

Most of you are aware of an email that has been circulating on the web and witchcraft sites concerning casting a spell on President Donald Trump this Friday, February 24 at midnight (12:00 AM) and then continuing on to future waning crescent moons.

Those who have covenants with evil are always using spells, hexes, vexes, incantations and higher sacrifices to gain power. Most of these being called forth are what would be called low level or wannabes. But those that invite and encourage this activity are not. Those are the ones that make up our bigger assignment.

This level of warfare is what **Heartland Apostolic Prayer Network (HAPN)** is about. Not only do we take back from the enemy (through high level intercessions) what he has stolen, but we partner with Holy Spirit and the Body of Christ to occupy what has been gained, and in this case the protection and success of the Presidency.

Our covenant is higher than anything - the Blood of Jesus is and will always be the highest sacrifice ever made, higher than any that can be made for evil. **Because we carry Jesus' authority and partner with the power of Holy Spirit, "no weapon formed against us can prosper."** (Isaiah 54:17) *"We have not been given a spirit of fear, but of love, power and a sound mind."* (2 Timothy 1:7) The battles will come and some will get harder because the enemy has lost his authority. But we will rest in the Lord, the battle is His because we are seated with Him in Heavenly places (Ephesians 2:6) doing our assignments in decrees and intercessions with full confidence that the Kingdom of God is advancing!

We rejoice to see the Hand of the Lord released through our prayers and declarations. We long to get those deceived set free but until they touch the anointing, we can only pray that their eyes be opened. However, when they touch us or OUR PRESIDENT, then they have put a demand on our anointing so we can legally release it back to them. Therefore, when they reach out to touch us, we can now reach out and touch them back in the name of Jesus and with all of His Power to set them free! **What they meant for evil will be turned to good by taking the chains, veils, blinders off the deceived eyes!**

So let's do our assignment to take out the snipers and [ambushes] of the enemy by:

1. Linking our intercessions with all the Godly prayers concerning these current and future attacks, and linking the Body of Christ to unity in the Spirit.
2. Reminding the spirit realm we have the highest covenant with God, and that we have divorced Baal. Decree again the covenant of Light rules in the USA.
3. Exposing all levels of occult, satanic and witchcraft to the intercessors in the spirit so they may overcome them through the Blood of the Lamb and their testimony (words, sounds). Apply the Blood of Jesus to every act or craft of evil - the demonic world knows the Blood of Jesus is the highest power! Plead it over them.
4. We ask you Holy Spirit to release Your angels to minister to, through and for us, our President, Vice President, their staff, cabinet members, security and all their families.
5. We bind, muzzle and gag every evil thought, word or magic spoken and return it with the power of Jesus name and His Blood to set them free.
6. We ask You, Jesus, to redeem all those whose blood were planned to be used for sacrificial power.
7. We thank You, Father God, for Your love to us, Your sons and daughters, the love that triumphs and trumps over every evil plan.
