once enjoyed as a nation. Bring revival to our nation, our President, his cabinet, our legislature and our judicial system. Father, only Your guidance, Your leadership and the Holy Spirit can turn and anchor the hearts of our leaders and our President. May Your will be done and Your Kingdom come in these United States of America. In the name that is above every name, even Jesus Christ our Lord.

DAY 78: PUT GOD FIRST

“Now all has been heard; here is the conclusion of the matter: Fear God and keep His commandments, for this is the whole duty of man.” (Ecclesiastes 12: 13)

Dear President Trump, God heard the prayers of the American people and boy did he deliver! We knew that America was in deep trouble and that we needed to bring God back into the hearts, minds and lives of the American people. The bible says “Whom the Lord loves, He corrects.” Like a goad or a prod some Americans need to be redirected which will no doubt be painful perhaps for them but it is necessary and for their good. The rest of us are delighted, relieved, hopeful and proud that you are our 45th president. I believe with all my heart that you will go down in history as one of our greatest presidents. I pray that you will always put God first; that you will honor and keep God’s statutes for that is the whole duty of us all. The Lord bless thee, and keep thee: The Lord make his face shine upon thee, and be gracious unto thee: The Lord lift up his countenance upon thee, and give thee peace.

Father God, I pray for this courageous, brilliant man that You have called and anointed to be our 45th president. Protect President Trump, his family, Vice President Pence and his family and all who have a part in this administration. Surround President Trump with wise biblical counselors. Send angels on assignment, ministering angels, and angels unawares. We thank You for miracles, signs, wonders and mighty workings, so much so that we the American people cannot deny, Father God, that your hands are upon President Trump, this nation and its citizens. Let us say, “It must be God!” Indeed, let the whole world be blessed through this nation. Bless Israel and may there be peace in Jerusalem. Let there be a great awakening. For the Lord says, “America, Awake, Awake, Arise, And Arise. Rub the sleep out of your eyes. Stretch and yawn for it is NOW dawn. Get up, Stand up, speak up, move, move, move!” Father, let Your will be done on earth as it is in heaven according to Your plans and for Your purposes and for Your glory. In the name of our living Lord and Savior Christ Jesus, I pray. Amen and Amen!

DAY 79: VICTORY THROUGH GOD

"Shouts of joy and victory resound in the tents of the righteous." (Psalm 118:15)

After praying about the candidates and asking God how I should vote, the Lord gave me a vivid dream. In it, Hillary was winning-over a people group to vote for her, even though, in their hearts, they were pro-life! In the next scene, I saw you, President Trump, and Vice President Pence struggling to get into the doorway of a room which had a display case of small hair samples! A huge battle was going on to keep you out! Multitudes of people began wrestling in prayer on your behalf, and the two of you were finally okay, and ready to enter the room with the hair samples! I had no understanding of the dream until later when my friend Sandra called and said she had a similar confusing dream. Days after her dream, she saw a man on a TV program discussing the actual "Display Case" that contains a hair sample of each of the former Presidents – all the way back to George Washington! So, the mystery of the dream and prayer directive from the Lord was this: God's priorities are not necessarily ours! He revealed two specific prayer strategies through this dream: 1) To pray that those in the people group who were pro-life would vote in line with their conviction about abortion by voting for the pro-life candidate, you, and 2) to pray fervently for President Trump's and Vice President Pence's victory. Also, I think it is quite humorous that your hair is a topic of much conversation, and will be the next "sample" in this little-known display case!

Father, I thank you for choosing President Donald Trump and Vice President Michael Pence as our leaders for such a critical time as this! Thank you for giving clear direction, working in all of our hearts, dealing with our pride, retaliation, self-sufficiency, sharp tongues, criticalness toward others, and rebellion against you, until we ALL look more like YOU, our Savior and Lord! Thank you for showing me Psalm 118 on 11/8 Election day! We are believing that indeed America will be great, if we as leaders and individuals acknowledge YOU as the GREAT ONE and seek Your will and Your ways, in Jesus’ name!

DAY 80: RIGHTOUS GOVERNMENT

“Righteousness exalts a nation, but sin condemns any people.” (Proverbs 14:34)

“The Most High is sovereign over all kingdoms on earth and gives them to anyone He wishes and sets over them the lowliest of people.” (Daniel 4:17)

“Surely the righteous will praise Your name, and the upright will live in Your presence.” (Psalm 140:13)

Father, in the name of Jesus, I thank You and declare that our nation will be established and governed in Your righteousness. Lord God, empower President Trump to appropriate the promises of Your Word, knowing that Your decrees are righteous, and as King of kings, You set up kings, governments, and authorities as You will. Thank You for setting Your servant, Donald Trump, in place as President of these United States. Give him wisdom to rule wisely over all the people, in the name of Jesus. I praise You for being sovereign. Your righteousness reaches to the heavens and there is none righteous except You. None can compare to You. Yet in Your loving-kindness and tender-mmercies, You continue to have compassion on us all. Lord, I pray You will guide the President to always agree with Your Word, knowing that the government is upon Jesus’ shoulders. Help him to seek and to establish a godly government that will be made manifest in the earth. I decree the righteous will praise Your name and the upright will live in Your Presence. May this be true over every governmental system that exists in our nation: Our houses of worship, schools, and every local, state and national governmental structure. Lord, we repent and ask Your forgiveness for the times our lack of good stewardship opened the door for the enemy of Your kingdom to find a place to set up its government. Now, having repented and been forgiven, we stand as sentries and Your voice in the earth, declaring the Word of the Lord and executing all righteousness in government. Thank You, Father, for ruling the world and judging the people with equity. As Your Kingdom representatives, we ask that those who govern our nation will also do so with equity, refusing to show partiality. Instruct President Trump in the way of wisdom and lead him along straight paths. As he follows Your lead and submits to Your will, I thank You for ordering and directing his steps. Reveal Your glory to Him. I praise You that all of Your righteous decrees shall stand. May my fervent and effectual prayers for the President bear good results. Be glorified in everything President Donald Trump sets his hand and heart to do. Your kingdom come and Your will be done on earth as it is in heaven, in Jesus’ name. Amen!

DAY 81: THE RESTORATION OF A CYRUS ANOINTING

“Who says of Cyrus, ‘He is my shepherd, and shall perform all my pleasure,’ even saying of Jerusalem, ‘She will be built,’ and to the temple, ‘Your foundation will be laid.’…I have raised him up in righteousness, and I will direct all his ways: he shall build my city, and let my exiles go free, not for praise nor reward, says the Lord of Hosts...‘I even I have spoken; yes I have called him, I have brought him, and his way will prosper.” (Isaiah 44:28, 45:13, 48:15)

We learn from secular history that the historical Cyrus was a just king. Although he conquered nations: “In righteousness and justice he cared for them ... and walked by (their) side like a friend and companion ... as a whole they were contented under his rule.” It has also been written that “The success of Cyrus was in part due to the aid given him by the Jews, who recognized him as a monotheist like themselves, gave him more than mere sympathy.” With Donald Trump as 45th president of the United States of America, I am reminded of Isaiah 45 and context which prophesied that God anointed Cyrus to establish and restore His people from bondage to freedom. I believe President Trump is called to be a modern day Cyrus. I am personally impressed that Isaiah called Cyrus by name when these scriptures were written, approximately 100 years before Cyrus was born.

Lord, we are at a historical tipping point. You raised up President Donald Trump for this dangerous period of American and world history. Our prayer today is that You, Lord, will grant President Donald Trump favor as he negotiates agreements with national and world leaders. Please guide him, encourage him and BLESS him with a Cyrus anointing. We believe that anointing is essential to help restore America. We believe America has great potential yet to be realized. Father God, we know restoration and rebuilding will be impossible without Your wisdom and leadership. It will also require a faithful team of advisors at President Trump’s side. Therefore we request special wisdom and favor be granted to each branch of government under President Trump’s administration. We especially pray for protection and prosperity during this critical time in our national history. Grant that our nation becomes great again, that justice prevails, and humility guides every decision. We ask Your BLESSING over President Donald Trump. And may God BLESS the United States of America. Amen.

DAY 82: THE POWER OF PRAYER

“But seek ye first the Kingdom of God, and His righteousness; and all these things shall be added unto you.” (Matthew 6:3)

President Trump, God be with you! I am in awe of the Lord and what He has taught me about the power of prayer, fasting and the Holy Spirit. Before I knew anything about Holy Spirit, I was led to pray for you after watching Celebrity Apprentice. On one show you were sharing that you had a room full of bibles and even had one from the 1500s. Now, over the course of this election process and beyond, God keeps revealing the power of prayer, fasting and praying the Word in agreement, which is what I am doing on your behalf.

Heavenly Father, thank You. Thank You for your Son, Jesus Christ, and Holy Spirit. Thank You for Your mercy, grace, and love. Thank You that You don’t change and You are not a man that You should lie. Father God, thank You that You command us to pray for one another as well as to love one another. Lord, thank You for giving us time to repent and turn our whole heart, mind, body, and soul to You; for the Kingdom of God is at hand. Oh El Shaddai, Holy One of Israel, I lift up President Donald J. Trump, his wife and family to you. Lord, I ask for mercy, grace, peace, joy and love to cover them, this administration, and our nation. I declare and decree the White House and our government is being washed and covered under the blood of Jesus. I pray protection, as found in Psalm 91, over President Trump and his family as well as the Vice President and his family. No weapon formed against them shall prosper and angels are encamped all around on assignment from God on their behalf. Lord, create in President Trump a heart after God’s own heart like King David; Faith like Abraham; Valor like Giddeon; Courage like Joshua; Bold and willing to seek the Lord for strategies like Queen Esther. Wise like Solomon. Holy Spirit filled and obedient according to God’s Will in Jesus’ Name Amen.

DAY 83: FATHER GOD, THE ROCK OF YOUR SALVATION

“I have found David My servant; with My holy oil have I anointed him: And, I will beat down his foes before his face, and plague them that hate him. He shall cry unto Me, Thou art my Father, my God, and the rock of my Salvation.” (Psalm 89:20,23,26)

President Trump, I first began praying for you after you first met my then pastor, Pastor Paula White. After she spoke of her meeting with you, God frequently brought you to my mind for prayer. Since your nomination for President, I have been praying for you and your family each Wednesday with Jane D'Andrea and Pam Malone at the Christian Television Network.

