

Trump Administration Believers

An interactive Prayer Guide to praying for the Presence of God to work through the believers serving in the Trump Administration.

“I would say that the office is so powerful that you need God even more. There’s almost not a decision that you make when you’re sitting in this position that isn’t a really life-altering position. So, God comes in even more so.”

—President Donald Trump

Praying for all those in authority is a command by the Lord as instructed in 1 Timothy 2:1-2. These believers in the Administration are bringing the Presence of God into our nation’s government!

- 1. PRAY** that these regenerated believers would listen to the Spirit, and to permeate light in the offices of every part of our government.
- 2. PRAY** for each person to recognize their own inadequacy and pray to seek the will of God. (Proverbs 3:5-8)
- 3. PRAY** that each would fear God and that God would be glorified through their actions. (Proverbs 9:10)
- 4. LISTEN** to the Lord and write in the lines after each person what the Holy Spirit prompts you to pray for that person. How is the Lord directing you to pray?
