URGENT PRAYER NEEDED FOR PRESIDENT TRUMP

Pray a hedge of protection around the President and Vice President, both personally and professionally. Pray for loyalty, discernment, and strength. Pray for peace and order in our nation—for the upholding of the rule of law. Pray that God’s will would be done and that His Kingdom would come to bear in the White House and in our government.

Be exalted in your strength, Lord; we will sing and praise your might. (Ps 21:13)

From time to time we get information, words, or impressions from people we trust, who ask us to pray. Today we are asking you to pray for our President.

Begin with repentance. “Without repentance, our prayers will not get results, but God has promised if we turn away from our wicked ways and get right with Him, He will heal our land (2 Chronicles 7:14). Righteousness, a right relationship with God, is the only thing that can turn our nation around, and it requires with repentance.” ([James Bailey, Z3 News.](#))

NEW CONGRESSWOMAN FROM MINNESOTA 5th DISTRICT UNDER INVESTIGATION FOR VARIOUS FRAUDS AND POTENTIAL PERJURY

Pray for revelation of the danger of the growing acceptance in Minnesota of radical Islam and anti-Semitism. Pray for open eyes in Minnesota (and elsewhere) to see the dangers of whitewashing extremists and the media bias that favors Muslims and disfavors Israel and Christianity.

Reject every kind of evil. (1 Thes 5:22)

For two years, U.S. media has maintained a near-blackout on the specific evidence of Rep. Ilhan Omar's (D-Minnesota) anti-Semitism, disturbing character, and legal issues. In the 18 hours after Omar was elected to replace Keith Ellison in MN Congressional District 5, the media left zero doubt as to why.

Focusing on heralding Omar as a hero is not only misleading, but also reveals the stunning mainstream media bias.. In a Google media search of her name, 105 articles come up that all are glowingly positive about Omar.

Not one of the 105 linked articles presents the troubling evidence against Omar -- except, in two or three cases, to dismiss it without explanation.

Who is Ilhan Omar?

Here's a quick summary of Ilhan Omar's controversies: Can you remember a candidate in recent memory with a more disturbing set of skeletons?

1. [Omar has made -- and defended -- anti-Semitic](#) statements [see above tweet] that are indistinguishable from Ayatollah Khamenei's Twitter feed.
2. Just weeks ago, the [Minnesota Campaign Finance Board opened an investigation into her](#) after evidence of a third major violation surfaced.
3. [A stunning amount of evidence -- official state documents](#), court proceedings, and time-stamped, verified social media posts from Omar's own account -- shows that [Ilhan Omar may have committed multiple serious federal and state felonies](#). Immigration fraud, marriage fraud, many instances of perjury, tax fraud, student loan fraud, and more are implicated by the evidence.
4. Zero evidence has surfaced to counter any of that hard evidence.
5. On the contrary, [Omar has been caught deleting much of it](#).

The media has made the following decision: presenting Ilhan Omar as a symbol is more valuable than delving into the truth. The media's reputations, their readers' trust, the rule of law, and America's struggle against anti-Semitism are secondary to the symbolism they want to push. Here are ten of the 105 stories that paint a false picture of Omar:

"BLADENSBURG PEACE CROSS" CASE TO BE HEARD BY THE U.S. SUPREME COURT

Please pray for a decision from the Supreme Court that would protect religious freedom and expression.

Like as a father pitieth his children, so the LORD pitieth them that fear him. (Ps 103:13)

VIDEO: A Mother's Love Never Dies

First Liberty Counsel Chelsey Youman shares the story of Martha Redman, a Gold Star Mother whose love and devotion to her son made her a driving force in building the Bladensburg WWI Veterans Memorial.

In 1925, a local post of The American Legion, the largest veterans service organization in the country with approximately 2.2 million members, erected the Bladensburg WWI Veterans Memorial, also known as "Peace Cross," to honor 49 local men who died in WWI combat. The memorial stood for almost 90 years without objection until the **American Humanist Association** filed a lawsuit in February 2014 alleging the cross-shaped memorial is unconstitutional and demanding it be demolished, altered, or removed.

At the base of the Memorial Cross is a bronze plaque listing the names of the 49 fallen heroes. On the plaque is the inscription: "This Memorial Cross Dedicated To The Heroes of Prince George's County Who Gave Their Lives In The Great War For The Liberty Of The World."

Four words are inscribed on the base of the memorial above the plaque, one word on each side: Valor, Endurance, Courage, Devotion. A brightly colored image of the American Legion emblem is emblazoned on the memorial on both sides of the intersection of the cross shape.

Multiple rounds of appeals have taken place, each one inching closer to the destruction of this beautiful tribute to the lives of 49 World War I local heroes.

GOOD NEWS! THE SUPREME COURT WILL HEAR THE CASE

The U.S. Supreme Court just announced that it accepted the appeal of The American Legion et al. v. American Humanist Association et al. The American Legion is asking the justices to reverse the Fourth Circuit's decision jeopardizing the Bladensburg memorial.

"There are some who want to erase the memory of the service and sacrifice of these 49 fallen servicemen of Prince George's County," said Kelly Shackelford, President and CEO of First Liberty. "If this monument is bulldozed to the ground, it's only a matter of time before the wrecking ball turns on Arlington National Cemetery and the thousands of memorials like this one across the country."