“Abba Father, I praise You for You are a good and faithful, Sovereign God. You reign, You rule over heaven and earth and all flesh. Nothing is too hard for You. I thank You for Your word of truth that does not come back void, but it accomplishes what You send it to do. I thank You, Sovereign LORD, You have found President Donald Trump, Your servant; with Your holy oil You have anointed him. With whom Your hand shall be established: Your arm also shall strengthen him. The enemy shall not exact upon him; nor the son of wickedness afflict President Trump. And You will beat down his foes before his face, and plague them that hate him. Your faithfulness and Your mercy shall be with him: and in Your name shall President Trump's horn be exalted. You will set his hand also in the sea, and his right hand in the rivers. President Trump shall cry unto You, You are my Father, my God, and the rock of my salvation (Psalm 89:20-26). Thank you, LORD God Almighty, for the security of Your protection. I plead the wonder working power of Jesus' blood to cover and protect President Trump, First Lady Melania and all their family. President Trump shall dwell in the secret place of the most High and shall abide under the shadow of the Almighty. He will say of the LORD, He is my refuge and my fortress: my God: in Him will I trust. God shall cover President Donald Trump with His feathers, and under His wings shall he trust: God's truth shall be his shield and buckler. Because President Trump has made the LORD, which is his refuge, even the Most High, his habitation: God shall give His angels charge over President Trump, to keep him in all His ways. Because President Trump has set his love upon God, therefore will God deliver him: God will set President Trump on high, because he has known God's name. President Trump shall call upon God, and God will answer him: God will be with President Trump in trouble: God will deliver him, and honor President Trump. With long life will God satisfy President Trump, and show him God's salvation (Psalm 91). Holy Spirit of Jesus, the Fire from Heaven, comfort, encourage, and guide President Trump. We’ll be of good cheer and believe God that it shall be even as it was told to us! Amen!

DAY 84: TOTAL CONQUEST AND PROTECTION

“As for God, His way is blameless; the word of the LORD is tried; He is a shield to all who take refuge in Him.” (Psalm 18:30)

Father, cause President Trump to “Be strong and very courageous; do not tremble nor be afraid. For Lord, You are with President Trump, wherever he may go.” Lord, bless President Trump as he leads God’s people into their promised land. I declare, he WILL chase his enemies, and pursue them. That he will not turn back until he has consumed and defeated them. God, make Your face to shine upon him; and lift the light of Your countenance upon President Trump, and give him peace. That no one will be able to stand before him all the days of his life. For no greater love has a man than this; that he lays down his life for his friends. Because President Trump has shown the sacrificial love for America that Jesus has for Your people; God, honor him and greatly exalt his influence in the nations of the earth. All nations will call us blessed for the work that he will do; he will uphold a beacon of hope to all the other nations. America will again become the strong, free and good nation that God has destined her to be. Father, use the Trump administration to cause that to take place. Jesus, even though President Trump’s enemies and the enemies of America will dig a pit for him, let his enemies fall into it (Psalm 9). God secretly shoot at them with an arrow and laugh because You see that their day is coming. You will burn up Your enemies and You will cause them to fear You and to fear President Trump. Nothing will ever be able to separate him from Your great love and Your great power! Nothing in heaven or earth or hell can separate him from You (Romans 8). Lord, I ask that President Trump will have at his disposal an army of angels to keep him in safety and an army of intercessors praying for him. That he will have an army of good, conscientious hardworking Americans who will cheer him on and listen to him. The naysayers will lay their hands on their mouths and hang their heads in shame. That he will be feared and revered by the media. God, give President Trump good, honest, wise and strong counselors both inside Your cabinet and from within the church and society. Let great diplomacy mark Your administration. I pray that he will see things from God’s perspective, for Your light will so flood the eyes of President Trump’s heart to see, understand, and perceive the glory that He desires to give to America for carrying out Your will and agenda for Your glorious kingdom age. I pray these things in Jesus’ mighty name. May GOD bless you, President Trump, every day of your life.

Congratulations President Trump, on your election to the highest office in the land. I am a minister from Columbus Ohio. I was given the opportunity to participate in the Pastors gathering you held in Cleveland Ohio at Pastor Darrell Scott's church in September. At that time I presented to your campaign manager an election strategy to help inform African-American voters on the benefit of your platform to our community, called; “The New Deal to the African-American Community.” I shared how your success as a Businessman could be the very thing our communities need to teach the inner-cities, through business seminars and workshops, how to start their own businesses and employ their own people, giving us a hand-up, not just a handout. I was flattered to hear you speak of this on the Hannity Show. As an African-American Pastor that has seen the increase of racial tension and the widening of the racial divide under the last 8 years of the Obama Administration, my prayer for you and your administration is that God would use this strategy, and others your administration comes up with, to give you the Ministry of Reconciliation as recorded in the above Scripture, in 2 Corinthians 5:19. I also pray for and even humbly suggest the implementation of an actual cabinet post called; The Ministry/Minister of Racial Reconciliation, focused on the healing of the racial divide in our nation.

Father God, in Jesus Name, I pray that you will release upon President Trump and the whole Trump administration and cabinet, the Spirit and Ministry of Reconciliation. Give Him, Lord, Your heart and wisdom to bring together the races across ethnic, cultural and racial barriers. Jesus, I pray that you will release the revelation of the ONE NEW MAN in Christ from the bible in Ephesians 2:14, that states that those who were once separated from Christ and from one another, having no hope and without God in the world, and were once far off and segregated, are now brought together ... making us both one, breaking down the wall of hostility. I pray that You, God, might create in Christ one new man in place of the two, making peace and reconciling all of us to back to You and one another. Heavenly father, I ask that You give President Trump the Spirit of Wisdom, of Revelation to bring this nation together, Amen.

DAY 86: SEEING THINGS BEYOND PHYSICAL CIRCUMSTANCES

“He said, ‘Fear not, for those who are with us are more than those who are with them.’ Then Elisha prayed, and said, ‘O Lord, I pray thee, open his eyes that he may see.’ So the Lord opened the eyes of the young man, and he saw; and behold, the mountain was full of horses and chariots of fire round about Elisha.” (2 Kings 6:16, 17)

Holy Spirit, when difficult circumstances arise and begin to overwhelm the people surrounding President Trump, I pray that he will stop and take a moment to pray. Let him see the supernatural resources that You have provided that cannot be seen with the naked eye. Let him inspire those around him that they may see the supernatural things that are possible to those who choose to follow You. Psalm 145:18 says, "The Lord is near to all who call upon him, to all who call upon him in truth.” Let President Trump call out to and trust in You and Your power and strength. Let President Trump not rely on his own strength and ability, but let him stand boldly in the power you give him against those who oppose the truth. Give President Trump supernatural wisdom like the wisdom of King Solomon. I pray these things in Jesus precious name, Amen.

DAY 87: SONSHIP OF GOD

“For as many as are led by the Spirit of God, they are the sons of God.” (Romans 8:14)

Father God, thank You for President Trump. I ask You increase his intimacy with You, that he can be fully grounded in Your unconditional love and goodness. Increase him in his identity of sonship in You that he reflects the culture and character of who You are. I ask that You accelerate him in the work that You began in him the moment he began walking out his destiny in You. Every moment he spends in Your Word, Lord, let it be moments where his mind is renewed in the sense it begins to think like You think and perceive like You perceive. Lord, You promised him in Your Word that he would do the works You did and more. Lord, You are the power at work in his life giving him the advantage over those who are of the world. You are always large and always in charge no matter how difficult things may get in the world. Without You, President Trump can do nothing as according to Your Word. Draw him to seek You first and empower him to see what You show him that he can follow through hitting the mark every time. This is no different than the way Jesus walked with You during His time on earth. If Jesus could do nothing of Himself, but only of what He saw You do, Father, then so it is with President Trump. As he adopts a language, perception, and thinking that comes from only You, I thank You for the unlimited ways he will see demonstrations of Your goodness and glory. In Jesus Name, Amen!

DAY 88: FOR AMERICA TO BLESS AND BE BLESSED

"You are the light of the world. A city set on a hill cannot be hidden." (Mat 5:14)

I write this as I sit in Front of the Trump Tower and Hotel in Baku, Azerbaijan, working in an assignment for the US Agency for International Development (USAID). It is astonishing to realize how much our nation can affect even far away countries like this.

Lord, we thank You, for You have allowed Donald Trump to become the 45th president of the United States of America. Thank You that You have allowed him to take the baton given to settlers of the Colonies seeking the new nation that was to be like a city upon a hill. We pray, Lord, that You grant him the grace to make this country shine again with Your glory and love.

Lord, we pray that You grant him the understanding he needs to follow Your lead so he may embrace what is Your will, what is good and acceptable and perfect, for him, for the nation and for the entire world. Grant him the discernment to move according to Your spirit and the courage to do so in spite of what others might say or do. Lord, give him the wisdom to be so generous that as he gives to other individuals, peoples and nations he can be blessed and make our nation blessed again. That he may receive the knowledge to act in justice, allowing America to become a blessing for the nations. That he may be fearful of You, Lord, as you give him power and go before him to level the exalted places and break in pieces the doors of bronze. In the name of Jesus our Lord we pray, Amen!

DAY 89: GOD’S DAILY GUIDANCE FOR PRESIDENT TRUMP AND OUR LEADERS

“So then, my beloved brethren, let every man be swift to hear, slow to speak, and slow to wrath.” (James 1:19)

“He has made everything beautiful in its time. He has also set eternity in the human heart; yet no one can fathom what God has done from beginning to end. I know that there is nothing better for people than to be happy and to do good while they live. That each of them may eat and drink, and find satisfaction in all their toil—this is the gift of God.” (Ecclesiastes 3:11-13)

“Father God, we thank You for Your election of President Donald Trump as the person through whom You will move on behalf of Your covenant people, Israel, Your kingdom, the church, and the nations. May our President and leaders align themselves with Israel, the apple of Your eye. Continue to draw President Trump ever deeper into relationship with You. Cover and protect him under Your mighty right hand of favor that his walk would be blameless and pleasing in Your sight. May he exalt You alone. Cause our leaders to be sensitive and obedient to the leading of Your Holy Spirit. Surround them, not just with trusted church pastors and leaders, but also with people in the five-fold ministry. Place Your elect sons and daughters of all races, gender, and ethnicity, whom You trust, around them as well for daily support and wise counsel.

May their policies be in agreement with your Word and may they honor all people in Jesus’ name. Where they may lack understanding, compassion, and empathy, speak to them as only You can do so they make wise decisions and regard those less fortunate such as: the sick, the aged, and the disabled. Abba Father, give President Trump and our leaders godly wisdom and balanced equitable strategies to fulfill Your divine will, so we all may enjoy the fruit of our labor. Draw them to seek Your face and to know what to do and how to do it. Guide them in alignment with Your kingdom purposes for Israel, the USA, and the nations. I ask by faith for You to do a miracle of unprecedented and monumental proportions in all of our lives and in the nations. May Your kingdom come and Your will be done on earth as it is in heaven in this season of Your great mercy, favor, and grace. In Jesus name I pray. Amen.”

