

# ISLAM: DANGER FOR CHRISTIANS IN OUR OWN NATION?

*Pray about the increasing number of observant Muslims becoming involved in all levels of government in the U.S. Pray that motives, allegiances, and true intentions would be revealed. Pray that all who favor Sharia would be defeated. [Zechariah 10:2](#).*

## Islamic leadership in office.

In the 2018 midterm elections, **90 Muslims were on the ballots across the U.S.**—nearly all Democratic candidates. There are now three members of Congress who are practicing Muslims—see two of their profiles below. In addition to roles in national leadership, there are a host of Muslims serving as elected officials in states and communities. **Ilhan Omar**, who ascended to the seat vacated by fellow Muslim **Keith Ellison**, in the **5th District of Minnesota**, was elected with 78% of the vote. Omar, despite being elected handily, has a past that in any other district would be problematic. In addition to the [immigration](#)

[marriage](#) to her brother, [Omar](#) is unapologetically pro-Sharia, pro-female genital mutilation, pro-[CAIR](#), and anti-Israel. She is one of the first two Muslim women in Congress and the first to wear a hijab on the House floor. She is pro-[BDS](#) and favors a [one-state solution](#) for Palestine, not Israel. Her tweet below is consistent with her views. She has multiple pending [ethics violations](#) charges against her—some even from 2019 in her new role as Representative.

**Rashida Tlaib**, now representing the **13th District of Michigan**, and Omar, left, are the first Muslim women serving in Congress. You may have heard Tlaib's name as an incoming freshman Congresswoman who

rose to media fame with her expletive tirade against the President during an official event, cheered on by celebrities and liberal pundits. But besides her animosity toward the President and desire for his impeachment, Tlaib is on a crusade to equate the "rights" of Palestine and Muslims with the civil rights fight of the 1960s. She is a member of the [Democratic Socialists of America](#) and has been named to the powerful House Oversight Committee. Her views are similar to Omar—anti-Israel, pro-Palestine, and, in addition, Tlaib is also a member of the Holocaust-denier group [Palestinian American Congress](#). Tlaib and Omar, along with fellow Muslim lawmaker **Andre Carson**, addressed [a Congressional reception by CAIR](#) during one of their first weeks in Congress, aligning themselves with the Muslim Brotherhood front group, deemed a terrorist organization by many.

A worldview at odds with America

Here are a few disturbing examples of how the Islamic faith of these leaders is a liability to our nation:

~Ilhan Omar recommended reducing sentences for convicted ISIS members in Minnesota, asking the judge for "compassion."

~Tlaib celebrated her election victory wrapped in the Palestinian flag and touts support for the BDS against Israel.

~Tlaib states that she will vote *against* military aid to Israel, supporting only a one-state solution in the Middle East—a Palestine and no Israel. She aligns herself with MB activist [Linda Sarsour](#).

## Prayer Points

~Pray that people's eyes would be opened to the alliances, views, and associations of the members of Congress whose beliefs are fundamentally at odds with the Constitution.

~Pray that their influence would wane in Congress, their states, and our nation.

~Pray that views that are incompatible with the Constitution would be thwarted.

# ISLAM: DANGER FOR CHRISTIANS ABROAD?

*Persecution of Christian brothers and sisters at the hands of Muslims worldwide is at an epidemic rate. Pray for awareness of this crisis and for diplomatic avenues of pressure to stop the slaughter of Christians worldwide.*

*The “nun” is the Islamic symbol to mark Christians for persecution.*

**I am sending you out like sheep among wolves. Therefore be as shrewd as snakes and as innocent as doves.**

**—Matthew 10:16**

## The sheer number of Christians persecuted or killed at the hands of Muslims overseas is staggering.

**215 million Christians are suffering high levels of persecution worldwide—that is 1 in 12!** The persecution includes **death, rape, imprisonment, forced marriage, and torture.** It is perpetrated on adults as well as children, and in many cases entire families, churches, and communities have been wiped out, with bloody scenes left as a threatening message for others. The staggering amount of persecution taking place today goes largely unreported in western news, as most news organizations do not see value in the story—it is “over there” and it doesn’t fit the narrative of peaceful Islam.” **Not surprisingly, most of the persecution takes place in the Middle East, or in Muslim-dominated parts of the world.** Countries such as Syria,

Libya, Nigeria, the Philippines, and many other countries are in crisis and are receiving very little help from western nations, including the United States. **Save The Persecuted Christians** is a coalition-turned-organization, founded by National Security expert **Frank Gaffney** (pictured above), dedicated to raising awareness and advocating for these little noticed believers—our brothers and sisters in Christ. The rate of Christian persecution is greater now than any time in history.

*How can you be praying about the issue of Muslim persecution of Christians worldwide?*

**Consider these prayer points:**

Pray for more awareness in the Church and boldness to speak out against Christian persecution.

Pray for Americans to reach out to lawmakers on behalf of those persecuted—for resolutions, diplomacy, and, if needed, intervention.

Pray for those who are being persecuted—for strength, for God’s Presence, and for protection.

Pray for lawmakers and Administration officials to be moved to act on behalf of persecuted Christians worldwide and to recognize those who perpetrate as terror organizations.