DAY 90: SUCCESSFUL 100 DAY PLAN

“In everything that he undertook in the service of God’s temple and in obedience to the law and the commands, he sought his God and worked wholeheartedly. And so he prospered.” (2 Chronicles 31:21)

Father God I lift up President Donald Trump and pray he has success in his position as the 45th President of the United States. Father, bless him and keep him and make Your face shine upon him. Grant supernatural favor upon President Trump to make America great again. Father, let America be his top priority, to truly drain the swamp. God, bless him with wisdom and knowledge to wipe out the national debt and make America's budget the best in the world. Father, restore the American dollar and may it be held at the utmost standard. Protect each and every family in America during President Trump's term in office. May they be given the freedom to raise their children the way You intend for each of them. Lord, give him strength to make decisions every day that lead this nation to being a righteous nation again. Lord, may every person appointed to be in his closest circles and staff be truthful and trustworthy. Point out any wolves in sheep's clothing in his days in office. May every voice that speaks and has authority to guide this nation along his side be given words from The Lord. Cause every law and federal act that has been filed and introduced under his nose in each and every state that threatens to remove the rights of the people of this Great Nation to come to his attention. Give him wisdom to undo each and every law and federal act that was passed and introduced that threatens to make this nation part of a one world government. Let every attempt at injustice in this nation that has occurred be undone and vindicated by the Lord on his watch. Lord, bring millions upon millions to Your Son, Jesus, during his presidency. Father, fill President Trump's days in office with peace and joy. Let him taste and see that the Lord is good. Jesus, wrap Your arms around him each and every day. Grant supernaturally protect him from all harm, danger, accidents, death or destruction of all kinds. May his marriage stay strong and secure all his days. May he find rest in the midst of the challenging 8 years ahead. I decree that no problem is too great for him and Jesus. When Mr. Trump doesn't have answers let him hear your voice clearly guiding his every decision for this nation. Help his heart to remain soft and humble so he can stay close to You. Cause this nation to be a better place for all that dwell here. Father, let his 100 day plan to be successful; that no hindrance or set back occur. Expose every corrupt system in the nation and shut it down. Restore relationships with other nations that have been severed outside of Your will. Amen!

DAY 91: FEAR NOT

“You are My servant, I have chosen you ... Fear not, for I am with you; be not dismayed, for I am your God. I will strengthen you, yes, I will help you. I will uphold you with My righteous right hand.” (Isaiah 41:9,10)

“And the Lord, He is the One Who goes before you. He will be with you, He will not leave you nor forsake you; do not fear nor be dismayed.” (Deuteronomy 31:8)

President Trump, thank you for everything you and your family have sacrificed to serve our great country! We have prayed for and supported you, believing from day one that God has raised you up at this critical time in our nation’s history. Throughout your life, you have demonstrated amazing leadership and self-confidence, so you might be wondering why this page would be entitled “Fear Not”. In the Bible, there are 365 times God tells His people to “fear not”, “do not be afraid”, etc...one for every day of the year! Just before Joshua was going to lead the nation of Israel into the promised land, Moses shared with him the words in Deuteronomy 31:8. Much like Joshua, you will face seemingly insurmountable challenges, but we pray you will be encouraged to seek God’s help, and “fear not”, remembering His promise to be with you and to help you...

“Father, we pray for President Trump as he seeks to restore our country to its place of leadership and hope for the world. May he daily read and be encouraged by the Bible his mother gave him, taking comfort that when he faces difficult times, he need not fear, but trust in You to guide and give him the wisdom needed in each situation. Help him to know Your presence with him, and discover You are a “Friend Who sticks closer than a brother”. Protect him and his family, keep them safe, and bless his administration for Your honor and glory! In Jesus’ Name, Amen!”

DAY 92: ARISE AND TAKE YOUR RIGHTFUL PLACE

“Arise, shine your light has come! The glory of the Lord shines upon you. See, darkness covers the earth, and thick clouds cover the peoples; but upon you the Lord shines, and over you appears His glory. Nations shall walk by your light, and kings by your shining radiance.” (Isaiah 60:1-2)

Father, I pray that President Trump will take his rightful place as the President of the United States with assurance of the call to this position, that You have made a way for him, for such a time as this to serve our country, to build Your Kingdom. I ask that You send him wise counselors, prophets from Your inner circle and special messengers to guide him in decision-making, in selecting his team and in keeping his life in proper balance. May he have a special place to encounter You, especially in times of his greatest need, where he will know Your love, comfort and wisdom. Increase in him, the trust that King David had in You. May he consult You whenever there is a decision to go to battle and whenever a strategy is needed to accomplish the tasks at hand. Send Your Spirit to accompany him and speak to him the truth he needs to hear. Thank You Father, that You hear us when we pray. I ask this in the name of Jesus. Amen.

DAY 93: ANGELIC PROTECTION

“He who dwells in the secret place of the Most High shall remain stable and fixed under the shadow of the Almighty [Whose power no foe can withstand]. I will say of the Lord He is my refuge and my Fortress, my God; on Him I lean and rely, and in Him I [confidently] trust. For He will deliver you from the snare of the fowler and from the deadly pestilence....His truth and His faithfulness are a shield and a buckler. You shall not be afraid of the terror of the night, nor of the arrow (the evil plots and slanders of the wicked) that flies by day...A thousand may fall at your side, and ten thousand at your right hand, but it shall not come hear you. Only a spectator shall you be as you witness the reward of the wicked. Because you have made the Lord your refuge and the Most High your dwelling place, there shall no evil befall you, nor any plague or calamity come near your tent. He will give His angels charge over you to accompany and defend and preserve you in all your ways. They shall bear you up on their hands, lest you dash your foot against a stone. You shall tread upon the lion and the serpent shall you trample underfoot.” (Psalm 91, selected verses 1-6)

Lord I lift up President Trump, his beautiful wife and First Lady Melania and their brilliant son Barron and surround them with Your words from Psalm 91. I trust they will have the protection from the fiery darts of evil words and slander. They will be covered with peace and comfort. Because of Your embrace, they will be filled with Your joy and strength. Cover them with Your pinions and give them refuge under Your wings. Allow them only to be spectators to the destructive plans You are breaking up. As they read Your Word and stand in Your presence, their family is indivisible. They will be surrounded by people of wisdom and Godly council. They will be able to accomplish this work You have given them for this nation. Their vision will be unhindered and unlimited as it comes into alignment with Your plan for America. You have especially charged Your angels to accompany, defend, and preserve all their ways of obedience and service of President Trump, his family, his chosen leaders and all of his council. Thank You, Lord, for this family who has accepted this great honor and challenge for Your people in the United States of America!

DAY 94: PEACE WITH ENEMIES

“When a man’s ways please the LORD, he makes even his enemies to be at peace with him.”
(Proverbs 16:7)

Dear God, You heard our prayers and sent us Donald Trump to lead us into the future. Please guide him in all his decisions, help those who are not behind him find their way. Let him know that so many of the American people are with him. Mostly hear his and our prayers to You. Let there be peace, understanding and love in the world. Please do away with the hate, destruction and killing. Thank You, dear God. Amen.

DAY 95: WISDOM FOR THE KING

“The Lord appeared to Solomon in a dream and said, ‘Ask for whatever you want me to give you.’ Solomon answered, ‘Your servant is here among the people you have chosen, a great people, too numerous to count or number. So give your servant a discerning heart to govern your people and to distinguish between right and wrong?’ The Lord was pleased that Solomon had asked for this and said to him, ‘Since you have asked for this and not for long life or wealth for yourself, nor have you asked for the death of your enemies but for discernment in administering justice, I will do what you have asked. I will give you a wise and discerning heart, so that there will never have been anyone like you, nor will there ever be. Moreover, I will give you what you have not asked for—both wealth and honor—so that in your lifetime you will have no equal among kings. If you walk in obedience to me and keep my decrees and commands, I will give you a long life.” (1 Kings 3:5-14)

Loving, Heavenly Father, thank You for showing favor on the United States and anointing President Trump as our “king” in answer to the prayers of Your saints for redemption from our corrupt government. Thank You for this reprieve from wickedness. I pray for wisdom for President Trump and his family to govern this land with your Godly wisdom and strength. As the enemy will undoubtedly attempt to trick and deceive, may President Trump see right through the enemy’s schemes. As he is picking people to govern with him, let him know who is the right person and what is the right decision. There is never been a time in the history of this world such as this. Thank You for giving us Donald Trump. Thank You for filling us with hope and excitement to be alive, anticipating what the days ahead will bring us. I pray these requests for and call this anointing upon our President Donald J. Trump! In Jesus mighty name! Amen!

DAY 96: PRAYER FOR PEACE

“For He Himself is our peace, who has made the two groups one and has destroyed the barrier, the dividing wall of hostility...seek peace and pursue it.”
(Ephesians 2:14, Psalm 34:14b)

Father, how we love You! You are all good things to us, and that includes peace. As men look to “peace accords” and make compromises to obtain an elusive state of peace, let us remember that the only place we find true peace is in You. We look to Your plan and Your Words for guidance to bring us into peace in all areas—personal lives, families, friendships, nation, and even in those groups which divide our nation ideologically. Lord, make us one—one in purpose, one in a spirit of kindness toward each other, and one in our determination to choose what is best for our country. Thank You that You promised that we WILL find You when we seek You with all our heart. We do so now. We open our minds to Your Word, our hearts to Your plan, and our eyes and ears to the truth. Let truth and justice reign supreme in our land. Let us never again be complacent in allowing our country to be controlled by political correctness instead of truth. Bless President Trump and all who work with him. Protect and defend them as they protect and defend our country and make it great again. Give them wisdom and understanding to create workable solutions, find practical answers, and bring lasting vitality to our land. Give them acute discernment to identify and deal with enemies near or far. And so, bring peace. Father, I pray a special blessing on President Trump’s family. Give grace, patience, and understanding to family members as he tackles the huge task before him. Give him an expert ability to balance healthy family living along with leading the nation. And so, bring peace. Lord, we are SO thankful for Your grace and mercy to us. Let Your Name be honored once again in America, and show us how to best honor You and those You have placed in office for our benefit. And so, bring peace. As we now seek peace and pursue it as God commands, we are reminded that we can only do so through Him, since “He Himself IS our peace.” “Pursue” in Psalms 34:14b can also be translated as “maintain” or “promote” peace. Let President Trump and each of us be instrumental in pursuing, maintaining, and promoting peace. Thank You, Lord, that You always allow us to find You (and therefore, peace) when we seek You with our whole hearts. In the wonderful Name of Jesus we pray.

DAY 97: SOAR LIKE AN EAGLE

“But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; they shall walk and not faint.” Isaiah (40:31)

“He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty.” (Psalms 91:1)

“Howbeit when he, the spirit of truth, is come he shall not speak of himself; but whatsoever he shall hear, that shall he speak; and He shall show you things to come.” (John 16:13)

God Speed Donald J. Trump! Soar like an Eagle!

Father God, we ask for wisdom, revelation and the knowledge of You! Lord, we ask for strength beyond measure for Donald J. Trump and his family, to be covered under the shadow of the Almighty, for Your wings to cover them and bear them up, to move them in Your way and Your will, not only for this great nation, but for Israel as well! Lord, we know You have called him for such a time as this and we know that many are praying for him, more so than any other president in our history, guide him Lord with your right hand and bring Mercy, Love and Hope. Let this truly be a time of the people drawing closer to You and in Unity and support of the man You have chosen to lead us at this time. Bless him with discernment and understanding, speak to him in dreams and visions and Holy Spirit, teach him Your way as You lead, guide and direct, in Jesus name and for His Glory Amen!

DAY 98: RIGHTOUS LEADERSHIP

“When the righteous are in authority and become great, the people rejoice; but when the wicked man rules, the people groan and sigh.” (Proverbs 29:2)

Father God, we petition Heaven on behalf of President Donald J Trump and Vice President Mike Pence. We pray that they would rule righteously and that righteous leadership for our nation as a whole would increase under their authority. We pray that our nation would become great again and that the people of America would rejoice and flourish under their honorable, godly leadership. We pray that Your Spirit would rest upon them mightily, the Spirit of wisdom and understanding, the Spirit of counsel and strength, the Spirit of knowledge and of the reverential and obedient fear of the Lord. We pray that they would delight in the fear of the Lord and that they would not judge by what their eyes see nor make decisions by what their ears hear but with righteousness and justice they would judge the poor and decide with fairness for the people of America and nations of the earth. We pray that the Kingdom of God would be released through their decisions, not just for America but for many nations, including the beloved Nation of Israel. We pray that You, Lord, would be a wall of fire around them and the Glory in the midst of them. We pray that a divine order of protection would be released daily from Your Throne on their behalf and the behalf of their families and businesses. We pray that You would bless them, keep them and make Your face shine upon them. We pray that they would be kept in perfect peace no matter how the storms may rage against them. We pray that Your peace would crush every enemy and that You would deliver the enemies of our Nation into their hands. Amen

DAY 99: PRAYER OF SOVEREIGN PROTECTION

“O God, listen to my cry! Hear my prayer! From the ends of the earth, I cry to you for help when my heart is overwhelmed. Lead me to the towering rock of safety, for you are my safe refuge, a fortress where my enemies cannot reach me. Let me live forever in your sanctuary, safe beneath the shelter of your wings!”

“You have heard my vows, O God. You have given me an inheritance reserved for those who fear your name. Add many years to the life of the king! May his years span the generations! May he reign under God’s protection forever. May your unfailing love and faithless watch over him. Then I will sing praises to your name forever as I fulfill my vows each day.”
(Psalm 61)

Heavenly Father, we come to You now in the Name of Jesus praying for our President Donald J. Trump. We ask that You will hear and attend to President Donald J. Trump’s prayers. From the end of the earth will he cry unto thee, when his heart is overwhelmed; lead President Donald J. Trump to the rock that is higher than him. Lord, you have been a shelter for President Donald J. Trump and a strong tower from the enemy. We ask that President Trump will abide in thy tabernacle forever. We ask that he will know he can trust in the shelter of thy wings. For thou, Oh Lord, we ask that You hear President Trump’s prayers as you hast given him the heritage of those who fear your Name Lord. We ask that You will prolong President Trump’s life and years as many generations. We ask that President Trump shall abide before You Lord forever and let Your mercy and truth preserve him. So President Trump will sing praise unto You Lord forever, that he may daily perform his duties as President of the United States of America.

DAY 100: MEDITATE ON THE WORD FOR SUCCESS

“Don’t get off track, either left or right, so as to make sure you get to where you’re going. And don’t for a minute let this Book of The Revelation be out of mind. Ponder and meditate on it day and night, making sure you practice everything written in it. Then you’ll get where you’re going; then you’ll succeed. Haven’t I commanded you? Strength! Courage! Don’t be timid; don’t get discouraged. God, your God, is with you every step you take.” (Joshua 1:8)

Father, I pray for this man whom You have set apart to do Your will.

May he prosper and have good success in the task You have set before him.

May he be strong and courageous and not waver in his love for You.

And as You have set me to pray for him this past year, so I will continue to hold him before You.

In Jesus Name. So be it. Selah.”

DAY 101: STRENGTH AND POWER

“I pray that out of His glorious riches, He may strengthen you and your household with power through His spirit in your inner being, so that Christ may continue to dwell in your hearts through faith. And we pray that being rooted and established in love, you may have power together with all the saints to grasp how wide and long and deep is the love of Christ, and to know this love that surpasses knowledge that you may always be filled and increase beyond the full measure of the fullness of God.” (Ephesians3:16-19)

President Trump, I am writing to affirm that I continue to stand with and for you, as well as your entire household in prayer, as fervently as I have stood with and for Prime Minister Benjamin Netanyahu and the nation of Israel. We serve a far greater God than all the kings of this world. I have been asking the council of heaven to rule against the conspiracies of the wicked. I pray Micah 2:13 and Jeremiah 20:11, decreeing and declaring the word of the Lord, that the evil doers will have no one "stretching the measuring line to divide the land". I thank you for being a friend to Israel and bless you to carry the fragrance of heaven, to open doors and attract people to the light of Christ that is within you. This does not happen because you are effective, competent, secure or possess holy boldness, but because you carry the light and fragrance of heaven with you and your service is a fragrant offering to the Lord. May you and every member of your household always be surrounded with life-givers and perceive the presence of God even when the world is problematic and painful.

You are an heir to all the treasures of your Heavenly Father's heart. I pray you will be guided according to Isaiah 11: that "The spirit of the L ORD shall rest upon you, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the L ORD; and that He shall make you quick in understanding in the fear of the L ORD: and that you shall not judge after the sight of your eyes, neither reprove after the hearing of your ears: But with righteousness you shall judge the poor, and reprove with equity for the meek of the earth: and you he shall smite the earth: with the rod of your mouth, and with the breath of your lips shall you slay the wicked. May righteousness be the girdle of your loins, and faithfulness the girdle of your reins." May the Lord release every good and perfect thing that comes from his hand to you and your household in the days ahead. I pray that ministering and warring angels will surround you and every member of your household to minister to you, protect you and strengthen your mortal bodies. I pray that you will all have a supernatural ability to discern every relationship and circumstance in your life and that the God of Abraham, Isaac and Jacob will order your every step you take. God bless you and Shalom to your entire household,

Nancy Hess, Prayer Shield Captain from Pennsylvania, Christiana, PA
DAY 102: THE GLORY OF THE LORD

“So all of us who have had that veil removed can see and reflect the glory of the Lord. And the Lord, who is the Spirit, makes us more and more like him as we are changed into his glorious image.” (2 Corinthians 3:18)

President Trump, I had a dream of you August 2, 2016. In the dream I was styling your hair and you liked it so much your face broke out in a most brilliant smile; you were absolutely beaming! Upon awakening I looked at my email for my daily scripture reading; it was from 2 Corinthians 3:18. I knew immediately that God was showing me to pray His Glory upon you!

Father in heaven, I humbly lift up President Trump to you. As he seeks to know You more and more, may You speak to his heart showing him Your unfailing love, mercy and grace. I pray that You give him a complete understanding of what You want to do in his life. Father I also pray that You will strengthen him with Your glorious power so that he will have all the patience and endurance he needs. I pray that his roots grow down into you and draw up nourishment so he will grow in faith, strong and vigorous in the truth. May President Trump walk with You, God, from glory to glory, trusting in You and knowing You more and more. Father, may Your glory be revealed upon him for all people to see and know the LORD has spoken. Amen!

DAY 103: WISDOM FOR PRESIDENT DONALD TRUMP

“Therefore I also, after I heard of your faith in the Lord Jesus and your love for the saints, do not cease to give thanks for you, making mention of you in my prayers: that the God of our Lord Jesus Christ, the Father of glory, may give to you the spirit of wisdom and revelation in the knowledge of Him, the eyes of your understanding being enlightened; For the Lord will go before you, and the God of Israel will be your rear guard.”
(Isaiah 52:12, Ephesians 1: 15-21)

Dear Heavenly Father, You have called President Trump to be the 45th President of the United States of America. We come, giving You thanks and asking You to give President Trump the spirit of wisdom and revelation in the knowledge of You as he and his team govern the people of this nation. We ask for President Trump’s natural and spiritual eyes to be opened and enlightened. We thank You for he can humble himself and listen, seek and receive political and godly counsel. Lord, rest on President Trump. Father, as He calls to You show him things he does not know. Give him strategies, foresight, courage and confidence in You. We release the glory of the Lord to be his rear guard. We speak blessings over His family. Give them strength when they are weary, hope when they are hopeless, and faith to stand.

DAY 104: YOU ARE MY JOSIAH

“Josiah was eight years old when he became king, and he reigned in Jerusalem thirty-one years. He did what was right in the sight of the LORD and followed the ways of his father David, not turning aside to the right or to the left. In the eighth year of his reign, while he was still young, he began to seek the God of his father David. In his twelfth year he began to purge Judah and Jerusalem of high places, Asherah poles and idols. Under his direction the altars of Baal were torn down; he cut to pieces the incense altars that were above them, and smashed the Asherah poles and the idols. These he broke to pieces and scattered over the graves of those who had sacrificed to them.” (2 Chron. 34:1-4)

President Trump, during your candidacy, I did not know how to pray for you. The Lord led me to read 2 Chronicles beginning at chapter one and I read for hours. When I came to chapter 34 verse one it speaks of a young King named Josiah. I then experienced the presence of the Lord in a profound way and wept as the Lord said of you, “Many have rightly called you Cyrus but I call you MY JOSIAH. You may not be as young in years, but you are young in your relationship with Me. Your heart is tender towards ME and you will do what is good in MY sight. You will tear down the altars of Baal.” I speak over You president Trump that the Lord will guide you with an uncommon wisdom to accomplish His purposes. He wants to remind you: “When circumstances may seem insurmountable in the nation, I the Lord hold the nation in the palm of my hand. Keep trusting me. Acknowledge me in all your ways and I will direct your path, for you are MY JOSIAH!”

Father God, in the name of Jesus, I thank You for President Donald Trump. I thank You for the anointing and the calling You have placed on his life. I thank you for causing Your word to become rich and real as he reads and hears it. I thank You for touching his heart and imparting the desire to do justly and to love mercy and to walk humbly with You. Thank You for the boldness You have placed upon him and a love for this nation.

DAY 105: AUTHENTIC HOPE

“Remember the word to Your servant, in which You have caused me to hope.”
(Psalm 119:49)

President Trump, Thank you for your willingness to persevere in order to bring much needed change to the way our government is managed. My family and I appreciate your business expertise and look forward to the innovation and streamlining your perspective will bring. We bless you, your family and your time in office to be prosperous and productive.

Father, I am so thankful for the hope I felt on the morning after the election – authentic hope. Hope for our country and hope for the future. I thank You for President Trump and his family. I bless his marriage to be strong, healthy and protected in the midst of this season of intense responsibility. I bless his relationship with each of his children to be strong and prosperous on every level. I thank You for the dream You have for each of them and bless those dreams to come forth in fullness. I bless these first 100 days in office to be filled with wise decisions and strategic choices. I thank You for giving President Trump a vision for this country. I thank You for surrounding him with wise counsel, godly influence and selfless leaders – those who would lay down their own agendas in order to come up under his vision for the country and cause it to prosper. Thank You for appointing a President who sees through a prosperous lens and is gifted in the area of restoring. I thank You for his business expertise and the ability You have given him to apply that expertise to areas within the Federal government. I also thank You for expanding his expertise and increasing his clarity as he works with his team to strategize. I bless his administration to perceive new and innovative solutions straight from Your heart. I thank You for President Trump’s willingness to step into this role as President of the United States. I bless his relationship with You to be strengthened and his perception of Your love for him to increase. I bless Your dream for President Trump’s life to be realized and the fullness of who he is in Your eyes to be released. I bless his humility before You and his boldness before men.

DAY 106: GOD'S SUPERNATURAL PROTECTION

“Listen, all you of Judah and you inhabitants of Jerusalem, and you, King Jehoshaphat! Thus says the Lord to you: 'Do not be afraid nor dismayed because of this great multitude, for the battle is not yours, but God's.” (2 Chron. 20:15-16)

The King was facing a surprise attack by several armies; a force too great for him to overcome by natural means. This was not the first time they had faced insurmountable odds. The King's first response was not to consult his army and strategists. Instead, he prayed, and called for prayer throughout the region. The result was that God gave specific instructions that took great faith to carry out. The King not only followed the instructions, but encouraged all the people and his army to do the same. Then they praised God in advance for the victory. The result was that God fought their battle, and the enemy turned against themselves. All the King had to do was send the people to collect all the riches left from the battle.

Thank you Lord God, for giving great wisdom and victory to the President. You know the end from the beginning and all wisdom is from you. Give the President your courage, wisdom and strategies to lead the United States to victory in every area. Give him supernatural health and protection from harm. Give him favor with Congress and the American people, and the ability to guide the United States to strength, blessing, peace and prosperity. Give him strength and favor among International Leaders. Thank you Lord, for giving the President grace to seek you as he faces the many voices and demands of the world. Guide him, and give him the best advisors, and the discernment for right decisions. Thank you Lord, that you are faithful, and answer those who seek you.

DAY 107: SITTING WITH THE LORD

“In all thy ways acknowledge Him and He shall direct thy paths.” (Proverbs 3:6)

I am enthusiastic to see your leadership in action and the path that our Lord is setting out for our great nation by the works of your hands and those that you have enlisted. I know in my own life when I put all my trust in Him, He is mighty to guide my path. I am an IBM’er and as a company there have been many re-orgs to satisfy the direction Ginni is taking IBM. I would not have chosen wisely to accept the role I am currently in if it were not for His guidance. I dedicate the very first waking moments each day to Him. I sit with Him, in a quiet, non-distracting space and listen to His guidance, as well as bring to Him my concerns. He is faithful, and at times will speak loudly and I have literally felt the tug of His Angels holding me back from a path He does not want me to travel. Spending this daily dedicated time has built an intimacy that can be accessed throughout the day for any concerns – big or small. Following the quiet time I like to immerse myself in the living power of His Word – staying on the vine – healthy and growing.

Lord Father, I raise up to You today my brother, President Donald Trump. I ask that You bless him as he walks on the path to lead our country to greatness. Lord, speak boldly to him, do not delay with Your wisdom and discernment when he lays concerns at the foot of the cross. Lord, cover him and his family with a multitude of angels and create a hedge of protection around each and every one of them. Give them the Armor of God (Ephesians 6:10-18) to protect them for the challenges they will face and make their path straight! Let the fountain of wisdom continue to bubble up as he pours over Your Word. We Praise You and Thank You Lord for all that You have done and all that You will do— In Jesus Name, AMEN!

DAY 108: PRAYER FOR GUIDANCE

“Trust in the LORD with all your heart, and lean not on your own understanding; In all your ways acknowledge Him, and He shall direct your paths.” (Proverbs 3:5-6)

Our Precious Father in Heaven, How we love You and praise You, and adore You!!! We thank You, Precious LORD, King of the Universe, for all You have done in making this Nation Great Again – You have given us a Precious and Anointed New President – President Donald J. Trump – for such a time as this! Father, we ask You to cover President Trump, Vice-President Pence, all their cabinet, staff, family and loved ones with Your Protection – We plead and apply the Blood of the Lord Jesus over all of them for Your Most Holy Protection; May You grant our President wisdom to guide this great nation, grace to receive Your leading and direction, peace at all times for him that passes all understanding (Philippians 4:7), renewed strength so he can run and not be weary, and walk and not faint (Isaiah 40:31), a continued powerful daily anointing that will remain all the days of his life and a favored intimacy to know You better than he ever has before, and like King David, we know that President Trump is a Man after Your Own Heart, (I Samuel 13:14). Father, please make him “wise as a serpent, and harmless as a dove,” (Matthew 10:16) around friend and foe, alike – that You would give him exactly what he needs at the very moment he needs it – and that the prayer covering for his safety would remain for the rest of his life, and that he would do what You put him on this earth to do, and glorify You forever, Father. In the Holy Name of Our Lord Jesus Christ, Amen and Amen.

DAY 109: REBUILDING THE WALLS

“So it was from that time on, that half of my servants worked at construction, while the other half held the spears, the shields, the bows, and more armor, and the leaders were behind all the house of Judah.” (Nehemiah 4:16)

President Trump, as I prayed through the election, I would hear the sound of the “trumpet” as you would “tweet” to the people. Many would take the words and twist it, making a different sound, but those who heard what you were saying would hear a truth that would then come to light and cause them to see. Nehemiah was grieved for his people, and he was granted favor by the King to go and rebuild the city. When he arrived, he found the people trying to work in the midst of rubble from the past. He gathered a team to inspect what was there and set forth a plan to build a wall to protect his people. His project was completed in 52 days, a miracle.

Lord God, thank You for speaking to Donald Trump and giving him Your heart for this nation. Open his eyes to see our broken walls and the rubble of past structures that continue to block the progress of any great work in this Land. Help him determine the foundations on which to build. I thank You Jesus, that You have chosen a builder to bring restoration. Jesus, anoint Donald Trump with the seven-fold Spirit of Isaiah 11 to see the end from this beginning and to move strategically forward. I ask You to bless each leader with teams that have a mind to work. I pray that as each is properly positioned they learn to work and to pray. Lord, bless Your intercessors to stand ready to defend and protect those who have been chosen to rebuild; to stand in the face of those who would mock the work that has been ordained; to appeal to our God to hear our prayers and to turn their reproach on their own heads; to stand together against any conspiracies attempting to thwart the rebuilding of America; to stand guard against any infiltration by those who would seek to cause this work to cease; to stand together and say to President Trump, his Cabinet, the leaders of the Senate, the House of Representatives, Departments of Government. “Do not be afraid. Remember the Lord, great and awesome, and fight for your sons, your daughters, your wives, and your houses and the God of Heaven will bring the plots of the enemy to nothing so that the work ordained by Him will be completed according to His plans” (Nehemiah 4). Do it again Lord. Show us a miracle.

DAY 110: WISDOM AND UNDERSTANDING

“For this reason, ever since I heard about your faith in the Lord Jesus and your love for all God’s people, I have not stopped giving thanks for you, remembering you in my prayers. I keep asking that the God of our Lord Jesus Christ, the glorious Father, may give you the Spirit of wisdom and revelation, so that you may know him better. I pray that the eyes of your heart may be enlightened in order that you may know the hope to which he has called you, the riches of his glorious inheritance in his holy people, and his incomparably great power for us who believe. That power is the same as the mighty strength he exerted when he raised Christ from the dead and seated him at his right hand in the heavenly realms, far above all rule and authority, power and dominion, and every name that is invoked, not only in the present age but also in the one to come. And God placed all things under his feet and appointed him to be head over everything for the church, which is his body, the fullness of him who fills everything in every way.” (Ephesians 1:15-23)

I moved to Harrisburg Pennsylvania in 2013 to start the Harrisburg Justice House of Prayer. It is a ministry where our goal is to eventually be worshiping and praying night and day 24/7/365. We are praying for the great state of Pennsylvania as well as our Nation. We pray for our government leaders regularly that they would have wisdom and understanding in all they do. Most people don’t realize that King David set up a tent to worship and honor God. Out of this came the psalms and many prophetic insights for Him as a leader. It changed the atmosphere of his nation. Worship and prayer is a such a powerful weapon that many overlook. It releases wisdom and understanding that can only come from God. I encourage you to take a few minutes every day to wait on the Lord for wisdom and understanding.

I pray today from Ephesians 1:15-23 and give thanks to God for you and your faith in the Lord Jesus Christ author and finisher of our faith. I pray that the Father gives to you a spirit of wisdom and revelation in the knowledge of Him and that the eyes of your understanding will be enlightened so you can lead this nation with such insight that people will want to know your secret to success and that you will be able to tell them with confidence: “My help comes from the Lord!” Father I ask you to lead this man you have chosen sovereignly by Your own hand to accomplish all You have called him to do. In Jesus mighty name, Amen!

DAY 111: WISDOM: THE PRINCIPLE THING

“Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding.” (Proverbs 4:7)

Dear President Trump, I rejoice with you in both your election and ‘selection’ by God as our 45th President. I believe it was Almighty God who, along with many believers, like myself, placed you in the highest office of this great land. As a woman of faith and a Restoring the Foundations minister, I will continue to pray and daily declare God’s favor over you and the Trump Team as you receive “the principle thing,” which is, according to Proverbs 4:7, “wisdom.”

Father God, thank You for providing, protecting, anointing and directing Your son and our President, Donald, in ways that are deeply significant to his life and the life and resurrection of this great nation. Empower him to continually “be filled with the spirit” (Ephesians 5:18b) as he confronts generational iniquities, ungodly belief structures, unhealed wounds and systemic oppression that have crippled America and caused her to be weakened from within and without. Continue to surround him with wise counselors who clearly hear, discern and obey Your voice and direction. Assist him, moment-by-moment, as he makes the myriad – and often challenging - decisions necessary to restore America to her former greatness. Lord, our President needs supernatural strength each day so that he may govern wisely. Help him prioritize time in Your Word, the Bible, and in prayer, which always yields great dividends. Infuse him with the Father’s Love for his wife, his son, Barron, and all those in his sphere of influence. Each night, grant them ‘sweet sleep,’ as promised in Proverbs 3:24, so they can once again wisely co-labor with You. In the mighty and matchless Name of Jesus Christ, our Savior and Lord, Amen.

DAY 112: TRUE REST

“For thus says the Lord GOD, the Holy One of Israel: ‘In returning and rest you shall be saved; In quietness and confidence shall be your strength.’” (Isaiah 30:15)

The Lord is not only calling you, but providing for you a place of rest, President Donald J. Trump. This place has been carved out, created and designed just for you for such a time as this, because He will meet you there. All you have to do is show up and ask Him to shine His love, His light and His truth into and through you. Thank you for serving and protecting the people, the land and the God-given destiny of the United States of America.

So I pray for the preparations of heaven to be released into the spirit, soul and even the body of President Donald Trump. I speak the health, vitality and wholeness of heaven to saturate him with Your sweet, strengthening and restoring rest. May courage, confidence and wisdom come from You, as You carry, protect and love on President Trump. Father, I ask that You would woo and draw our president away with You for times of refreshing in Your Presence, and give him the grace to have encounters with You that change his heart and satisfy his soul. Lastly, I ask that at the end of President Trump's two terms (yes, two), he would not only be able to see Your hand faithfully leading his decisions over the last eight years, but that he and his entire family would "love the Lord their God with all their hearts, all their souls and all their strength" (Deuteronomy 6:5).

DAY 113: GOD IS WITH YOU

“Jesus said, ‘I am not alone, because the Father is with Me. These things I tell you, that in Me you may have peace. In the world you have will have tribulation; but be of good cheer, I have overcome the world.’” (John 16:32b-33)

President Trump, as I watched you go through this past election year, I found myself marveling at how you continued to go forward when there were many things said and done against you. There were almost impossible obstacles that continued to come up that could have caused you to turn back. I believe you could not have done this by yourself. I believe our great God and Father had His hand on you through every step. He fathered you through every situation and led you in overcoming and winning against great odds. Our heavenly Father has brought you through every obstacle and into a tremendous position for Him. He will continue to do this through your Presidency and beyond. And as He leads you through, you will find great cheer and great peace and ultimately know that you are not alone, but your Father in heaven is with you.

“Father in heaven, I pray you grant President Trump great grace to walk through every obstacle and decision of this Presidency with the peace that You are with Him. I pray that President Trump will look for You and seek You more than ever before for the answers in the decisions he needs to make. I thank You for great courage to go forward against impossible odds in bringing Your ways and wisdom into every realm of this Presidency. Father you cannot be stopped! Help President Trump to be unstoppable in what You have for Him to do! And help him to realize he is not alone – You are with Him! Wow! What great love You have for President Trump and this nation. Thank You! Amen.”

DAY 114: REVELATION OF GOD’S GRACE IN TIME OF NEED

“Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.” (Hebrews 4:16)

President Trump, every day offers a different set of fluid events and challenges. All require God’s supernatural strength and direction. I humbly and kindly encourage you to set the tone of each and every day by engaging with heaven through acknowledging your love for God and need for God’s grace (His divine assistance). Your request for God’s grace will be instantly impactful. God’s grace is a game-changer and syncs your mind and situations with heaven; especially during pressing times or when important decisions must be made. God’s grace is like receiving a supernatural surge; a heaven-sent download on the spot. Please know that God’s help, reassurance, peace, confidence, and supernatural wisdom is available to you just for the asking. Jesus Christ was also filled with the grace of God since childhood as depicted in St. Luke 2:40 – “And the child grew and became strong, he was filled with wisdom, and the grace of God was on him.” You have God-given benefits available to you because He loves you so very much and you belong to Him. I encourage you to take a proactive stance and take full advantage of your heavenly benefits package. I encourage you to incorporate the following prayer on a daily basis as part of your devotions or as needed at any given time, day or night. Heavenly Father, I ask you for your grace this day to help me accomplish all tasks at hand for your glory and honor, in Yeshua’s name. Thank you Father, amen.

Heavenly Father, I give thanks for this day to include the remarkable opportunity to offer prayer for our 45th President of the United States of America, Donald J. Trump. I pray that all the days of President Trump will be filled with Your abundant, amazing grace. I pray that President Trump will be saturated with Your lavish wisdom. I pray that he will be comforted to know that there is no lack to those who fear him (Psalm 34:9). I pray that President Trump receives Your reassurance and is strengthened daily; knowing that You are always with him, always for him. Abba, I pray that You will protectively keep watch over him and his beautiful family. I pray that President Trump will confidently and faithfully trust You. I ask that You would lead and guide him always by Your Holy Spirit. I pray President Trump will find comfort in knowing that God’s prayerful people are faithfully keeping him bathed and covered in prayer; standing in agreement for his continued success. I decree and declare that Your continued wisdom, guidance, perfect peace, and love will remain upon Your chosen servant, President Donald J. Trump; and upon all those he loves and cares for; in Yeshua’s name. Thank You, Father. I praise Your holy name. Amen.

DAY 115: GOD IS WITH YOU

“The Spirit of the Lord is on me, because He has anointed me to proclaim good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to set the oppressed free.” (Luke 4:18)

“My prayer is not for them alone. I pray also for those who will believe in me through their message.” (John 17:20)

“Remain in me, as I also remain in you. No branch can bear fruit by itself; it must remain in the vine. Neither can you bear fruit unless you remain in me.” (John 15:4)

Dear Father in Heaven,

thank You for considering your servant, Donald Trump. He is new at being President of the United States, but You are from eternity and You have chosen him for this time in history. You answered many prayers all over the world. I gratefully come to You in prayer on his behalf. Many in this nation have been struck down in mid stride, have lost property, jobs, hope and dreams because of the actions of the last eight years. I believe You are planning to redeem the time and will restore our people to freedom, causing them to take their own places in Your plan and destiny for this nation. Thank You for choosing Donald Trump as Your instrument of peace and healing for America. You prayed for Your disciples before You went to the cross. You also said You were praying for those who would follow You and who would live according to Your Word. Thank You for praying for Donald Trump and for the people he has chosen to lead this country with him. I believe all of Heaven is watching. Father God, open the spiritual eyes of President Trump’s understanding that he may see Your hand at work on his behalf. Bless him abundantly with Your wisdom and courage as He goes about his daily affairs as President. Cause him to be fearless as he seeks Your face, and reads and obeys Your perfect Word. Let Him know You are with him all the way, day in and day out 24/7. Thank You heavenly Father for delighting in us and calling us Your children. Even when we fall short or stumble and miss the mark, You always make a way for us. We are not perfect but You are. You know the way. I ask you to lead your servant in the way he should go. Thank you for the precious blood of Jesus that cleanses us from all unrighteousness and for Your forgiveness when we need it. I pray for physical, emotional and spiritual protection for Your son, Donald, and his family. Thank you for protecting them at all times as You protect this nation and every citizen in it. I give You praise, knowing You hear and answer prayer. Lord God, be honored and glorified in the life of Melania and Donald Trump and the First Family. Be exalted as this nation returns to and finds its solid footing in Your Word. Help President Trump and the people make America great again. Amen.”

DAY 116: THE HOUSE THAT GOD BUILT

“Unless the Lord builds the house, They labor in vain who build it; Unless the Lord guards the city, The watchmen keeps awake in vain.” (Psalm 127:1)

“This is what the Lord says to His anointed, to Cyrus, whose right hand I have held to subdue nations before him, And I will ungird the loins of kings (disarming them) to open doors before him so that gates will not be shut: ‘I will go before you and level the mountains; I will shatter the doors of bronze and cut through the bars of iron. I will give you the treasures of darkness (the hoarded treasures) and the hidden riches of secret places, so that you may know that it is I, the Lord the God of Israel, who calls you (Cyrus the Great) by your name.’” (Isaiah 45:1-3)

Mr. President Donald Trump, on June 16, 2015, I was drawn to watch your live speech in which you were running for president. I knew in my spirit I was to pray for you. It was unusual because I never before got involved in USA politics much. I am from Canada. This is how I knew it was from God. Since that day I was following the newscasts and campaigns and all the debates. I am standing with you and your lovely family in this great history in the making moment. I knew God had your back.

My prayer and declaration has been the above scriptures for you. I will continue declaring them for you and your family. Letting you and your family know you have supporters in Canada too.

DAY 117: BE STRONG IN THE LORD, YOUR GOD

“I will be with you; I will never leave you nor forsake you. Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.” (Joshua 1: 5, 9)

Father, it is Your hand that has placed President Trump in this position of authority and power over this great nation. Your Word says that You raise up kings and You remove others (Daniel 2:21). We ask that You pour forth your wisdom on our President. Surround him with godly counsel and confirm to him the direction he is to take with each issue that is presented before him. Teach him to govern with justice and with humility. Grant him physical strength for each new day. Draw him into a loving relationship with You. Thank You, Father, that his heart is aligned with the wisdom and counsel that You provided our Founding Fathers and that his vision is to see all Americans united. Provide for him the skills that are needed to negotiate with the most difficult of his rivals. When challenging situations arise, let him recall the words that You gave to Joshua to be unafraid and not discouraged because You go before him. Help President Trump to know deep in his heart that You will never leave him nor forsake him. Protect him and his family from all physical harm. Any hurtful, maligning words that come against the Trump family will not prosper. We pray that the dark schemes of the enemy perpetrated over this nation be revealed and brought into Your Light. Help him to remember that it is not by his own might or power that he governs but that all authority comes from You. In Jesus’ Name. Amen.

DAY 118: THE HEART OF THE FATHER

"But the Lord told Samuel, ‘Don’t look at his appearance or how tall he is, because I have rejected him. For the Lord does not see as man sees. For man looks at outward appearances, but the Lord looks into the heart.’” (I Samuel 16:7)

President Trump, I have prayed with others for you throughout the campaign that God would open the book over your life from the throne room that He has written for you to fulfill your destiny that He created you to be. I prayed that God would expose all the evil and deception happening behind the scenes coming against you and, He did just that for you. I have also been praying that God would use you to open the book over the United States of America for our country to fulfill its destiny that He intended for us to be to the world and for His kingdom. On December 31st 2016 the Lord spoke to me that 2017 would be a year of transformation on all fronts, individually, corporately, cities, countries and the world. I am believing God will use you for a time as this to bring transformation to make our nation great again in the eyes of God for all the world to see and follow (Esther 4:14).

Our Heavenly Father, thank You that Your will was done on earth as in heaven according to Your word for putting President Donald Trump in the office of president over the United States. I pray, Father, that You will impart Your Father’s heart into President Trump to lead this country and change the world to be able to see the love and the heart of a Father for them. So many people need to feel the love of a Father and feel accepted and I ask You to give President Trump a pure heart to see You and how You see others (Matthew 5:8). Lord, bless President Trump and his family for the sacrifice you have called them to make and your promise to lead him by your hand, strengthen him and comfort him because Your word says, “I have summoned you by name and you are mine” (President Donald Trump) (Isaiah 43:1). Transformation brings hope and Proverbs 13:12 tells us, “Hope deferred makes the heart sick, but when the desire is fulfilled, it is a tree of life.” In Yeshua’s name, we pray for America to be that tree of life to bring hope back into the world!

DAY 119: HEALING FOR OUR LAND

“If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sin, and will heal their land.” (2 Chronicles 7:14)

President Trump, I recently saw a video of a group of pastors from across the country who had converged on New York this summer praying, and prophesying God’s will for this nation and it was then I became convinced that God had “heard from heaven” the cries of His people - not only of this nation but the world who are praying and interceding for America and that you, President Trump were chosen for such a time as this.

“Father, in the name of Jesus, Your Son, I pray that just as You equipped King David to be King over Your people, Israel, I pray that You release a special anointing on President Trump as he takes over as President of The United States of America, a country with close relational ties to Israel. Let him be Your “Trump” that will sound the alarm of Love, Peace and Unity in our nation and around the world. You have given him a bold spirit. I pray that this boldness be used to exact Your will on this earth as it is in Heaven.” Amen.

DAY 120: PROTECTION, WISDOM, AND STRENGTH

“Because thou hast made the LORD, which is my refuge, even the most High, thy habitation; There shall no evil befall thee, neither shall any plague come nigh thy dwelling. For he shall give his angels charge over thee, to keep thee in all thy ways.” (Psalm 91: 9-11)

Father God, We thank You for President Trump, and his heart that is turned to You. We lift him up to You, Lord, and ask for his protection, protection for him and his family. We speak Psalm 91 over them in faith that Your word is true. You Lord will keep him in all his ways because he has made You Lord. We ask, Lord, that You fill him with wisdom. You chose him, Lord, and You placed him in office; so now he needs Your wisdom, Lord, to move forward. Give him the wisdom of Solomon, who ruled and judged wisely. Help him to make the wise decisions of which men and women should help him govern this country for the season he is in office. Let wisdom be his byword, Lord, not emotions. We ask, Lord, that You give President Trump the strength he needs to move forward each day and handle the events of the world that appear on his desk. Help him learn to give You the burdens, Lord, and only to carry what he should. We ask all of this in the precious Name of Jesus, Amen

DAY 121: INTIMACY WITH GOD AND SUPERNATURAL PROTECTION

“You who sit down in the High God’s presence, spend the night in Shaddai’s Shadow, Say this: ‘God, you’re my refuge. I trust in you and I’m safe!’ That’s right—He rescues you from hidden traps, shields you from deadly hazards. His huge outstretched arms protect you—under them you’re perfectly safe; His arms fend off all harm. Fear nothing—not wild wolves in the night, not flying arrows (or bullets) in the day, No disease that prowls through the darkness, not disaster that erupts at high noon. Even though others succumb all around, drop like flies right and left, no harm will even graze you. You’ll stand untouched, watch the wicked turn into corpses. Yes, because God is your refuge, the High God your new home, Evil can’t get close to you, harm can’t get through the door.” (Psalm 91, 1-10)

President Trump, as I watched you during the campaign I was completely astounded at the boldness in which you spoke for all the world to see! Each time you would say the thing we all were thinking that was politically incorrect, I would pray for your safety. I knew from the beginning that God had chosen you to save our great nation that was founded for Him. He loves America and He loves you. Trust that still small voice which warns you and shows you the enemy’s plans, that is Him speaking to you. God will give you the wisdom of King Solomon and has given you the backbone and the warrior spirit of King David. Spending time with the Father God is your most powerful weapon!

Most Gracious Father God, I thank You for Your plan for President Trump. I call on the Hosts and the Holy angels of Heaven to assist President Trump in every step he takes, every flight, everything he eats and drinks, every time he lays he head on his pillow that he will know that He who watches over him never sleeps nor slumbers. Let Your Kingdom come and Your will be done in his life, in America and the world. decree that no evil will come near him, let the enemy fall in the very pit that has been dug for President Trump. Let the enemy hang from the very gallows he fashions for Trump and Your people. Father, I decree that no weapon formed against him shall prosper! Amen!

DAY 122: HEARING THE VOICE OF GOD

“For as the rain comes down, and the snow from heaven, And do not return there, But water the earth, And make it bring forth and bud, That it may give seed to the sower and bread to the eater, So shall My word be that goes forth from My mouth; It shall not return to Me empty, But it shall accomplish what I please, And it shall prosper in the thing for which I sent it.” (Isaiah 55:10-11)

Dear President Donald Trump, I am very honored to partner with you in prayer for such a time as this. The Lord desires to fill your heart with wisdom and direction for the journey that awaits you. DO NOT FEAR! I had a dream where the word of the Lord was being declared over you revealing many great things that He desired to do through you. You were listening intently and then I said to you in the dream “But you must hear the voice of God.” With an eager heart you responded “How do I hear the voice of God?” The Lord is going to reveal to you your path as you listen for His voice. He has given you a heart for Him and a compassion and love for Him like no other President before. Blessings and honor to you my friend! So, my prayer for you is this:

Thank You, Lord, for calling such a man to a place to lead and command the people. Thank You for raising up a man that hears your voice as it says in your word, “My sheep hear My voice.” Thank You that You desire to answer his cry when he needs Your wisdom and rescue, for it is written in Your word “Cry out to me and I will answer you and show you great and unsearchable things that you do not know.” Right now, I release your ears to hear the voice of God like never before. I pray right now that the desire to hear the voice of God floods your entire being and awakens the Commander in Chief of the United States of America to the voice of God. I pray the release of God’s heart into yours and compassion and desire for God be increased and established. I declare over you that you will not be shaken by those things that tempt and taunt you but you will stand strong in the Lord in every endeavor and in every encounter. I ask for angels to surround you and protect you and the release of Gods plans and purposes in your life. In Jesus’ mighty name, Amen.

DAY 123: HOLDING THE COURSE

“I press toward the mark for the prize of the high calling of God in Christ Jesus.”
(Philippians 3:14)

We thank you for becoming our President and Leader of our Great Nation, the United States of America. We give thanks to GOD that it is within your heart to Make America Great Again! Thank You, Sir!

From the beginning of your service to the ends of your days, I ask the Almighty to impart deep into your heart a steadfastness of His Presence and Guidance. That the enormity of responsibility will never weigh you down but you will be strengthened daily. I pray for the ability to stand fast in decision making for the good of America. That your words will be faithful and true, filled with wisdom and knowledge. I pray for the Almighty’s guidance and presence in the Cabinet choices and Supreme Court choices that will be made. I pray for clarity of decision and thought. May the pen of law be moved by the hand of the Spirit of GOD in due course of responsibility. Dear Jesus, may Your love be seen through President Trump each day as he is required to uphold and fulfill the oath of the Office He holds so dearly. May the Presence of God Hover and Cover at all times. May First Lady Melania Trump be strong and of good courage as she prepares to hold her place in American government and America’s society. May The Almighty hand of GOD be outstretched over her decision-making regarding the events and causes she steps into on the public scene. May the two of them and their entire family continue to be on a steadfast course of Honor and Stewardship as they move from city to city and nation to nation. I pray that the will of our Heavenly Father be upheld at every turn with guidance from Scripture and wisdom from leaders surrounding President Trump. In The Mighty name of Jesus, I ask this with my whole heart and soul.

DAY 124: WISDOM, UNDERSTANDING, AND WISE COUNSEL

“...but have asked for yourself understanding to discern justice. Behold, I have done according to thy words; see, I have given you a wise and understanding heart; so that there has not been anyone like you before you, nor shall any like you arise after you. And I have also given you what you have not asked: both riches, and honor; so that there has not been any one like you among the kings all your days. So, if you walk in my ways, to keep My statues and My commandments as your father David walked, then I will lengthen your days.” (I Kings 3:11b -14)

“Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers.” (3 John 2)

Heavenly Father, I’m asking You to give President Donald J. Trump and his Administration supernatural wisdom and mighty understanding to lead, govern, establish and protect this Great Nation to be all that You destined it to be. Within the first 100 days and beyond, give them the knowledge, answers and witty ideas to dismantle and replace our present healthcare system with a plan and program that will provide improved healthcare for all Americans, buy-in from insurers, healthcare networks, and to even bless all participating providers. Make it an amazing win-win for all in Your Son’s name. Secure our borders; strengthen our intelligence to defeat those that want to harm us and Israel, boost our job markets and economics. Unify our nation so that all will see, and take note of your divine sovereignty through this administration’s willingness to seek Your will and wisdom. Bless and protect the Trump and Pence families to dramatically prosper, excel in their personal lives and affairs, and to maintain excellent mental and physical health as they seek You for leadership for our nation. In Christ’s name, we ask Your Divine Favor for all that agree with this prayer and others like it. Amen, so BE it.

DAY 125: GOD FOUND YOUR HEART AFTER HIS

“After removing Saul, He made David their king. He testified concerning him. ‘I have found David son of Jesse, a man after my heart, he will do everything I want him to do.’”
(Acts 13:22)

I’m a Legislative Prayer Caucus Pennsylvania State leader, and I give capitol tours of the Sacred Challenge from God through our founder, William Penn., who had God’s heart like you. We are known as the Keystone State, a governmental shift state, because of our founder’s vision from God who spoke to him saying “He will build my city, and set my captives free” Penn prophesied about his State that “My God will make it the seed of a nation, a holy experiment, for the nations that want a precedent … that we would do the thing that is wise and just” God found you, a man, with His enlarged heart for our nation and the nations of the world in a time where the political spirit vies against the spirit of God and His people. God found you, a man, with his heart to lead a movement to Restore America and the nations.

Father, let Your heart guide President Trump’s heart to carry out Your holy precedent in our nation, doing what is wise and just, a holy example for the nations. As a prisoner of conscience, Penn knew God wanted a governance where people’s hearts were governed by God’s love for one another, and not dominated by political control. He wrote a first frame of government about the Divine Law of Love governing brotherly love in society and bringing world peace and unity. I pray the spirit of the Lord presides over President Trump’s heart and presidency and guides him with divine wisdom and grace to build and protect the United States and United Nations to be a better world.

DAY 126: ACCESS TO DESTINY

“For You formed my innermost parts; You knit me (together) in my mother’s womb. I will give thanks and praise to You, for I am fearfully and wonderfully made; Wonderful are Your works, and my soul knows it very well. My frame was not hidden from You, when I was being formed in secret, an intricately and skillfully formed (as if embroidered with many colors) in the depths of the earth, Your eyes have seen my unformed substance; And in Your book, were all written the days that were appointed for me, when as yet there was not one of them (even taking shape).” (Psalm 139:13-16)

Heavenly Father, I come before Your throne of Grace and Mercy as Your friend for our President Donald Trump. Father, Your word says that his days were written in Your book before he was even formed in his mother’s womb. I ask You to forgive him and his bloodline for any sins (legal right) the enemy might use in the Courts of Heaven to hinder, sabotage or steal his destiny. I ask that the Blood of Jesus answer all accusation in the Courts of Heaven against President Trump and his bloodline. I ask that You give him access to his book of destiny. Give him the blueprint already laid out for his success and victory over the next eight years in the White House in Jesus name. Father, I ask You to make Yourself known to President Trump in an intimate relationship with You. Put a hedge of protection around him and his family and their possessions. Reveal any Judas in his camp and remove any obstacle from his path. Flood the White House with the Blood of Jesus and reveal any secret listening or recording devices hidden. Make the White House a no-fly zone for spiritual and natural enemies. Thank you Father for his victory! In Jesus’ name.

DAY 127: SUPERNATURAL WISDOM

“Please give Your servant a listening heart for judging your people and knowing the difference between what is good and what is evil. Who is capable of judging Your chosen ones, a great people? The Lord was delighted with Solomon’s request.” (1 Kings 3:9, 10)

President Trump, How awesome to be able to address you as President. I am one of thousands who have been praying for you for months and months. We are committed to daily prayer for the duration of your presidency. I began January 1 asking God to favor you with wisdom by praying the book of Proverbs. I declare one chapter of Proverbs over you each day. It is powerful and full of promise for you. God has a download of wisdom to give you in every situation and challenge that the Presidency brings. You will know answers and strategy that is not possible without hearing God.

Lord, it is Your great love for President Trump and for America that will cause him to listen and hear what You are saying each day. You said that You are pleased when we ask You for wisdom and we believe Your promise that You would give it generously to anyone who asks. I pray that our new President will daily ask You not only for wisdom, but also for understanding and strategy. Pour out peace and patience on him as he learns to hear You and wait for Your response. Give him the courage and boldness to act on what You tell him. Holy Spirit, make Yourself ever more real to President Trump as You carry wisdom, protection and more peace to him. Thank You for hearing our prayers, for Your love for our President, and for Your mercy on America in giving him the responsibility to bring turnaround for America.

DAY 128: REVELATION OF THE SECRET THINGS FOR GUIDANCE

“Moreover, the word of the Lord came to Jeremiah the second time, while he was still shut up in the court of the guard, saying, ‘Thus says the Lord Who made [the earth], the Lord Who formed it to establish it—the Lord is His name: Call to Me and I will answer you and show you great and mighty things, fenced in and hidden, which you do not know (do not distinguish and recognize, have knowledge of and understand).’” (Jeremiah 33:1-3)

“And He said to them, ‘How is it that you had to look for Me? Did you not see and know that it is necessary [as a duty] for Me to be in My Father’s house and [occupied] about My Father’s business?’” (Luke 2:49)

President Trump, three years ago, while in prayer the Holy Spirit revealed that the next President would be a man with a Cyrus anointing. Even though we did not know in 2013 who it would be, we trusted that word. In June of 2015, as you descended that escalator to announce your candidacy, I knew in my spirit that you were the one we had prayed about. During the campaign, I saw you and had a chance to meet DJT JR. twice. I knew that a father who has a son who speaks so sincerely of his great love and respect for him, was the right kind of leader for our country. Our country is in need of strong fathers, for there is no shame in leading your family or leading a country and you embody both. I pray that this prayer will strengthen you, comfort you, and empower you in a supernatural way to fulfill this great commission as the 45th President of the United States. May your Scottish ancestry that reaches back to the great revivals raise up, bring a revival to America, and make her Great Again. May you be about your Father’s business.

Heavenly Father, I thank You so very much for sending President Donald J. Trump into this position of leadership over America. I pray that he will learn to lean trust and rely upon You in this new role. I pray that he will look to You and not himself only in this hour. Surround him and his administration with Your shield of faith and wisdom. Surround him with Your presence and Your favor. I decree that darkness will have no hiding place in this hour and that the hand of the enemy will be spoiled in his efforts against God’s will concerning America. May the agenda of God be faithfully executed over the next eight years. I pray the blessings of the Lord be upon you and your family as you lead our nation into her great destiny.

DAY 129: GOD WILL ANSWER THOSE WHO ASK HIM

“The Lord, the Maker of the heavens and the earth- the Lord is his name- says this: ‘Ask me and I will tell you some remarkable secrets about what is going to happen here’….If you need wisdom – if you want to know what God wants you to do – ask Him, and he will gladly tell you.” (Jeremiah 33:3, James 1:5)

God Bless you, President, Donald J. Trump, we are committed to praying for you daily in your call to serve God as President of the United States.

Father, as a nation we bow before You in complete dependence, and humility, which You honor, and we ask You to lift America to greatness again. Thank You for appointing and anointing President Trump in this hour in history. Father, through the Holy Spirit would You imbue President Trump, with supernatural wisdom and keen heavenly discernment to guide this land, under Your blessed authority. Father, may he draw close to You and in You alone, to resist and defeat the dark forces against him. Father, would You encircle and encamp him with wise and trusted counsel whose hearts are in one accord and who individually and corporately seek You in all things. Father, would You release effective and efficient simple strategies to this beloved son, through Your Holy Spirit, as we place a blood bought shield of protection, released through the Cross surrounding him, his entire family and cabinet. We decree and declare in Jesus, that all fiery darts of the enemy be repelled and extinguished immediately as You confound the seemingly wise of the earth with Your simplicity, O LORD. Jesus, thank You for communing and communicating with this President throughout each day and night, revealing and guiding him through dreams, ideas, images, voices through Your heavenly and holy creativity, O JESUS. Father, cause this beloved son to hunger for You, as he walks through each day presented with the tasks before him. Satiate his hunger, feed his body, soul and spirit with Your Word, Voice, Principles, and manifest Your Presence in truth, mercy, justice and deep abiding peace. May his heart, mind and will resonate and beat in one accord with Your mind, heart and will, dear Lord. May the Cross of our Lord JESUS become a symbol of the war waged and won, in a life lived in deep surrender and abiding with You, Almighty GOD. May our President stand strong in alliance with You. We entrust and seal our blessed President, Your son, in this hour, through You, JESUS, and all Your blood bought benefits and we proclaim that President Donald J. TRUMP, will do all You have called him to do faithfully and wholeheartedly. We pray in the Mighty NAME of JESUS.

DAY 130: A BLESSING FOR YOUR SPIRIT, PRESIDENT DONALD TRUMP

Dear President Trump, I call your spirit to attention in the Name of Jesus Christ of Nazareth. I call your spirit to hear that you are a beloved and precious child of God. Your Heavenly Father has created you special and unique, and He has placed you with the people and in the locations that have been designed for you, for your purpose on earth at this time. Your Heavenly Father loves you with an everlasting love (Jeremiah 31:3). He has promised to be with you always, to never leave you, to never abandon you, and to guide you always with His eye. He is delighted with who you are, with the way that He has made you. There is nothing you can do to make Him love you more, and there is nothing you can do to make Him love you less. His love for you is not based on your performance, but He loves you because you are His precious child. Spirit, child of God, I bless the faith that God has placed within you, because your faith is the victory which overcomes the world (1 John 5:4).

I bless your faith to be strong and resilient. I bless your faith to continually look beyond the present problem, the current situation, and to look into the eyes of you Heavenly Father. For it is there that you will know that He loves you, that He is with you, and that He has His sometimes very strange solutions to every challenge that you face. I bless you to joyfully partner with Him in the outworking of every circumstance that requires a new solution. I bless you to be His child, His beloved one, His friend, His accomplice in His big plans for this world. I bless the wisdom and the tenacity that He has placed within you. I bless you with the joy of a warrior as you face each battle. I bless you with rest, as you relax in God’s refreshing Presence, to renew your strength and allow Him to take the weights and burdens off of your shoulders and to give you His Peace. I bless you with sound and comforting sleep, and with finding answers to your questions in your dreams. I bless your relationships to be steadfast and true, with people whom you can rely on and lean on for sure guidance and loyal love. I bless you to know that true strength comes from allowing yourself to be weak, as the Lord has said in 2 Corinthians 12:9, “My grace is sufficient for you, for My power is made perfect in weakness.” The Lord’s grace is with you always, His favor, His love, His ability to go above and beyond anything you can imagine. I bless you to believe in His love for you and His Presence with you and to ask Him for anything and everything that you need. As He has allowed you to become a king, I bless you to allow Him to rule and reign in your heart, so that the King of Heaven will be able to rule through you on earth. I bless you to trust in God’s wise and piercing wisdom to continue to see the truth, know the truth and love the truth in every matter, great and small. I bless you with great confidence and joy as you ride forth in this wonderful new adventure, knowing that the people of God stand behind you always, praying for you, and loving you. I bless you in the precious and matchless Name of Jesus Christ.
